Limehouse public meeting

Ratepayers in the Limehouse No. 17 Sideroad Esquema area will have another go-around when Halton County Roads Committee hosts a public meeting Nov. 2 at 8 p.m. in an attempt to come to a solution concerning truck routes serving Indusmin and J. C. Duff Quarries.

The question on how to best provide for the quarry truck traffic without disturbing residents in one area or the other has plagued county and Esquema politicians for some time now.

This meeting will be the second public venture and it follows a number of council discussions both at the county and Township level.
