Complaints were filed at the last regular meeting of council and since then councillor Cal McIntyre has made contact with the owner of the property. He reported the owner is planning action to stop the nuisance.

Meanwhile a petition with eight names was tabled at council complaining about odors from a pig farm on Appleby Line. Council agreed to determine whether or not the operation was classed as a legal non-conforming use.

MRS. E. SMITH, Rison Road North, Oshawa.

Mrs. Smith, who shops for three says "I would definitely recommend Loblaws to anyone. Like the variety of food I can get here—the store is always clean and the quality of the food is always excellent. I don't buy too much at the meat counter—we have our own meat—but what meat I have bought—hams for instance—have been good and Loblaws fresh produce is the best of any store I've ever shopped in. Another thing about Loblaws—they usually carry everything in the large economy sizes. I like to get the large sizes because it saves me having to shop through the week—I can make one trip do."
