# Elsley's earn tie hold first spot

Last week in the T-Ball league, the game between U.A.W. and U.S.W. was rained out and will be rescheduled later. Wednesday Elsley's Pharmacy and Richardson's Chev Old's again battled to a dead lock-tie of 24-24, and on Friday the new Rotary club came up with its first victory over U.A.W. 29-17.

Hitters for Richardson's in the Richardson's Elsley game were (Doubles) Scott Richardson, Brian Gagnon, Danny Simon, John Turner and Jay Froch with two. A home run was also smashed out by Russ Oates.

**Great play**  
Gordon Nisbet on the Richardson's team made a great play in the last inning of the game, knocking down a line drive to put out the last Elsley batter which if scored would have given Elsley Pharmacy another victory. They also had a double play as Danny Simon caught a fly ball and then touched first base for the second out.

Games to be played next week are on Monday July 10 and Elsley plays U.S.W., Wednesday July 12 as Richardson's play Mario's and Friday July 14 as U.A.W. challenges Elsley Pharmacy.

**T-Ball standings**

Richardson's Chev	3	2	8

Moffat Atoms remain undefeated after nine league games this season. Recently they scored a 14-4 win over Eden Mills and a 37-12 drubbing against Morriston.

Dave Brown and Ron Wunder each had two home runs and Randy Smith had one. Some good defensive plays were made in the game as Rick Smith made an unassisted double play at second base.

Russ Britton caught a long hit ball in left field and Larry Small scored a line drive at short. The pitching duties were shared by Don Buchanan, Randy Smith and David Brown.

# Late runs cost C'ville game

Leaside scored twice in the top of the ninth to break a 5-5 tie and defeat Campbellville 7-5 in Campbellville Sunday afternoon.

Bob Wylie who worked one and two thirds in relief got credit for the win as he held Campbellville hitters over that route. Starter Rick Fleury in seven and one-third innings allowed five runs off seven hits while striking two and walking eight. Garnet Mitchell went the route for Campbellville allowing seven runs off nine hits. He walked three and struck out seven.

**4-0 lead**  
Leaside hopped into a 4-0 lead in the third. Fleury singled, went to third on Smith's double and both scored as Osborne doubled. An error, a stolen base, a walk and Scott's single produced two more. The visitors added another on Osborne's homer in the top of the fourth to make it 5-0.

Campbellville got two back in the bottom of the fourth. Andrews homered to lead off and then Faggion singled, was pushed to third by two walks and scored on an infield out. Campbellville came up with two more in the sixth to close the gap to 5-4.

Dennis walked and then a two base error put men on second and third. Garnet Mitchell's single drove in one and the other scored on another Leaside error after Mitchell was caught off base on the throw in. George Chester homered in the eighth to tie the score at 5-5.

Leaside then came up with the necessary runs in the ninth. Miller walked, on a wild pitch and scored ahead of Smith who drove a homer over the centre field fence.

Smith and Osborne both homered and doubled for Leaside. Scott homered and Taylor, Weedon, MacDonald, and Fleury all singled.

**Homers**  
Peter Andrews homered and singled for Campbellville and Loris Faggion singled twice. George Chester homered and Rick Clement and Garnet Mitchell both singled.

# Pee Wees pick up six points

Milton Squirts played against Oakville last week and were unlucky not to get their first point of the season to their credit. At half time the score was a 0-0 game and in the second half it was end to end play with a goal for Oakville answered by a goal from the foot of Mike Lambe to tie the score once again.

Unfortunately for the Milton boys in the last minute of play Oakville came up the field and put the winner behind the Milton goalkeeper.

This week however the Squirts gained their first win and it was an uphill struggle all the way when they left the field at half-time behind by a score of 2-0 against Acton. In the second half the team came to life and goals from centre forward John Delacourt, Mike Lambe and a penalty kick conversion by Kevin Harkin sealed the first victory for the Squirts in an excellent game in which they never gave up trying.

**PEE WEES**  
Milton Pee Wees added four more points to their league standings with two more wins, the first against Oakville and the second against Chinguacousy. In the first game they led by a score of 1-0 at half time on a goal by Charlie Cox and although Oakville tied the game in the second half early on Milton regained their lead on a penalty goal converted by Laurie Traynor. In their second game they played against the might of Chinguacousy and the defence were outstanding, getting a shut out. Milton took the lead and held on to it for the rest of the game on a goal by Horace Saunders.

**BANTAMS**  
Milton Bantams lost a game against Georgetown last week and the main cause of the defeat was the lack of players who turned out for the game, many of the regular line up not putting in an appearance. The final score was a 5-1 loss with their consolation goal being put in the net by Brendan Merritt. The Bantams came back this week and gave Brampton a drubbing with the final score being an 8-1 victory. The half time score was 3-1 and at no time in the game did the Milton team look like losers. The goals were scored by Larry Beaulieu (5) from close-in, Howard Saunders (2) from about 20 yards out and one goal from a 30 yard shot off the foot of James Harkin.

**MOSQUITOS**  
Milton Mosquitos played three games recently, the first against Acton and they blew a 4-1 lead with only 15 minutes left in the game to tie the game 4-4. Charlie Cox scored a hat-trick on passes from Alphonse Crisci and Steve Baudier scored the other on a passing play set up by Mike
