The \$100 winner is scored on the number of 4H Homemaking clubs she has completed, respon- \$40.00 sibilities, participation in 4-H and and her community involvement as well as extra-curricular activities, special training and last but not least her academic

standing. Grace has just completed Grade 13 at Georgetown High High School and has been ac-School and now is enrolled at cepted at Centralia College of Guelph University in Family and Agriculture Technology, Huron Consumer Studies at the Mac- Park, Ontario and is going into a donald Institute.

Two winners

There were also two winners chosen for the Halton District Institutes was won by Grace Womens' Institute Bursary first Bird, R.R.2, Georgetown, was Lydia Rentinaar, R.R.2, daughter of Mr. and Mrs. J.M. Georgetown who will receive and second Carol Somerville, 65 Churchill Rd., North, Acton who will receive

> Lydia has completed Grade 13 at Milton District High School and is enrolled at Queens' University, Kingston in an Honors Science Course.

Carol attended Acton District Business Management Course.

Ladies plan a special meeting

Presbyterian W.M.S. and Ladies' Aid met Aug. 2, at the home of Mrs. M. Fraser in Moffatt. F

Under the leadership of the preciation. W.M.S. president, Mrs. W. Kennedy, plans were made for the Thankoffering meeting to be held in the church in October with Mrs. Lavery as guest speaker.

Invitations will be sent out to the neighboring churches. There had been some requests for church plates and as the supply is exhausted an enquiry will be made about getting cups and saucers in place of the plates. The roll call was answered with vacation views.

The Ladies' Aid president, Mrs. D. Henderson showed a crib quilt which will be for sale at the October Bazaar, as well as some large quilts.

A donation of other quilt material, by one of the members. be extended and paved. will provide a start for the fall work. Plans were made for the services will be installed south of Bazaar and some material North End Datsun on the west handed in.

The program consisted of an the work to be done. article-"Yea-Not"-taken from read by Mrs. Norris and an ar-ratified.

Corporal Mason award

O.P.P. Corporal Ronald Mason was promoted and posted to No. 3 district on the date his father, the late Corporal Ray Mason was posthumously awarded the Eric Hamilton Silk trophy for long and commendable service.

Corporal J. Frosch, district representative of the Ontario Provincial Police Association made the posthumous presentation to Mrs. Helen Mason on behalf of her husband who headed the Acton detachment the O.P.P., in a presentation at headquarters Burlington.

Corporal Ray Mason served a total of 35 years with the Ontario Provincial Police with postings at Oakville, Brantford, Milton and finally at the Acton detachment He was promoted to the rank of Corporal in 1949 and assigned as detachment commander at Acton where his fair and dedicated administration was respected by many Acton and area residents. Corporal Mason died in July,

1972, after 22 years with the Acton His eldest son, Ronald, following in his father's footsteps, joined the O.P.P. and was promoted and posted to No. 3 district headquarters for duty at

day of the presentation. Also present at the presentation were Corporal Bob Arbour, detachment commander at Acton and Constable Nick Farion, assistant O.P.P.A. representative from the Acton detach-

Cheap Cadillac

At Daytona Beach, a steam car reached 128 mph . . . in 1906! This was a record that stood for 15 years, says the Ontario Safety League. In that same year, 1906, a Cadillac Model M sold for \$950; a Ford Model K sold for \$2,500.

THE MARRIAGE of Miss Susan Ferguson and Gisbert Dreger took place July 5 at the Central United Church in Unionville. Susan is the daughter of Mrs. Joan Heyworth of Markham and Gisbert is the son of Mr. and Mrs. Herbert Dreger of R.R.1 Acton. The couple have made their home in Toronto.

Acts seem senless

Seemingly senseless acts of vandalism continue to cause town employees and citizens inconvenience and money. Pool supervisor at Rotary Park Anne Ruhl reports a rabbit had been killed, its legs severed from it's body and thrown into the community swimming pool sometime Friday night or early Saturday

The same day a lifeguard tower had been pushed into the pool. Blood, apparently from the rabbit, had been smeared on the new community centre building in the park.

Two days earlier a dead cat had been tossed into the pool.

Protection

protection against

Barry

Diptheria, pertussis, tetanus

Health Minister Dr. Richard T. Potter urges Ontario parents to be sure their children are adequately immunized before they go to school in the fall.

Ministry study, in 37 of Ontario's 43 health units, revealed that one in every five children entering school in September 1972 had less than adequate immunization against shortly after. preventable diseases. Of the 128,884 children in the study, were kindergarten children, representing 79 percent of all children at that school level in the province.

Immunized

75 percent of those studied had been immunized against diphtheria, pertussis (whooping cough), tetanus and polio. Smallpox vaccine had been given to 65.5 percent of the children.

Only 58 percent and in some areas less than 30 percent of the pre-schoolers had been vaccinated against measles. Less than 20 percent of the children studied had received rubella (German measles) vaccine. With this rate of immunization, outbreaks of measles are

About the town

Mr. and Mrs. Joe Avery from Bristol England are visiting his brother George Avery of Barton St. Milton. Visits to Kingston and Ottawa highlighted a very enjoyable holiday.
