## Ties hurt Flyers fall to fifth spot

Milton Flyers were held to two points in their last three games. They now have a record of four wins, five losses and five ties. Flyers have the rather dubious honor of leading the league in ties with five draws.

Flyers break tradition for the next two weeks and travel to Oakville and Burlington for games on Friday nights. Their next home game is Sunday Nov. 28 against Oakville Blades.

## Welders tie Guelph but lose squeaker

Ed's Welding Pee Wees tied Guelph 4-4 on Saturday night in Guelph. Eric Ellison was the big gun for Milton with two goals and two assists. Billy Lyons scored once and Dwayne Hamilton notched the fourth tally.

The Welders had built up a 3-0 lead but Guelph never gave up and narrowed the margin to 3-2 in the second period. In the third period the Welders seemed to run out of steam on the big ice surface and had to settle for the tie.

Hap Perrot played a standout game in the Milton net.

On Sun. night the Ed's Welding Pee Wees were edged 2-1 in Chinguacousy. Wally McKay scored the Welders lone goal with the assist going to Dwayne Hamilton.

The Welders played one of their better games and with a few breaks around the net they could have come out a winner. Dave Toletzka was between the pipes for the Welders and came up with some key saves especially in the third period.

This season the Welders have over half first year boys and are just starting to put things together these last few games.
