

JUNIOR HOCKEY PLAYERS went through a thorough workout Monday night at the first full practice of the season. The club practiced Sunday morning but mostly local boys attended the one hour workout prior to the regular schedule of practices. (Photo by B. Burtt)

Jr. Flyers open camp new colors and sponsors

Grunts and groans were in abundance Monday as about 40 to 45 hopefuls skated through a two-hour workout at Milton Arena with the Milton Continental Flyers.

The Flyers will sport an all-new look when they hit the ice for their first regular game next month. The club will have new uniforms and entirely new colors to top things off. They'll dress in purple, gold and white.

New sponsor
Flyer executives and Gallinger Motors announced this week that Gallinger's would sponsor the club this season for an undisclosed amount of money.

In making the announcement Max McKee of Gallinger's noted the club would be called the Milton Continental Flyers.

"We at Gallinger's are enthusiastic about the Junior B hockey club as it is a community program with mostly local talent. One area we would like the fans to think about is Phil Esposito's comments on Team Canada. Our Junior B's have the same feeling as do the pros," McKee said, noting that he hoped fans would get behind the club and support a winning group.

Tough Practice

Coach Bert Brown ran players through a tough practice Monday night. Conditioning as always will dictate to a certain extent the degree of success the Flyers will enjoy in the early portion of the year.

At the end of the two hour practice a panting crew trekked off to the dressing rooms. While several appeared to be carrying extra pounds and suffering because of it, Brown will be working to whip his workers into shape by the end of the two week camp and the nightly workouts. Boys will try out for two weeks for two hours each night.

