Mrs. H. Coulson returned as president of UCW

The January general executive of St. Paul's United Church Women started off with a pot luck supper. Tables were all arranged and tastefully decorated, when 32 members sat down to enjoy fellowship together. Two short contrasting skits made an interesting opening. First one demonstrated how a group planning a social event can think of all other things that do not help, and in the time allotted have nothing accomplished. The second one followed a definite plan, beginning with a prayer, scripture, minutes read and adopted, then the leader read the purpose and function of the United Church Women, reaching their goal.

Annual reports As this was the annual meeting, Mrs. Harold Coulson, president for her second year, called for the full report of the year's work from the secretary, Mrs. E. W. Foster. This was an exciting and inspiring compiling of actual accomplishments. The 1971 yearly treasurer's report and reading of several appreciative letters from the building fund, Fred Victor Mission, Overseas Relief Shipping, Street Haven and others, was given by Mrs. H. R. Magee. Mrs. James Holmes reported on Supply, covering 11 workshop meetings, sending 32 quilts and good usable second hand clothing in bales to Toronto Norway

House, lepers; then locally, making coveralls and bibs for the pre-school retarded children, also the quantities of fine knit wear for all ages. Mrs. Holmes gave some interesting notes of thanks from these places. **Coming events** Business items were mentioned, such as taking a turn making coffee after the morning service and authorizing the new treasurer to pay all outstanding bills. Then important announcements were St. Paul's United Church annual congregational meeting Wednesday, Jan. 19, at 8 p.m.; the executive of Halton Presbyterian U.S.C. meets at Appleby United Church, Jan. 24; those attending are to bring lunch; the annual Presbyterian U.C.W. to be held at Cooksville United Church, Feb. 24, starting at 9:30 a.m.; your delegates will be appointed for this meeting. Mrs. H. Coulson, president, invited the general executive to her home on Saturday, Jan. 22, to formulate plans for the coming year. Elizabeth Fry Society seeks members here

Local women interested in the work of the Elizabeth Fry Society and volunteer work in area jails are invited to attend a meeting of the Brampton chapter this Thursday evening, Jan. 20 in Brampton. Judge W.D. August, a provincial court judge, will speak on why citizens should become involved in assisting the criminal court procedure. The meeting

will be held at the Brampton "Y", 248 McMurchy St. S., Brampton, starting at 8 p.m. Mrs. Ward Brownridge of Ashgrove, a member of the Brampton chapter, expects the group's work will increase when the new Maplehurst regional detention centre opens in Milton and is interested in getting more women from this area active in the association's volunteer work.

She said she would be glad to give further information to anyone interested, if they call her at 878-6730. A dairy cow producing 11,000 pounds of milk a year (about 5,000 quarts) consumes an average of 45 tons of fuel—8 tons of feed and 37 tons of water. That's 247 pounds a day.
