without having to detour through and around those streets constructed to the south of that

subdivision. 9. Surely the Planning Board's most important role is that of good planning for the Town of Milton, and it is our contention that a 'loop' in the proposed area would be very poor planning

There are many other reasons for this petition being filed, and in the event that the Planning Board proposes to take it upon itself to approve Plan 2, in lieu of Plan 1, as originally presented to it, we feel that in all fairness, the taxpayers and residents to the south of the proposed plan of subdivision be given a chance to voice their opinions and arguments at a public hearing on this

The petitioners have requested that a copy of this letter be published in The Canadian Champion for the information of the general public.
