Couples celebrate golden and silver anniversaries

By Mrs. Jim Hamilton
The North Trafalgar Community Club held their monthly meeting at the home of Mrs. Alfred McCracken on Wednesday evening, May 10, with 21 members and two guests present. The meeting was opened with the Club Ode by the president Mrs. Gordon Leslie. The treasurer's report was presented by Mrs. Joe Sammit. Mrs. John Hannah and Mrs. Martin Gott conducted the annual pictures, plants and auction sale.

The cancer kits were handed in by several of the workers. A box of fruit was sent to Hugh Bates of the Eighth Line, who is on the sick list. The auction sale raised \$29.85 for the Club Treasury. An additional \$11. was raised by the sale of raffle tickets on a beautiful shawl crocheted by Mrs. Maybelle May who is a very industrious person. The birthday song was sung for two of the members, Mr. Anderson May and Mrs. Nellie Salome.

The next meeting will be held at the home of Mrs. John Cordingley on Wednesday evening, June 14, with Mrs. Joe Sammit and Mrs. Jim Saliba in charge of the program. Congratulations to Mr. and Mrs. Roy Snelling (nee Hamilton) on the birth of their daughter, Nicole Constance, 7 lbs. 8 ounces, at the Oakville-Trafalgar Memorial Hospital 12. A wee sister for Tammy Leigh and a wee granddaughter for Mr. and Mrs. Floyd Hamilton and Mr. and Mrs. Snelling.

Golden wedding
Mr. and Mrs. Albert Hunter of Norval, Mr. and Mrs. Delbert Downs, Mr. and Mrs. Frank Peacock of Milton and Gerald Carton of R. R. 3, Milton, attended the golden wedding anniversary of their cousins, Mr. and Mrs. Harold Burkholder of Burlington recently.

Get well wishes are extended to Steve Trencs Sr. who is a patient in the Milton District Hospital. His many friends wish him a speedy recovery. Anniversary greetings are extended to Mr. and Mrs. Doug

Leslie, who will celebrate their silver anniversary May 28. The best of wishes are extended to Doug and Adele on their special occasion.

Get well wishes are extended to Elmer Carton, who is a patient in the local hospital. Mr. and Mrs. Leslie Rutledge of the Ninth Line spent the weekend at Rochester, New York, where the Grand Slam quartet from Brampton were invited to visit with them.

Desert luncheon
The Eden United Church Women held a desert luncheon May 16 at 1.15 p.m., when 75 ladies were invited downstairs for a buffet lunch prior to the singing of the grace. Following the lunch the ladies were invited up stairs to hear a very interesting program. It featured the singing of the "Grand Slam Quartet" which includes four women from the Brampton, Bramalea chapter of Sweet Adelines. Mrs. Bill Hill introduced Mrs. Helen Haight of 1481 Burnhamthorpe Rd. E., Oakville, who is the publications lady for the Halton Presbytery as well as an elocutionist. Mrs. Haight put on two monologues which were very amusing to all.

Mrs. Edna Waite introduced Mrs. Nancy Brown, who is 20 years old, of Grand Valley, the new Ontario Dairy Princess. She works in Toronto for the Milk Marketing Board.

Miss Brown visits communities throughout Ontario as part of her duties as the Ontario Princess. Nancy was quite at home at Eden United Church as there were several of her relatives in the crowd, including Mrs. Martin Treanor and Mrs. Milton Brown who are Nancy's two grandmothers.

Following Nancy's talk a second number by the Grand Slam quartet was enjoyed and Mrs. Haight put on a short skit. Mrs. John Cordingley on behalf of the Eden ladies thanked all those who took part in making the day such a success. Thanks was also extended to Mrs. Lena Hamilton

and Mrs. Bessie Marshall for receiving the guests at the door.

Euchre party
The North Trafalgar Euchre Club held their weekly euchre party on Saturday night, May 20, at the North Trafalgar Community Centre. There were nine tables of euchre in play with the prizes going to the following winners for the ladies, Mrs. Olive Raine, Mrs. Ola Robin and Mrs. Lena Reid. The gents prizes were won by Charlie Trimble, Gerald Teneycke and Wilmer Mason. The lucky draws were won by Tom Brownridge and Mrs. Livingston.

Scott George Treanor was baptized by the Rev. M. Flint at St. Peter's Anglican Church, Erindale, on Sunday May 14, at 2.30 p.m. Scott is the son of Mr. and Mrs. George H. Treanor of Clarkson. Mr. and Mrs. Garry Hamilton of Hornby are the godparents.

Attending the service and family dinner was the grandmother Mrs. Harold Crozier of Derry Road, Meadowvale, Mr. and Mrs. Garry Hamilton, Ken, Kendra and Kimmy.