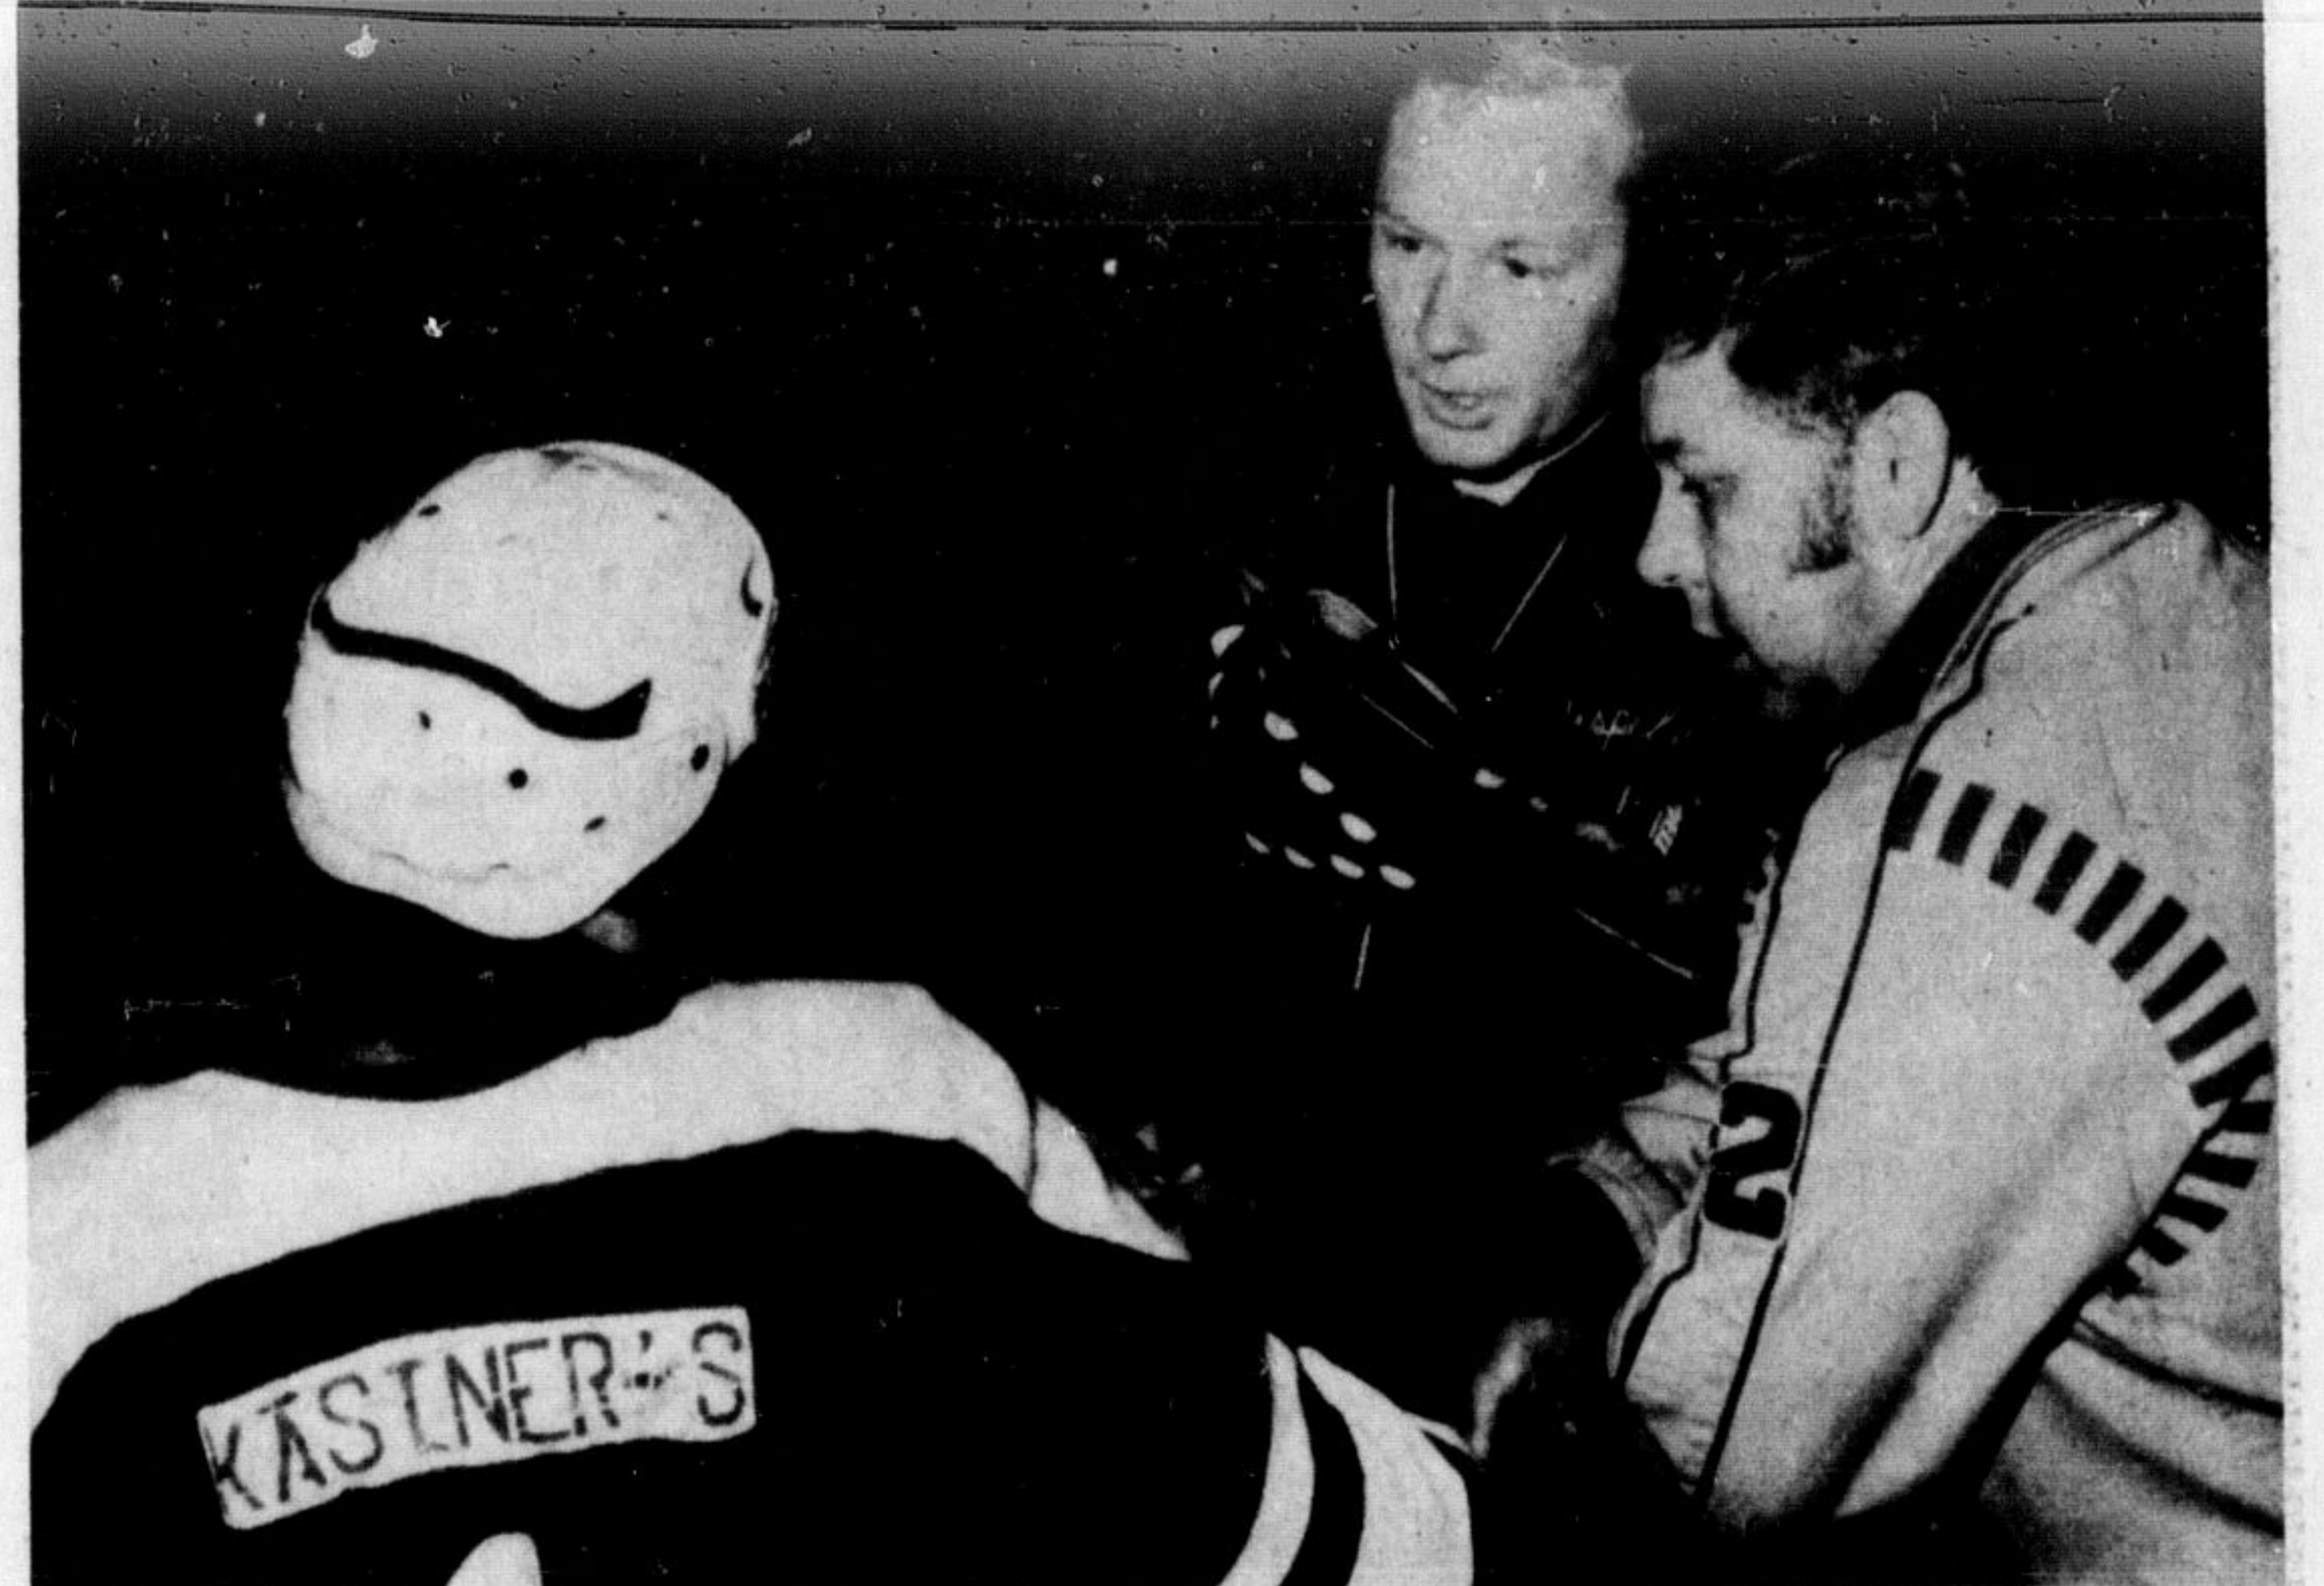

Several familiar faces are attending camp again this year. Dave Hulme and Brad Butterworth from Georgetown who played with the club last year have attended the opening of camp along with Bill Presniak, John Arnold, Terry Mastine and Jeff Lockridge. Hugh Marshall wasn't at Monday's practice but is expected to work with the club.

Up from midgets

Among the locals trying to make the big club up from midget hockey are John Tonelli, Glenn Turner and Rick Bridgman, just to mention a few.

Public relation director Russ Lane suggested the club was lining up an exhibition game Sept. 29 with Elmira. Season tickets are on sale now at \$24.

Defeat Waterdown

Bantam Bs champs

The Milton Bantam B's won the Halton County championship in two straight games, defeating Waterdown 8-5 on Thursday in Waterdown and wound the series up at home on Saturday afternoon by a 2-1 score.

On Thursday night in Waterdown Milton went ahead in the first inning as Kevin Smith crossed the plate on hits by Don

