

Moffat girls tops 44 to 0

First ball games of the season were played in the district Monday night.

Moffat under 15 girls started off the season with a whopping score of 44 to 0, smothering Eden Mills team. The game was played at Eden Mills, but the home team had no hits and no runs. Susan Thompson was the winning pitcher.

The Thompson clan continued

to provide winning pitchers Monday night with a cousin and brother of Sue's getting the credit.

The Moffat Squirt "A" boys beat Rockwood at Moffat by a score of 8 to 5. Wayne Thompson was the winning pitcher.

Campbellville bantam baseball team beat Brampton 4 to 3 in Campbellville in their first encounter. Danny Thompson was the winning pitcher.

Short of goal

Salvation Army blitz continues all month

A Monday night blitz for funds for the Salvation Army's 1972 Red Shield Appeal turned in \$587, organizers from the Milton Ladies Auxiliary of the Royal Canadian Legion report. The total is \$413 short of the \$1,000 goal but canvassing was not completed Monday and will continue until the end of the month.

Salvation Army Captain Jim Johnson reports some areas of town were missed because the

Auxiliary was short of both time and canvassers. But the ladies and their helpers will continue to make calls until every home has been covered.

Funds are starting to trickle in from an industrial-commercial mail campaign. Residents of Milton's apartment buildings will be canvassed by letter. Blake Charlton at Canadian Imperial Bank of Commerce is local treasurer and will accept donations from anyone there.

Ebenezer

Death seems like end of an era

Friends from near and far gathered at Brookville Hall to honor Catherine and Walter Freeman, who have moved to Milton. Their farm on the Guelph Line has been sold to the Zippens from Toronto. Mrs. B. Young read the address and Stan Robinson presented the couple with a bowl of money, after which dancing was enjoyed.

Large funeral

The funeral of Janet Borthwick, widow of the late Robert McAlpine, was largely attended at Ebenezer. Mrs. McAlpine celebrated her 92nd birthday, on Feb. 29. Her husband predeceased her in 1923; she was also predeceased by a daughter Mary. Born at Ancaster, she was the last of a family of nine. After her marriage, she lived in Nassagaweya, until moving to Chesley, 8 years ago. Long before hospitalization was so readily available, Mrs. McAlpine's services as a practical nurse were much in demand. Many a new little Nassagaweyan was helped into the world by her ministrations. Her passing seems like the end of an era. Pall bearers were five nephews, Andrew and Henry Leachman, George McAlpine, George Wright, Belford Smith and a friend, George Locker.

She was a member of Geneva Presbyterian Church, Chesley and an associate member of the W.M.S. Mrs. McAlpine leaves three daughters, Alena, (Mrs. George Swanson), Mrs. Isabel Wallace, both of Guelph, and Ellen (Mrs. Les Lowe) with whom she made her home, of R.R. 4, Chesley; and two sons, Leslie, of Toronto, and Charles, of Hamilton; 16 grandchildren, 34 great-grandchildren and one great-great-grandson.

Christening

Mr. and Mrs. M. Hayward were in Orangeville, on Sunday, attending the christening of their granddaughter Lori Lynn Trimble.

Best wishes are extended to newly-weds, Mr. and Mrs. John David Moffat, (formerly Valerie Carol Steele, of Lowville). Lovely flowers were left in the church in memory of the groom's late father and grandmother, Del Moffat and Mrs. Rena Elsley.

U.C.W. meeting

Mrs. Ward, the president, opened the May U.C.W. meeting with a verse. Two ladies volunteered to take charge of the Spin (recycling) collection at the township hall, on the first Saturday in June. Mrs. Early expressed her thanks for the lunch served at the golden wedding. Mrs. Diamond reported on the bale sent to Africa. Mrs. D. Munro dealt particularly with Zambia and Tanzania, in the

Woman wins \$725 jackpot

Those weekly Thursday night Lions Club bingos at Milton District High School continue to produce big winners. Mrs. Mary Stuart of R. R. 2 Rockwood was the most recent jackpot winner, taking home a \$725 prize a couple of weeks ago.

Mrs. Stuart said the money sure came in handy — she bought a washer and a dryer with her winnings. An overflow crowd filled the school cafeteria for the jackpot night.

FINAL DETAILS were taken care of before driver Tom Neill took this new stock car to Varney for the first race of the season. Chris Neill, Bruce Pewtress and Steve Smillie are shown making final checks. The crew has been preparing the car for the first race since early winter. (Photo by B. Burt)

Farmers want dogs "printed"

Compulsory nose prints for dogs might be one way to eliminate marauding canines who have attacked and killed sheep on farms in North Burlington, says Mrs. Ross Harbottle of Swiss Rd. near Kilbride.

