

Kilbride

Recreation group has busy program

By Mrs. P. D. J. Scoones
I wonder how many people know that Milton's "1972 Citizen of the Year" Andy Frank has a sister, Mrs. E. Bullard, living in Kilbride? In fact she lives right on Kilbride Street. Mr. Frank is responsible for the establishment of the Milton Farmers' Market, and before 150 people who were invited to the Roma Club, Mrs. Bullard saw her brother presented with a certificate of appreciation, sketches of early Milton, and a plaque "on behalf of Premier William Davis and the Government of Ontario". The evening was a very fitting recognition for his outstanding service to the community. Mrs. Frank was presented with flowers by Mrs. Barb Zanatta on behalf of the Chamber of Commerce.

Great plans have been made by the Recreation Association Executive for the year's program. Plans call for a May dance. There are 150 children enrolled in the Softball Association, and our tennis club is well under way. Very shortly you will be receiving a "Newsletter" giving you all the details regarding the Association's activities, and there is to be a competition to find the name under which you, the residents of North Burlington, would like the Association known.

Teen Club

Last Tuesday April 3 saw a meeting between the Teen Club, and the Executive of the Kilbride and District Recreation Association, when the President of the Teen Club, Steve Jones and four delegates, Miss Debbie Sault, Miss Karen Hamilton, Miss Annette Goudey and Stephen Swann, presented the aims and ideas of the club, and gave details of their dance to be held on May 5. Any teenager interested in this club (ages from 13 to 19 years of age) is asked to contact any member of the executive. The membership fee for this club is \$1.50 per year.

Omagh

Police investigate house break-in

By Mrs. Cecil Patterson
A local home was entered by breaking a basement window while the owner was out for a short time shopping. The intruder turned out drawers, opened closet doors, and walked with very muddy boots over most of the rooms. The owners apparently frightened off the caller when they returned home. Oakville police are investigating the break-in.

leaders on Saturday April 14 at the work meeting at 1 p.m. The leaders Mrs. Patterson and Mrs. Kierman assisted by Mrs. Ken Laurence helped the members complete their samples of a neckline trimming and a hem finish.

At least four samples named, of knit material are required for the record book.

Anne Opsteen is in charge of coaching the girls for the fashion parade on Achievement Day, April 28.

She will be assisted by Nancy Laurence.

A note of thanks was expressed to Mrs. Laurence moved by Mary Rhul and seconded by Sonja May.

The last member of a family of seven children of the late Mrs. and Mrs. John Ford was laid to rest at Barrie on Tuesday April 3 in the person of John Michael Ford of Oakville.

The late Mr. Ford spent his early life on the Fifth Line on the farm now owned by Robert Marshall and he attended Omagh school.

He went west some years and later returned to this area. The last of a pioneer family, he was predeceased by his brothers Edward and James and four sisters Mrs. Frank Featherston, Mrs. A. A. Galbraith, Mrs. J. Hunter and Mrs. Evan Johnston.

Sympathy is extended to his widow Mary and to the many nieces and nephews. Mr. Ford had been in ill health for some time and was in his 88th year.

The ball season is nearly here again, registration for softball will be held on Saturday April 14 from 2 to 4 p.m. at Omagh Park. Last year Omagh had one girls team but if coaches are available and enough girls register there could be two teams.

In 1972 the Omagh Pee Wee team went all the way to winning the Halton Championship with their coaches Charles Withnell

A SURE SIGN OF SPRING is a big ugly pothole and another current sign is a puddle of water. Milton's full of these signs of spring right now as potholes persist in breaking out on many streets and every April shower leaves its trademark with a puddle full of

muddy water. But warm sunny days are helping to dry out the ground and the puddles. Soon the emerging buds and flowers, longer days and fishing season will be somewhat happier signs of springtime in Milton.

Get together with a man you can trust.

and Art Brooks. The teams Atoms, Squirts, Pee Wee and Bantam are for girls and boys from 8 to 16 years.

Douglas Leriche at 878-5209 would be happy to hear from parents interested in coaching or helping work with the youngsters.

Greetings

Birthday greetings go to Janice Riebot, Lori Stephenson, Ann Proud, Rea Vanderboom, Mrs. William Stout, Stephen Wordeu, Mrs. Agnes McKinnon and Jim Hilson.
