**Re-apply for grant**

Nassagaweya Township will re-apply for a grant from the federal Local Initiatives Program (LIP) to renovate the Brookville Hall, when the LIP program starts later this season.

An unsuccessful application for the grant was made by Nassagaweya Council last winter. Council learned the request had been made too late in the year.

The decision to re-apply was made by council during a recent meeting. Councilors have voiced concern over the old building's structure and heating facilities.