"A dog tag is not enough identification and collars can easily be removed," states Mrs. Harbottle. Recently the Harbottles lost their flock of sheep for the third time in 15 years because of ravaging dogs.

Mrs. Harbottle says there is every indication the dogs in question are well-fed pets and not wild strays. She advocates the registering of a dog's nose print, when the owner applies for a dog licence. A nose print for dogs isn't a novel idea, says Mrs. Harbottle, who claims it is already an established fact.

According to Clerk Sims, guidelines for compensation are set by the province. But at a Burlington finance committee

last week he said he would be contacting farmers in the area to see whether or not compensation was enough.

Brief to council

The lady is preparing a brief containing suggestions for reducing dog attacks on livestock, which she is hoping to present to Eurlington Town Clerk, William Sims. She is also looking for ideas from concerned citizens in the area.

Meanwhile some farmers in the North Burlington area, including the Harbottles, are not satisfied with the amount of compensation the town is paying them for the loss of their animals due to forays by dogs.

—Local fans watched the NHL finals with great interest. Referee Bruce Hood of Milton worked some of the games.

Proclamation is too late

Groups wanting Milton Council to proclaim a special week for them, will have to submit their requests at least two weeks in advance, members of council decided Monday.

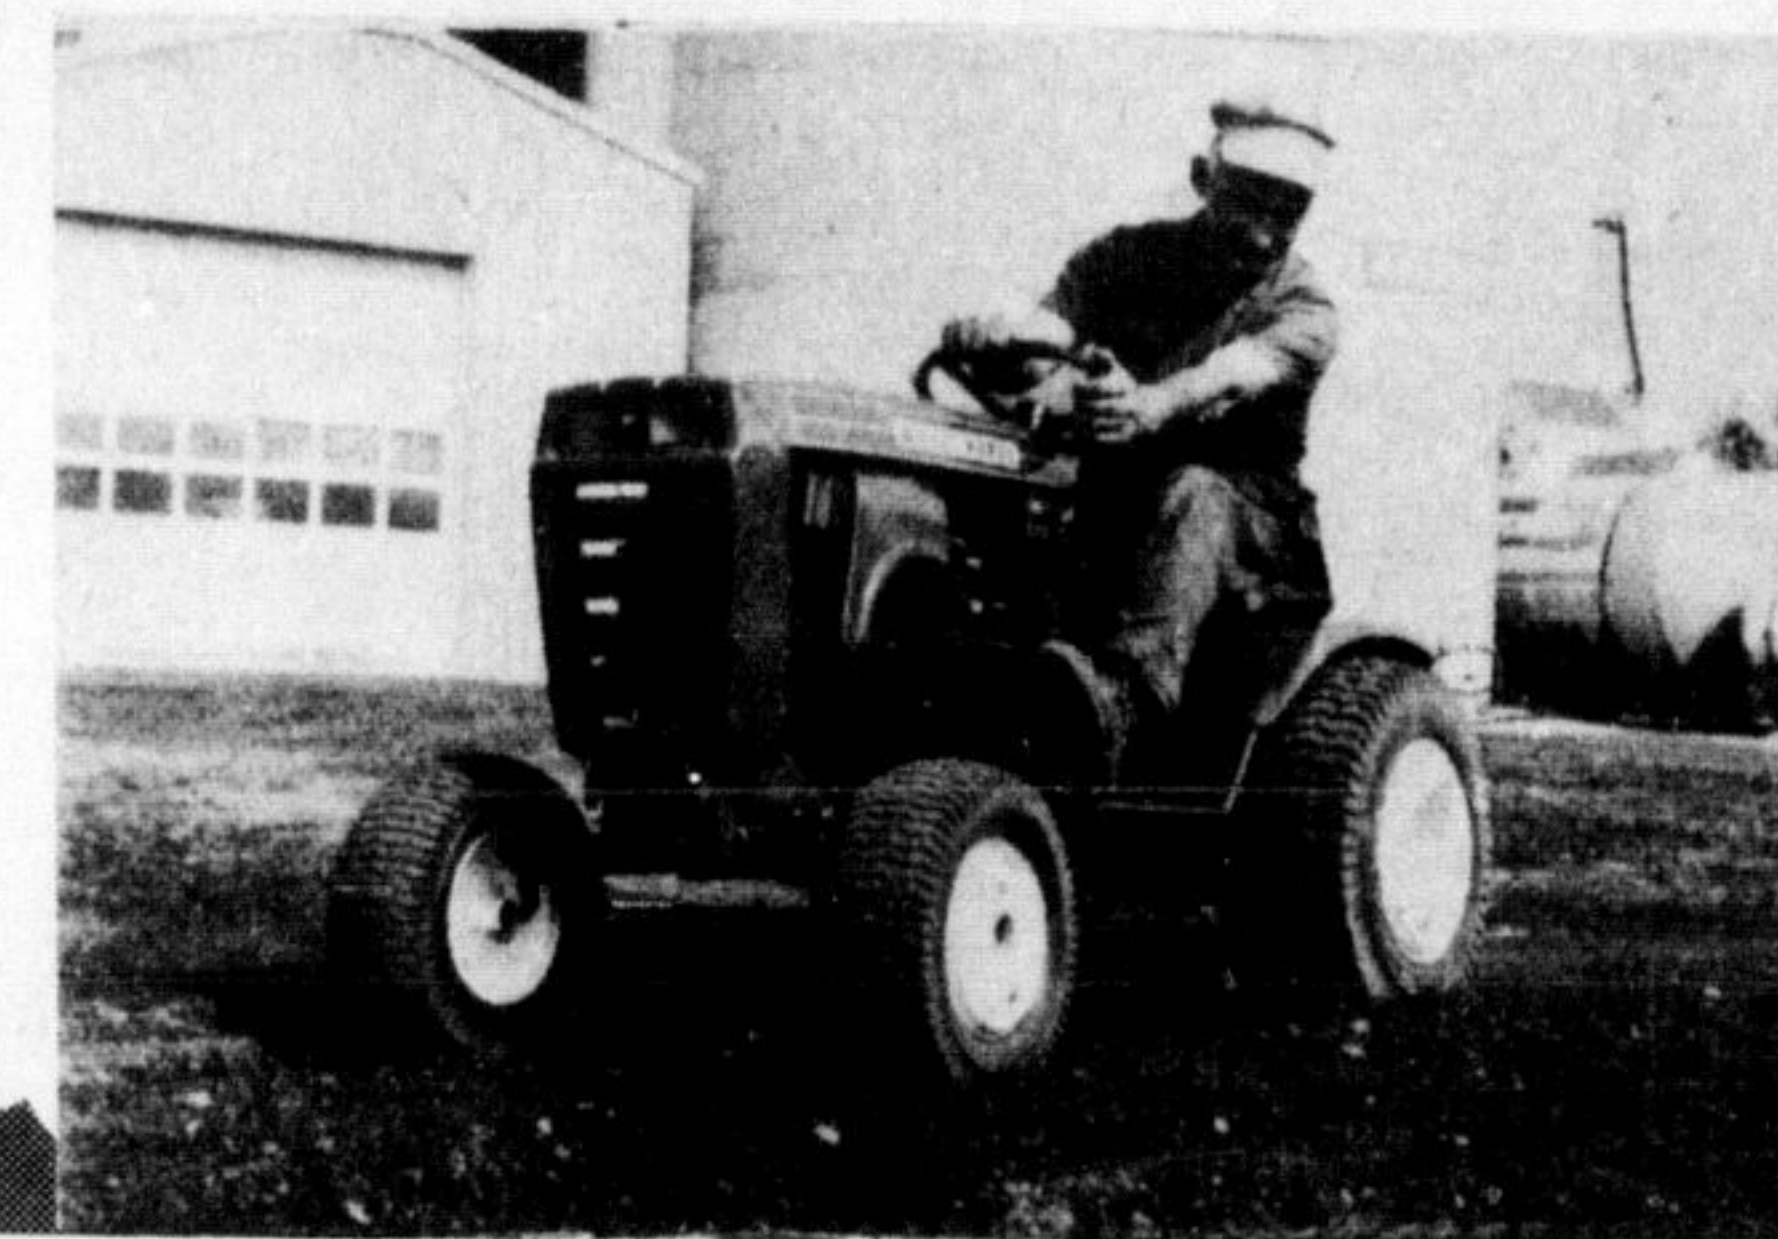

They received a request at their Monday meeting for a proclamation of National Week for the Mentally Retarded, May 15 to 20, but the request came too late. Councillor Syd Childs pointed out the proclamation wouldn't appear in The Champion until Wednesday and by then, the week was half over. "You'd just be throwing money away," he said.

Fellow councillors agreed it was too late and decided to make a cash donation to the North Halton Association for the Mentally Retarded, equivalent to the cost of publishing the proclamation. At the same time they suggested any groups wanting proclamations should submit them in plenty of time, in the future.

The NHAM's letter was dated May 2, but it wasn't received until last Thursday, May 11.
