Bill Rowney receives Tri-County honor award

Bill Rowney of Milton, past president of the Tri-County Minor Hockey Association, received the group's annual honor award Friday when the T-CMHA members gathered in Milton Legion for their annual banquet and dance.

This award, the Jim Brockie Memorial Trophy, is presented each year to the man or woman deemed to have contributed the most to the 10 town league which encompasses a total 95 teams. Rowney is the 14th person to receive the award and the third Miltonian so honored.

Tri-County president Ken Russell of Brampton presided over the dinner. Life member Fred Hammond, who headed the award selection committee, presented the large

Christianity without Denominationalism

To what denomination did Peter, James, John, the 3000, Cornelius, the eunuch, Lydia, the Corinthians, and the jailor belong? They were members of the body of Christ, which is the Lord's church (Eph. 1:22-23; Col. 1:18, 24), yet they were not members of any denomination. All who were saved became members of this body, the church, by virtue of the fact that God added them to it-Acts 2: 47. Yet, they belonged to no denomination. They had been "called out" of the "power of darkness" or the world, and translated into the "kingdom of God's dear Son which is the Church (Col. 1:13-14, 18), but still they were not members of any

Just so, today, if a sinner believes in Christ, and is baptized, just as the 3000, the eunuch, the jailor, etc. such would make him a Christian, but nothing more. This would not make him a member of any denomination.
