

Pee Wees blast Pintos win two but lose in one

Milton Pee Wee Optimists journeyed to Millis, Mass. as one of the teams representing our town. It was an exciting experience for the boys and one which they will long remember. The hospitality which greeted them made the boys feel right at home. The Optimists played the Millis Pee Wees and registered a decisive 15-4 decision over their hosts. Steve Blair led the Milton

attack with four goals. He had able help from Norm Flemington, Mike Murray, Bob Benton, and Danny Tielemans who netted two goals each. Singles Single goals were scored by Rick Aselton, Rick Vaughn and Duane Stark. Assists went to John Loeprich (2), Mike Murray (2), Doug Dorsey (2), Rick Vaughn (2), Norm Flemington and John Cairns.

The Novice Pintos played an exhibition game in Oakville on Friday night and came out on the winning end of a 4-1 score. Brian Serafini led the scoring with two goals. Richard Shannon assisted on both goals aided by Dave Flemington and Brad Nadalin. Other goals were supplied by Joe Gaeton assisted by Wayne MacDougall and Eddie Loeprich while Richard Jeffrey and Brian Muirhead combined to set up a goal by Ivo Zulian. The lone marksman for Oakville was Doyle.

Blair Phillips. Assists on these two goals went to Brad Nadalin, Pat Roberts, Brent Alkema and Brian Serafini. It was a fine team effort by the boys.

Competition in Central loop

Only five points separate the top five teams in the Central Ontario Junior B Hockey League. Burlington holds a narrow one point lead over Streetsville. Streetsville has a game in hand and could take first place with a win in that game. Brampton and Preston are both well within range of taking the top spot in the league. Flyers' position has improved tremendously in the past two weeks and they now have fifth place well within their sights. They hold a game in hand over Oakville and a win in that game will send them into a tie. Flyers visit Oakville Friday night and host Burlington Sunday.

BACK MAC

FOR COUNCILLOR TOWN OF MILTON ON MONDAY, DEC. 4

John F. McIlwraith Jr.

THE MAN
John McIlwraith's challenge for the position of Councillor for the Town of Milton is both real and deliberate. John McIlwraith, 19 years of age and a secondary school graduate, has lived in the Town of Milton for 14 years, during which time he has made full use of the town's library, arena, school and recreational facilities. He now feels he is ready, having both the time and desire, to serve the town as Councillor.

HIS PLATFORM
John McIlwraith is a progressive young thinker, able to offer the people of Milton a new look, new ideas and a new direction. He has some definite views and thoughts on many of the present major issues. If elected, here are some of the things he would like to see done:

- Provision of a new library, with up-to-date facilities, to supply the needs of all citizens, regardless of age.
- A permanent recreational and drop-in centre for senior citizens.
- Sidewalks to the high school, whose use and cost will be shared by the town.
- More housing, which is within the buying power of the middle income family, yet compatible with presently established housing.
- Improved police protection and service.
- A second look into the feasibility of renewed angle parking on the Main St.
- Supervised protection of the Sixteen Mile Creek through the Town of Milton, preserving its natural state and ecology.
- Encouraging new industry.
- Controlled development within the town limits (so that a 10-storey apartment building doesn't spring up in your back yard.)
- And last but not least, realizing that regional government is both necessary and a sign of the times, but also that the rights and interests of the people of Milton are protected.

HIS PROMISE
I make only one promise; one that I know I can honor: If elected I will do my best, working with the other elected members, in the best interests of the people of Milton as a whole.
