Local riders do well in ROM competition

By Mrs. Cecil Patterson
 Congratulations to Walter and Barb. Mathews of Cedar Lane Farm Sixth Line on their recent winnings on their Pintos. Saturday Aug. 25 they competed at Wicken Hall, Owen Sound, in the R.O.M. (Register of Merit) show, at which there were 151 entries. Hill Top Flyer (a yearling) was second in the 1972 colts and fillies stock type class. Sunday Aug. 26, the R.O.M. Show was held at Robt. McNair's at Walkerton. Hill Top Flyer was

placed first in the 1972 colts and fillies class and went on to be Grand Champion stallion for the day. Flyer won 3rd place in the Pinto color class. There are two color patterns. The Tobiano coloring pattern is in large circles or patches and very definite (Flyer is a Tabiano). The overo colored pintos are not very plentiful and these show streaks of color over the body. S.S. Blue Eagle owned by H. Ash of Weston and shown by Walter Mathews placed third in

the three year and older mare class. The Mathews will be showing at the C.N.F. on Sept 1 in six different classes, with Hill Top Flyer and S.S. Blue Eagle. We wish them good luck.

The Maple Leaf Pinto Association are holding a show at William Riley's near Princeton Ontario, on Sunday Sept 9, starting at 10 a.m.

Rail strike foils boys' plans

By Mrs. Cecil Patterson
 A large number of people attended the farm disposal sale held on Saturday, Aug. 25 for Mr. and Mrs. Ralph Ford, Third Line. Good prices were realized by Max Storey, auctioneer.

Mr. and Mrs. Ford and daughter Yvonne are retiring and moving to North Burlington. The family has been active in community interests and will be greatly missed.

Mr. and Mrs. Will McFadden were guests at the wedding of their friend, Miss Carolyn Alice De Merchant of Fredrickton, New Brunswick, and Garry Ames of St. Stephens, New Brunswick, on Saturday, August 18 in Fredrickton.

Mr. and Mrs. McFadden were house guests at the home of the bride's parents and returned home on Tuesday afternoon. They travelled by air and made the journey of over 1,000 miles in one hour and 35 minutes.

On Sunday, Sept. 1, church worship will be held at Omagh Presbyterian church at 11 a.m. with Rev. Rod Lewis the Minister.

Birthday good wishes go to Clifford Shepherd, Chris Hadfield and Medforth Pewtress.

The train strike has brought misfortune to many people and it even spoiled the runaway plans of three 13-year-old Mississauga boys. The lads rode their bicycles to the C.P.R. tracks near their home and started walking, expecting to hop a train and hopefully get to Detroit. They walked all day following the tracks but saw no trains; finally at night fall and after several heavy rain

showers, they hid themselves in a barn near Milton. But the pangs of hunger, wet clothes and only a straw mat for a bed made them give up and ask for help.

Although very surprised to find the youngsters in their barn, the farm family gave their visitors a lunch, dried their clothes and phoned their parents.

Later worried fathers and mothers arrived to retrieve their offspring, all three from different homes. Luck was really against the boys; they had a dollar to start out, but they lost it somewhere along the way.

The boys observed that it looked so easy on TV programs to run away and get food and help but they guessed home wasn't so bad after all. We think they won't try it again. We wonder if the bicycles were still where they left them beside the railway tracks.
