# "Fam-in" held at Price home

By Mrs. P.D.J. Scoones

There was quite a traffic jam along No. 8 Sideroad in Kilbride last Saturday as cars rolled up the driveway of Mr. and Mrs. G. Alan Price's home. Have you ever heard the delightful term "Fam-In"? Well it really means a great family gathering and the term was coined by Hazel Price herself when she decided in 1970 to hold the first one of these "Fam-Ins". It's a real dream come true for Hazel and her family, and members started out from as far away as Windsor and London in time to arrive for Saturday lunch — 45 members in all, and a very active crowd it turned out to be.

Mrs. O. M. Paterson (Hazel's mother) helped receive the weekend guests, and the ages ranged from Mrs. Paterson herself, a spry 85 years young, to the youngest member Robin aged five months. Geoff, the youngest Price boy, arranged a chess tournament; Gerry saw to it that there was a car rally arranged, and in the evening the Kilbride School was taken over with everyone taking the chance of "doing their own thing". There was square dancing, skits, basketball, card games, you name it and they did it!

Everyone contributed to the weekend by bringing their own food. They also managed to cram

in a shower for niece Susan Van Wyck from London, and of course not forgetting the terrific barbecue. All in all it was a fantastic weekend with everyone enjoying themselves, with thoughts of the next reunion. Congratulations, Hazel and family.

**Senior Citizens**  
As usual a very good time was had by the very active card-playing Senior citizens group, and the winners were Jean Potter, Janet Ford, Laura Fretz, W. Ford, D. Peer, and G. Fretz. On May 29 a pot luck supper will be held and every one attending is asked to bring a "hot-dish" — gentlemen, that means food!

Happy birthday to Patty Coulson who celebrated her 16th birthday last week. Patty certainly lives up to the adage "Sweet Sixteen". Unfortunately Patty has had trouble with her foot, and everyone wishes you a speedy end to the pain you have been having.
