

Three provincial grants will be spent on parks

Approval has been given by the Ministry of Natural Resources for three provincial grants totalling \$4,225 to the Halton Region Conservation Authority, Halton East MPP Jim Snow reports.

Area, some 70 acres of land in the Town of Oakville, \$1,475 was issued. This program includes landscaping and turf improvement, road construction, erection of additional signs and other general development work.

amount of \$1,250 will go to the Authority for the Scotch Block Conservation Area. This area comprises some 146 acres of land along Highway 25 north of Milton. The Halton Authority is planning to continue a development program including construction of a parking area, road improvement, landscaping, erection of signs and turf improvements.

The sum of \$1,500 has been granted to carry out a preliminary engineering study along the east branch of the Morrison Creek in the town of Oakville. Streambank erosion is

Urge GUARDs attend Toronto meet

Representatives of GUARD (Group United Against Rural Dumping) were urged to participate in a demonstration and mass meeting of all Ontario groups fighting rural dumping at the University of Toronto

grounds on Wednesday, June 13, at 6:30 p.m.

The motto of the Garbage Coalition is "Ungarbage Ontario" and the purpose of the meeting is to focus attention on proper treatment of reusable waste materials for those in power.

Outlines aims GUARD head Bill Johnson outlined the purposes and aims of the larger body at the meeting at the home of Fred Brooks. "Mass public demands on elected representatives appears to be the

only way to get the program started," Mr. Johnson told the meeting.

Mr. Johnson said it appears Mr. Auld and Mr. Campbell are leaving their posts, so it may be necessary to start the battle over again with new personalities.

The meeting in Toronto will be on the back campus of the U. of T. just west of Queens Park Crescent West, on the south side of Hoskin Ave. The group was urged to bring lunch, neighbors and friends.
