# Hockey Mustangs win first game

By Steven Dills

The MDHS Mustangs hockey team came home triumphant Wednesday with a win in their first game. The players defeated a team from General Wolfe in Oakville, 9-3. At the end of the first period the score was 2-0 for General Wolfe but then Milton

began playing and put in seven goals before General Wolfe chalked up another goal. Mike Nevins then put in one last goal, making the score 8-3.

Goal scorers for the Mustangs were Bob Boughton, Gary Hunt, Wade Bekar, John Volpe (2), Kerry Kitchen, Steve McCann

and Mike Nevins. Quite a few boys showed up for this year's team and coaches reported they had a tough time picking the team. "Those who showed up for the team were pretty well equal in calibre," commented one of the coaches. Girls' basketball teams last week each recorded a loss when

they met teams from Georgetown on Tuesday. Better luck next time!

**Pick best greaser**

A sock hop was held at the school Friday. The winner of the "Best dressed greaser" contest was Charles Graci. Since Friday had been previously proclaimed National Greaser Day all those who attended the dance were to be "right out of the 50's."

A parents' night was held at the school Wednesday night.

Spring vacation trips are in the process of being planned for those students interested in going overseas.

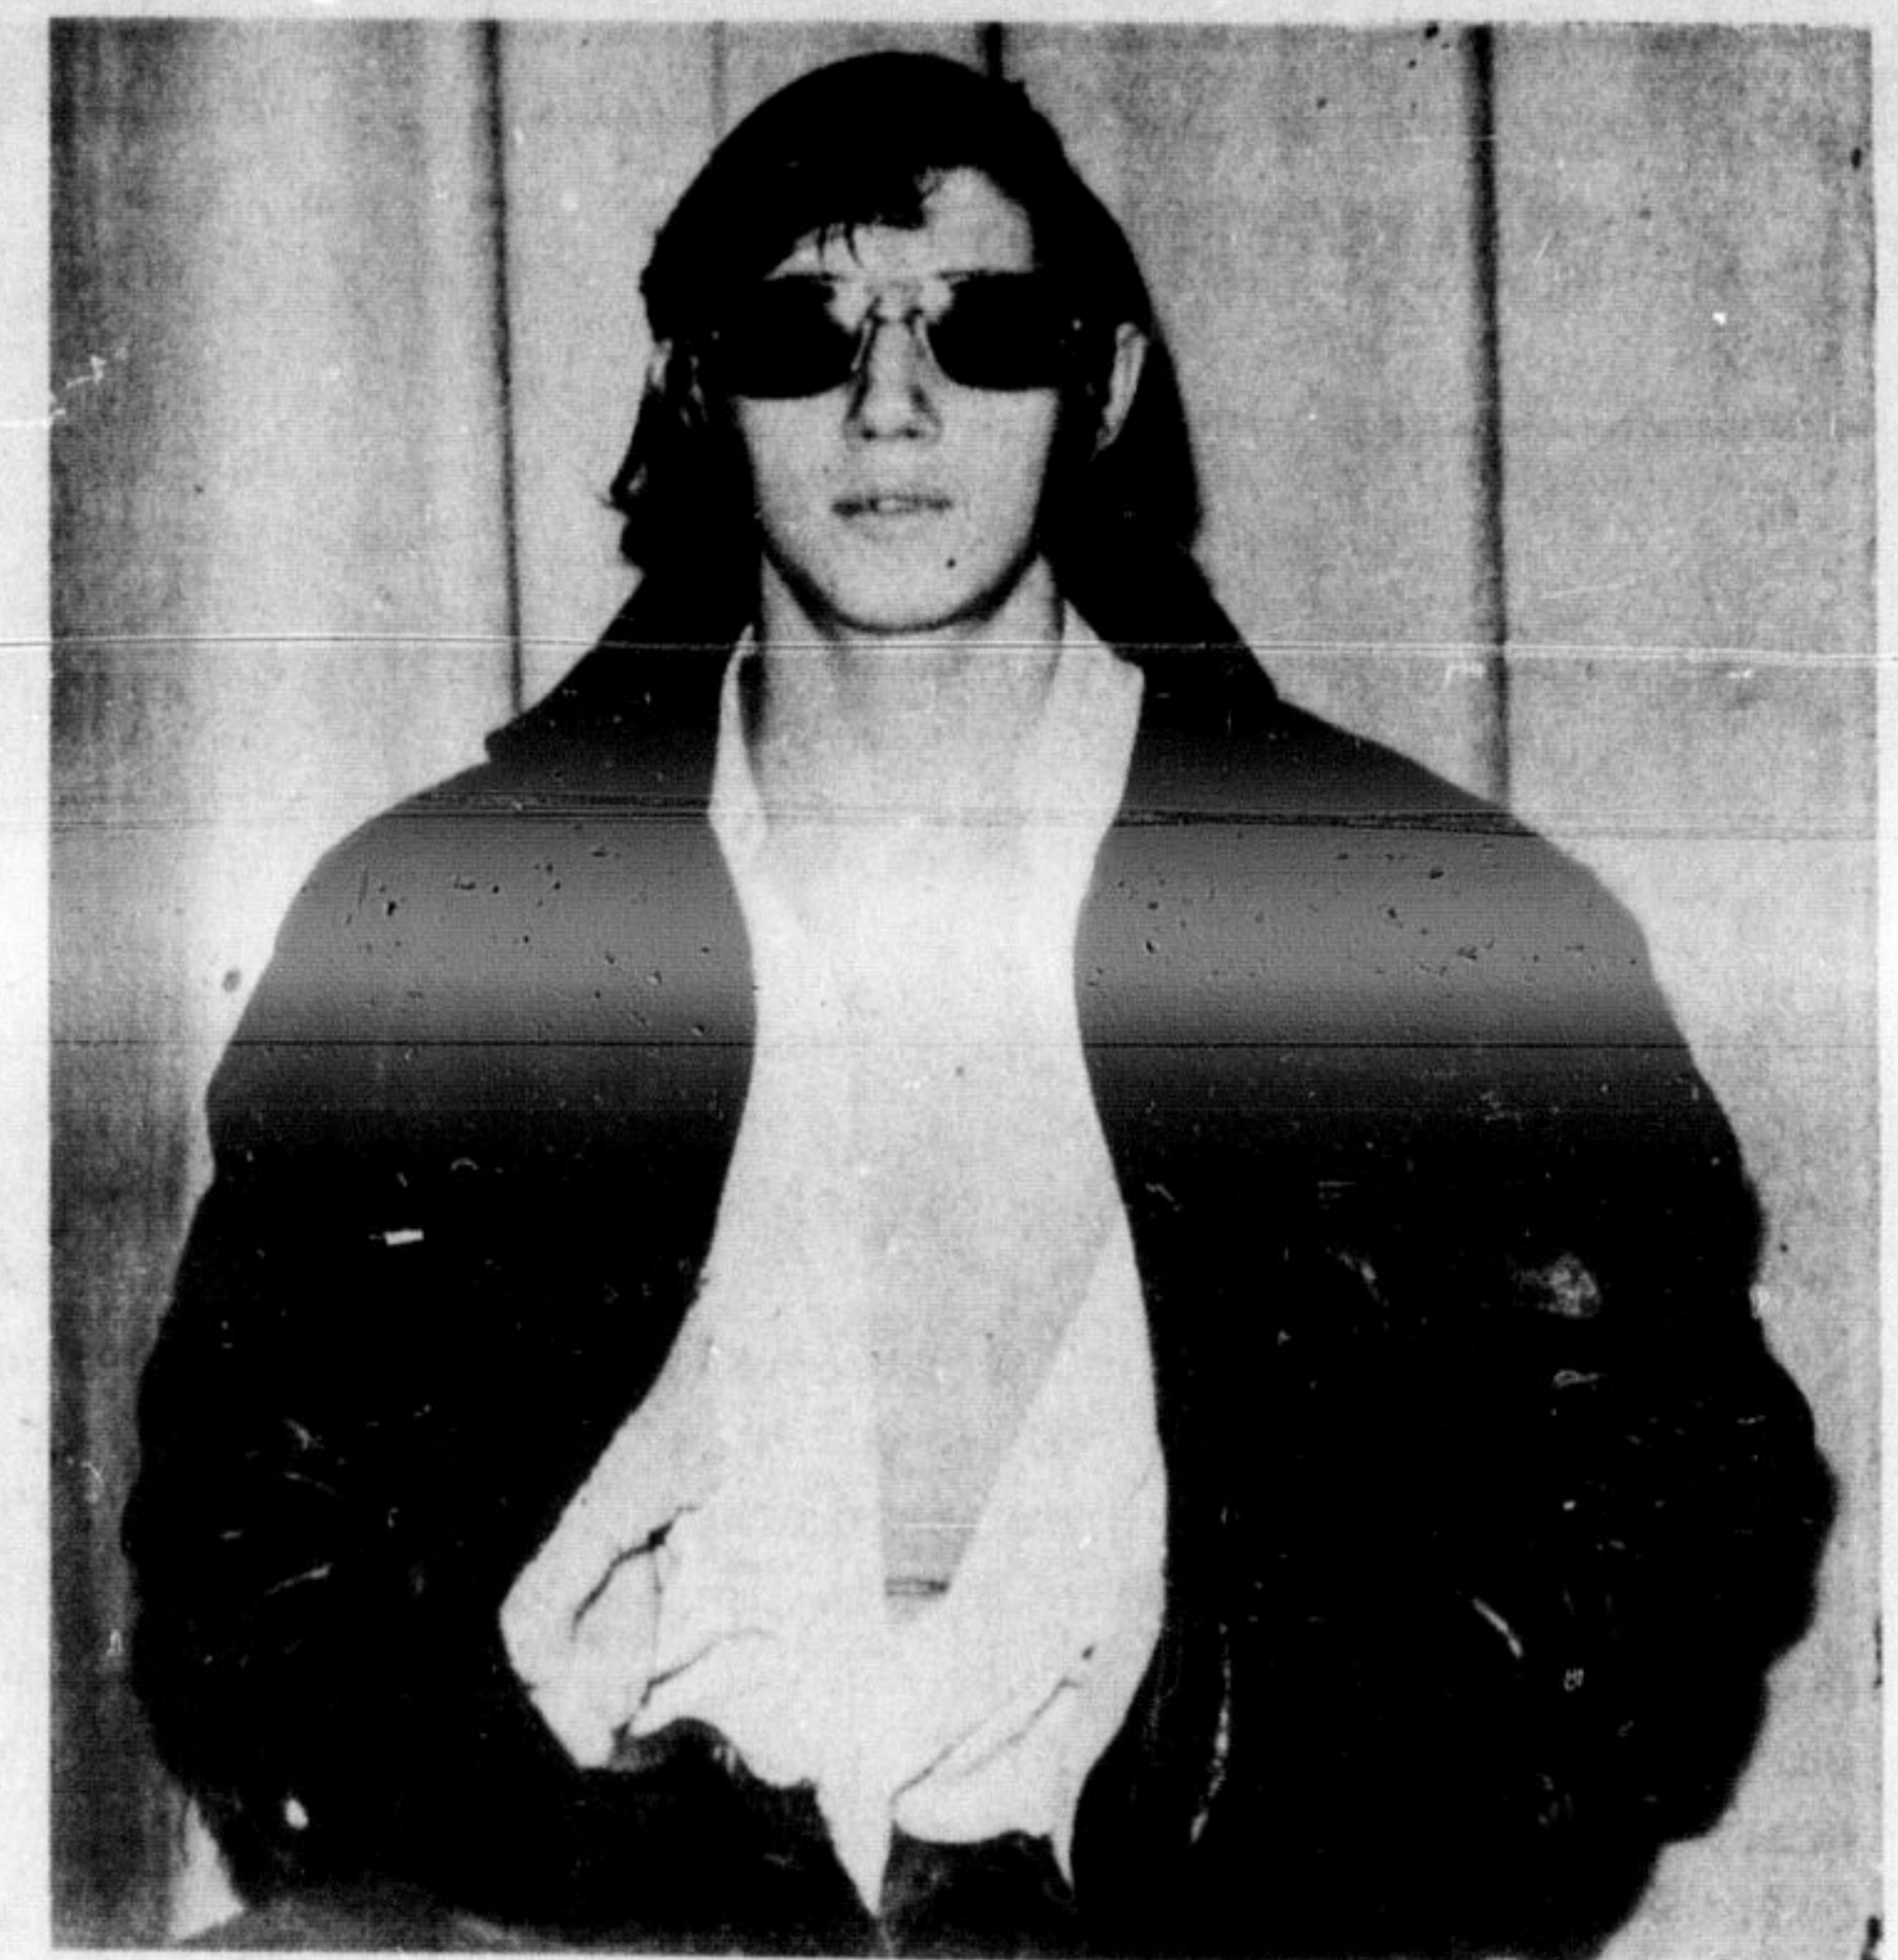

Friday night the dance band Cheri will be playing at the school. This dance is sponsored

by the Grade 12 students who are planning on going to Montreal and Quebec in May. The students are also putting on a fashion show on Nov. 28 with fashions from the local stores.

A Remembrance Day assembly was held on Friday. The school's folk club presented its members doing their own thing.

Another victory was recorded for the Milton Mustangs hockey team when they defeated Oakville-Trafalgar 6-5 on Monday. Although the Milton team was hampered by penalties throughout the game they still managed to maintain a slight lead. Goal scorers were Allan Ayer (2), Steve McCann, John Volpe (3).

Assists were awarded to Steve McCann (2), Bob Boughton, Bob Cheeseman, and Kerry Kitchen.

