### Ruling may help Flyers

A resolution approved at a recent meeting of the Ontario Hockey Association could conceivably help the Milton Flyers next year. In the past Milton Juniors have been allowed to draw seven waivers or imports but only two of those could come from Metro Toronto. Now all seven could potentially come from that area.

The Metro area stretches to within 12 miles of Milton or this side of Bramalea. Imports are players that are brought to town and live and play hockey here and waivers are players who live outside of Milton but play here.

Stan Moore of Hespeler, OHA convenor for this league area was elected to the OHA executive at the meeting.

### Midgets practice

Tryouts for the Midget A ball club will continue tonight at 6.30 (Wed.) at Milton fairgrounds. Manager Leo Bekar said only 16 boys have shown interest so far. Those interested and 15 or 16 years old should attend the Wednesday practice. Gord Hall will coach the club.
