## 50th anniversary happy event for E. Zimmermans

Over 200 friends, relatives and neighbors gathered at an open house Saturday to convey best wishes to Mr. and Mrs. Elmer Zimmerman of 74 Robert St. on their golden wedding anniversary. An open house was held in St. Paul's United Church in the afternoon, followed by a family dinner at the church and an evening open house at St. Clair Masonic Lodge.

Well known here, the Zimmermans have lived in their house on Robert St. for the past 41 years. Mr. Zimmerman was a stone mason and builder most of his life until he retired a few years ago. Mostly self-employed, he has built several homes and the store now occupied by Syer's Family Fashions in Milton.

He also worked on the Notre Dame convent at Waterdown and remembers working on a swinging scaffold 250 feet in the air when the Pigott Building was erected in Hamilton. Most of his work, however, was homes and barns in Milton and district. He also spent 10 years at Milton Brick Co. Ltd., during the war time.

### Elder in church

The couple attend St. Paul's Church, where he has been an elder for several years. He is also a member of the local Masonic Lodge.

Mrs. Zimmerman is the former Myrtle Beaton, and they were married at the Beaton farm in Wellington County Dec. 13, 1922. After their marriage they lived in Carlisle and Kilbride before moving to Milton in 1931. Mr. Zimmerman was born near Lake Medad is now in north Burlington.

They have four children, Ed of Oakville, Max of Stittsville, Madeleine Falkenstein of Oakville and Harvey of Campbellville. There are 12 grandchildren.

Special greetings Among the host of gifts, cards and flowers they received were a bouquet and greeting card delivered by Milton Mayor Brian Best, a provincial scroll delivered and signed by Halton East MPP Jim Snow, and letters of congratulations from Ontario Premier William Davis and Halton MP Terry O'Connor.

The anniversary open houses and dinner were arranged by their family, with the UCW of St. Paul's catering in the afternoon and for the dinner. In the evening the Masonic Lodge ladies handled the catering.

## Honor Mr. Henderson Chamber ups rates on 85th birthday

The Nassagaweya Presbyterian W. M. S. and Ladies Aid held their Christmas meeting at the home of Mrs. D. Henderson on Dec. 7. The date happened to coincide with the 85th birthday of Mr. Henderson and a party in his honor was celebrated with a noon lunch, a large birthday cake, a box of gifts and the singing of happy birthday.

About 20 friends and relatives, among whom were Rev. D. Lowry, his wife and small daughter Sharon, sat down to a very hearty dinner. For dessert a lovely birthday cake complete with candles was placed upon the guest of honor. After the candles were blown out and the delicious cake sampled by all, Mr. Henderson, assisted by Sharon, opened the gifts and Mr. Lowry took some pictures of the group.

Make speech Mr. Henderson made a speech thanking all for their good wishes and gifts and recalling a birthday party he had had when he became 21 years old. At that time an elderly friend had told him that the first 21 years passed much more slowly than the following years and this he had found to be very true having passed several 21's since that day.

At 2 p.m. the W. M. S. group was called to order by the president, Mrs. W. Kennedy, a Christmas hymn was sung and

the Christmas story as told in St. Mathew's gospel was read by Mrs. Norris.

Mrs. Mullen, the program convener, called on Mrs. Lowry, the guest speaker.

Guest speaker Mrs. Lowry spoke about the poverty of Jesus. Beginning with His lowly birth in a stable, she outlined with references from the Bible how His entire life on earth had been spent with no worldly possessions. The present day observance of Christmas with its commercialism takes away greatly from the true meaning of the day.

Mrs. Kennedy thanked Mrs.

It will cost a minimum of \$30 to belong to Milton Chamber of Commerce in 1973, the Chamber agreed at a general meeting Dec. 5. Members with 10 or fewer employees will pay \$30; 11 to 25 employees \$50; 26 to 100 employees \$75; over 100 employees \$100.

Current fees range from \$15 to

\$35 with the majority paying the \$15 fee. The Chamber also agreed to ask the town for a per capita grant of 50 cents per person.

Too much time Citing the need for the increased revenue, Don Smith suggested too much executive time was spent in organizing draws and selling tickets. However special projects of the Chamber will be supported by separate collections.

Christmas projects, bike stands, beautification, town promotion and overhead were areas the Chamber visualized where funds could be spent in the coming year.

There are just nine more gift-shopping days before Christmas.