"BEST DRESSED GREASER" award at Friday's sock hop at MDHS went to Charles Graci. The prize, a record, was presented after Charles was selected by audience applause. (Photo by S. Dills)

## "Youth in council" makes voice heard

Should the Town of Milton subsidize a bus service? Should it buy a new grader or make do with the old vehicle? Should it press for joint use of Municipal and School Board facilities?

These and other questions were argued, debated and voted upon in Milton Council Chambers this week. One major difference this week, however, is that four different Councils asked the questions.

The Milton Optimist Club is sponsoring its annual "Youth in Council" for the students of Martin St., Holy Rosary, Milton District High School, and the Ontario School for the Deaf.

**All the motions**

Students from each of the four schools take turns assuming duties of Milton Council. The "councillors" dealt with an

agenda, made proposals and voted on resolutions.

**Inside view**

On Monday the youngsters of Martin St. were given an inside view of the workings of municipal government by Reeve Ron Harris. Yesterday (Tuesday) Holy Rosary students conducted their session with the aid of Councillor Gordon Krantz.

Today (Wednesday) Mayor Brian Best will be the key guide for the high school students. Tomorrow (Thursday) the scholars from the Ontario School for the Deaf will assume their municipal responsibilities. Deputy Reeve Robert McCuaig will conduct that meeting.

Aiding the student and Milton councillors will be Optimist member Don Simmons.

## Childhood development course pilot project

The role of the parent is one of the most important roles any individual person ever gets to play and yet there is no training for parenthood. Rev. Bowra told the Halton County Board of Education during a discussion Thursday on the Early Childhood Education program council report.

Council chairman Eric Balkind said early childhood development was a subject where there is so little known and so very much to learn. He indicated very little is covered at teachers' college.