Richards and Steve Powers. Waterdown fought right back and by the end of the fourth inning had taken a 4-1 lead. In the top of the sixth Milton scored four runs to take the lead but once again failed to hang on as the locals pushed a run across in the bottom of the seventh to send the game

to back hits by Kevin Smith, Brad Tonelli and Steve Powers gave

Milton the three run margin. Waterdown threatened in the bottom of the eighth with two on base but a key strikeout by Bob Burke and a sharp double play by Don Richards and Gerald de Koeijer retired the side.

Kevin Smith led the champs at the plate as he hammered out four hits in five trips to the plate and drove in five runs. Steve Powers followed with three

into extra innings.

Back to back

In the top of the eighth inning Gerry Timbers started things rolling for Milton as he reached first on an error then three back singles. Robert Burke and Brad Tonelli shared the mound duties backed up by some great defensive plays from their mates.

Extra innings

On Saturday afternoon in Milton the Bantams won the championship by a 2-1 score in one of the best ball games of the season. Waterdown scored their only run of the game in the fifth inning when Milton's hurler Bob Burke ran into control problems and walked in a run. Milton tied the game in the sixth inning when Brad Tonelli doubled and scored on a single from Steve Powers.

Both teams went scoreless until the bottom half of the eighth inning. Kevin Smith, the lead-off hitter was struck by the pitcher and was awarded first base, then Don Richards who had a tremendous play-off series blasted a drive over the right fielder's head to score Smith and give his team the win and the championship.

Bob Burke went the route on the mound for the champs and except for a little trouble in the sixth inning, pitched a fine game.

Coach Ron Arpa and manager John Wrigglesworth have done a fine job with the club this season.
