Bob Slessor

Bob has been selling Pontiacs and Buicks and the other fine General Motors products for 20 years. He knows just what you want — a good car at a fair price backed by great Slessor Service — and he delivers. Combining the three Slessor car

institutions was a great success last year and we want to continue to pass along any savings in time or money in helping you have your new car on the road as soon as possible for driving this year.

Dwight Slessor

Dwight has over two decades under his belt for General Motors. With Newmarket being 80 miles from Grimsby, he can fit in his working day and still be having a specific car for you. 1965 thru 2000's — that's the Slessor way.

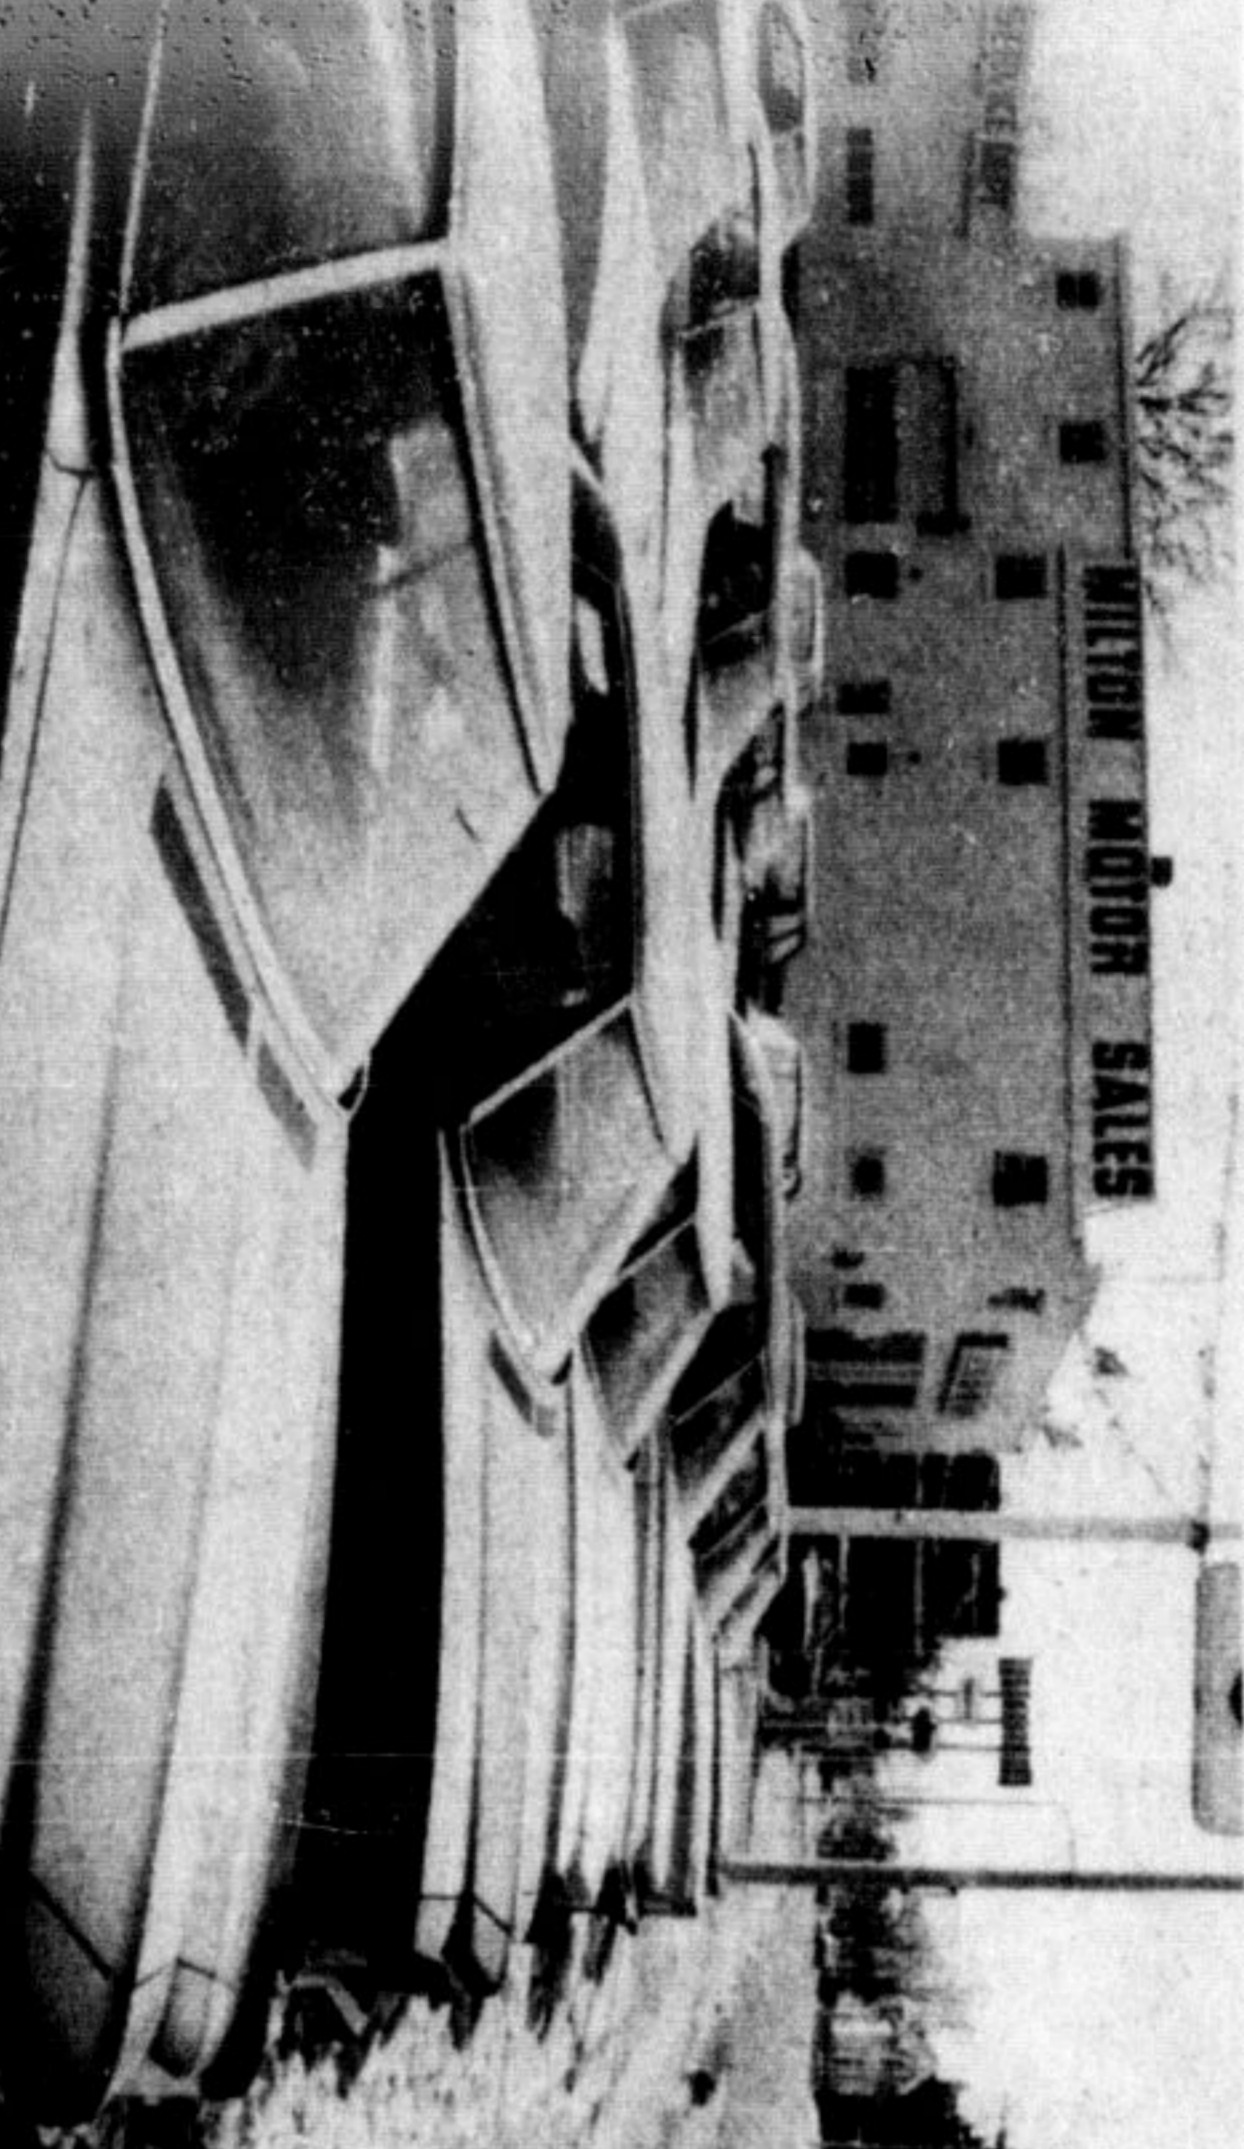

Together, the stock on the Slessor car lots is more than any other single dealer would be expected to carry. Buy from a Slessor... where the choice is yours.

Ivan Slessor

Ivan started selling Pontiac-Buick cars back in 1951 and has been working with his brothers to make sure anyone that wants a new car can get it. He doesn't have it — he is quite sure one of the Slessors

will. Milton is only 20 miles from Grimsby, so he and Bob get together often to discuss Slessor Service for their customers. The exact car you want