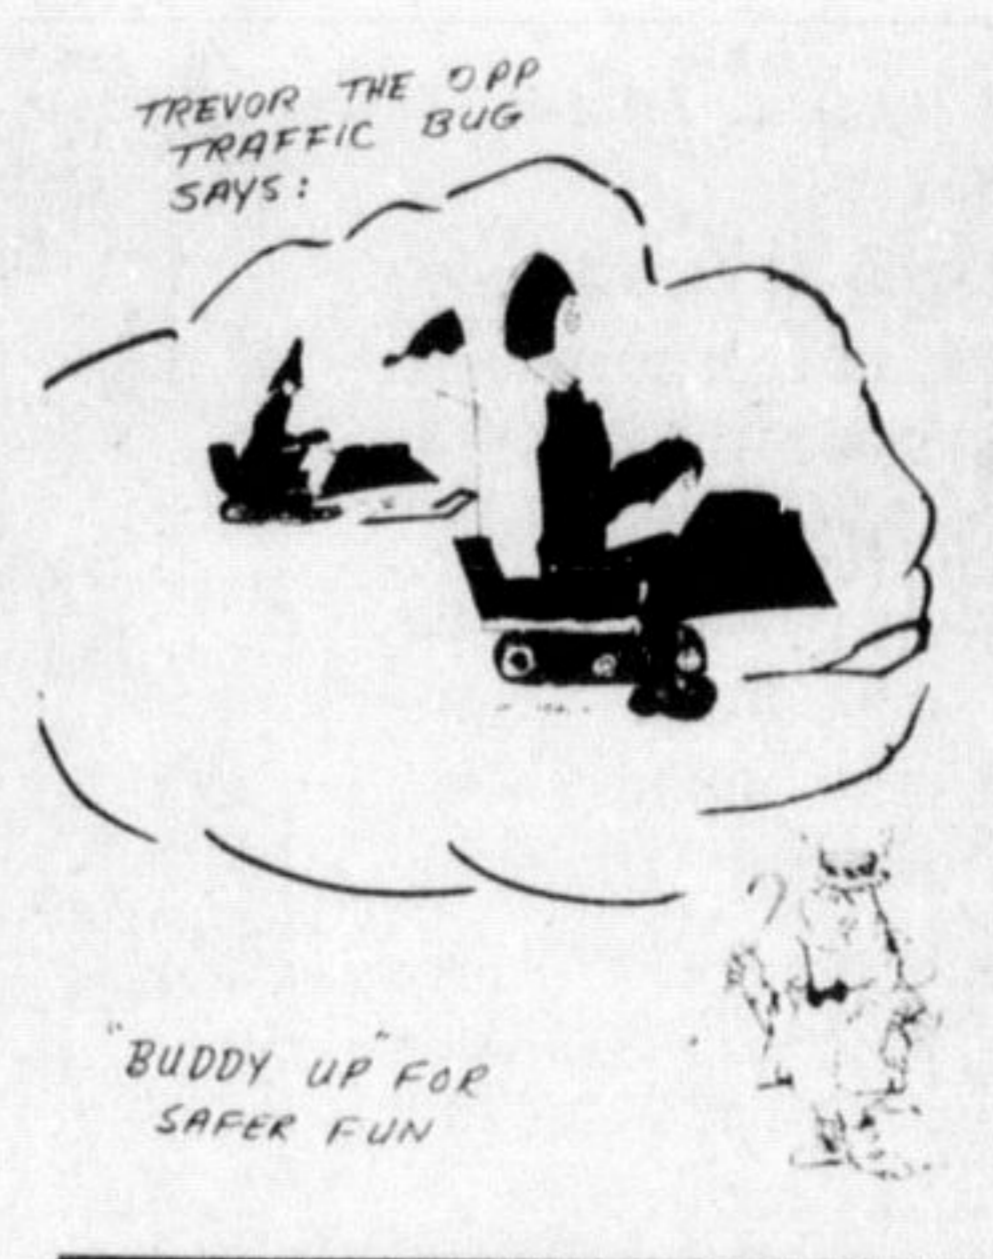

**Well qualified**

The report presented to the board recommends the board have a well qualified person develop a program in early childhood development and implement the course in a high school in the county.

The report also considers the possibility of working in collaboration with the Department of Health and Welfare and a local municipality in order to locate and staff a day care centre right on a school site. Another possibility considered

was to arrive at a working arrangement with a day care centre in the area to afford students the opportunity to work directly with small children.

The report was accepted and will be considered by the executive council and come before the board at a later date.
