**Peru trip takes 62 days, 177 rides**

Gary Price, hitchhiking in South America has made quite an impression on the native people. In Trujillo, Peru he was interviewed by the town newspaper, which did a human interest story on Gary and his trip.

The headline that appeared was "From Canada to Trujillo in 62 Days and 277 Rides". A picture also accompanied the article. As a result of this publicity he was invited to attend lectures on journalism at one of the schools and asked to speak and answer questions before 300-400 people for 15 minutes translated by a girl into Spanish. He was then invited to lunch and lectures the next day and talked in Spanish himself to 14 and 15 year old school boys. Gary is a student of journalism.

During January 1972 the Burlington Citizens' Committee For Pollution Control collected one fifth of all the materials recycled during the year 1971. Aware citizens have made use of 179.91 tons of materials that would have been garbage. The residents of one large apartment have become keen enough on separation for recycling that they asked the C.C.P.C. to continue their involvement for separating materials which amount to 800 pounds per week. The C.C.P.C. information centre is 443 Louist St. at Elgin in Burlington.

**Resource Material**

The center is open Friday 6-9 p.m. and Saturday 10 a.m. to 4 p.m. The number is 634-9311. The resource material is a selection of over 60 books, periodicals, reports, government publications and 35 millimetre slides and an up to date file of news clippings taken from five local newspapers.
