

Cancer fund short \$1,800

The April campaign for funds for the Milton and District Unit of the Canadian Cancer Society is \$1,800 short of its objective. Treasurer Audrey Brush and campaign chairman Mrs. K. P. Marshall reported this week the fund stands at \$6,500 but this year's objective was \$8,300. Most of the captains and canvassers have filed their returns so they said more donations would be necessary to put the fund over the top.

Assessor may use twp. office

Esquering Council gave permission to the farm assessment crew of the province's Mississauga assessment branch to use the township office basement for five weeks while they update farm properties in Esquering. Assessor Geoff Denny, R.R. 2, Acton, appeared before council to make the request, explaining the six men needed some place to hang their hats and eat lunch while they worked in the township. He expected the work would take four to five weeks. Presently they use his kitchen table. Council gave their permission provided for caretaking and installation of their own telephone.

Asks final approval for hotel

Barlin Construction will ask Milton Council, Planning Board and Halton Region Conservation Authority for final approval of plans to erect an 89-suite apartment-hotel complex in a month or so. The firm has cleared the site on Mill St. where Milton Lumber Company formerly operated. The project as proposed will include a six storey building with a restaurant and lounge, swimming pool and health spa. Cooking facilities will be allowed in some of the rooms. The project has received approval in principle from the town. William Johnson, who represents Barlin Construction, said he hoped to have construction start this summer if all of the necessary approvals are received in time.
