Accept tender

Esqueusing Council has accepted the tender of Ontario Culvert Metal Products for a multi-plate culvert at a price of \$2,990 for the bridge which collapsed recently on the Eighth Line, near Silvercreek.

Although two other prices tendered that of Armo Canada Ltd. at \$2,818 and Westeel Rosco Ltd. at \$2,231.26 were lower, council accepted the Ontario Culvert tender because of the urgency of the situation. Ontario Culvert guaranteed delivery in one week, while the Armo tender called for delivery in five to six weeks and the Westeel tender guaranteed delivery in three or four weeks.