New family
The May farm on Winston Churchill Blvd. has a family of four new kids which belong to the family goat Daisy. They are kept warm by heat lamps in the barn when they are not out in the warm sun. The May family have 15 goats and Daisy is the family pet. Last year Daisy had five goats but they all died but one. They call the goats Liz, Lou, Kate and Bill.

Miss Jean Goodfellow of the 10th Line has been honored recently by two showers prior to her coming wedding. A family shower was held recently and Susan Lewis held a miscellaneous shower at her home on Steeles Ave. on Monday evening, May 15 for friends and neighbors. The bride to be was seated in her chair of honor which was decorated with pink, mauve and white paper carnations and pink and white streamers hung from the ceiling.

A beautiful hat was made of a variety of colored ribbons and bows by Susan Lewis. Three interesting contests were conducted and enjoyed by all. Following the opening of the gifts, Jean extended her sincere thanks to all for the lovely gifts. A delicious buffet lunch was served by the hostess and her daughter Susan.

Birthday greetings are extended to the following who are celebrating their birthdays, Brenda Lockie on May 23, Lori-Ann Beene on May 25, Patsy Rae on May 29, Mrs. Jack Miller on May 31 and also Ricky Tallyn.

27 YEARS OF TEACHING in Nassagaweya Township will end in June when Mrs. Florence Parsons of Campbellville retires. Brookville School principal Robert McCaw (left) presented the popular teacher with a purse on behalf of the staff, at a staff dinner last week. Her husband Ed looks on at right. Mrs. Parsons taught mainly at S.S. No. 6 (Kelso)

but also spent some time at Milton Heights P.S. and for the past seven years has been on the staff at Brookville, doing Grade 6 and special education work. Following the staff dinner an open house was held, when many from the community came to pay tribute to her work. (Photo by R. Downs)

Motorcycles may race

Providing necessary approvals are forthcoming, Milton Community Service Clubs will hold motorcycle races at Milton fair grounds Aug. 13.

A Streetsville club known as Ville Riders Incorporated made representation at the meeting of the service clubs May 17 and explained they had held races in Belleville, Tillsonburg and Peterborough.

The club also discussed progress of plans for the June 10 Tommy Hunter show and dance at Milton Arena. About 1,500

tickets are on sale at 32 locations in Milton.

Difficult to control mushrooms in lawns

By Burke McNeill
Have you been bothered by the presence of various sizes and shapes of mushrooms in your yard? Moist and cool weather conditions seem to bring these plants on like the plague.

Mushrooms grow in soil containing high amounts of organic matter. The destruction of the elm trees by Dutch elm disease has contributed to the present problem. Remains of tree stumps and roots in the lawn complicate the mushroom problem. As it decays the wood, organic matter forms and the mushrooms begin to reproduce. Mushrooms as plants move from place to place by means of spores. Many of these spores land in areas that are not suited for their growth. But once they find an ideal environment, spawn or mycelium is produced. The spawn eventually produces mushrooms, which in turn produce spores.

Die eventually
The mushrooms secrete enzymes which break the organic elements into humus. Once the organic matter is broken down so that there are no nutrients left,

the mushrooms die. The presence of other forms of organic matter such as highly organic soil, buried wood or other forms of plant material can lead to a mushroom problem.

Although the mushrooms look very undesirable, they will not harm the lawn. There are no chemical controls for mushrooms. Certain chemicals will burn the mushrooms off, but new plants will spring up overnight. It is best to continually mow the mushrooms off to keep them under control. As the environment changes (wood completely decays or the weather becomes dry and warm) the mushrooms will disappear.

Complete elimination of the mushrooms can be accomplished by removing the source of organic matter in your soil. In most cases, this procedure is much to laborious and involves a complete renovation of the yard.

It is advisable that one take a "Patience Pill" and wait for the existing conditions to change and thus eliminate the mushroom's growing environment.

Conservation briefs

Grouting new dam

At an executive meeting of Halton Region Conservation Authority Thursday, members

—Learned from engineering consultant M. A. MacKrell that construction of Hilton Falls dam should be finished by October. A grouting program, to seal leaks in the reservoir will be completed in a couple of weeks, said MacKrell.

—Decided to ask the Public Relations Information Committee and the Personnel Committee to conduct a study on the need for a full time public relations officer. The Authority usually hires a public relations worker during the summer months.

—Learned the Glen Eden Ski Area at Kelso had made \$24,043.17 income over expenditures during the ski season.

—Heard General Manager Murray Stephen say the new concession operators at Kelso Conservation Park, Canteen of Canada have paid a rental fee of six per cent or \$2,043.15 for the past season. This was \$1,000 over last season's figure, remarked Stephen.

—Approved the increase of swimming lesson fees at Kelso Conservation Area. Most of the new rates are only 75 cents more than last year's prices.
