Passers-by stamp out danger of fire

By Mrs. Cecil Patterson
Miss Margaret Douglas, Elmer Douglas and James Graham worshipped at Bethel and later were guests with Mrs. Fred Tuck.

What could have been a disastrous fire was nipped in the bud near midnight on Thursday evening when two local ladies motoring on Britannia Rd. just east of Boyne Centre were startled to see a small fire burning briskly on the side of the road.

Realizing that everything was tinder dry and that the fire could spread quickly, the ladies worked rapidly and managed to stamp out the blaze. No water was available but they remembered there were several cans of pop in the car. They doused the ashes and wet them thoroughly. Satisfied the fire was out but to be sure, they covered the burned area with small gravel from the roadside.

Cigarette butt
The fire was likely started from a cigarette butt or match thrown from a passing car. It could have smoldered for some time but was really getting going when the ladies arrived on the scene. The fire was heading for a field of dry tall grass and barns and a home were close by.

Britannia Rd. is usually very busy with traffic but no one came along to offer assistance or advice. The ladies left the scene feeling they had been in the right place at the right time and that they had done their best for good deed for the day.

Congratulations to two local ladies Mrs. W.

Featherstone on her success winning red ribbons on flowers, vegetables and other crafts, and to Mrs. C. McCann on being awarded many prizes on knitting and other articles.

Mr. and Mrs. Ralph Ford and Mrs. H. McCann were Sunday visitors with Mrs. Martha Brown at Fergus, Mrs. Brown is convalescing at her home following a two week stay in Groves Memorial Hospital.

Lowville

Centennial party on 83rd birthday

By Mrs. T. Ramshaw
George and Francis McCormack were hosts for a Centennial party on Sunday. Old friends, nephews and nieces of Leslie Peer gathered to honor him on the occasion of his 83rd birthday. The guests were there from Stratford, Toronto, Listowel and the surrounding district. Mrs. Marie Bush entertained everyone with Burlington's centennial film.

Mr. and Mrs. Fred Har-

sand Sr. of Lowville had a surprise visit from their son Joe and family. They also visited their brothers and sisters and are now on their way back home to Los Angeles, California. We all wish them a safe journey home.

Our sympathy goes out to the family of George Peigg who passed away on Friday. Plans are being finalized for the U.C.W. luncheon to be held on Sept. 26, with Rev. R. C. Plant as guest speaker.

Kill old plans

All plans of subdivision in Nassagaweya Township registered more than eight years ago will be declared null and void, Nassagaweya Township Council decided recently. Council ordered a by-law be drafted to that

effect for their next meeting. Council agreed the action was necessary to halt plans that may have been registered many years ago and no longer meet planning regulations that are currently in force in the township.

Ebenezer

U.C.W. meeting

by Mrs. Ron McLean
Mrs. Weideman, the president, opened the U.C.W. meeting with the message, Promises of God. Mrs. Bill Price acted as secretary. More church plates have been purchased, for anyone wishing a remembrance of this, Ebenezer's 150th year.

Mrs. McKnight conducted the worship service. Mrs. Trousdale gave a talk on present day problems, pollution, and over-population. She referred to last year's Stockholm conference. Mrs. Woss also gave readings.

The sympathy of the community is extended to the Henry family, in the untimely passing of Rev. John Sharrer, a Lutheran minister. His wife was Lydia Henry and they were in the process of moving from Mitchell to Windsor when Mr. Sharrer died very suddenly.

Children eat 336 hot dogs

By Mrs. P. D. J. Scoones
Children and teachers at Kilbride School enjoyed hot dogs for lunch Wednesday, Sept. 12. Preparing the 336 hot dogs, under the convensership of Mrs. Shirley Davies, were Mrs. Shirley Robertson, Mrs. Shirley Watson, Mrs. Blanche Coulson and Mrs. Marg Longdo. Mothers are reminded that the hot dogs still only cost 15 cents each. The children obviously look forward to the hot dog day, and it sure gives the mothers a rest from preparing lunch boxes!

With the passing peacefully in his sleep of George Pegg on Friday, September, 1973, Kilbride has lost a respected and esteemed citizen. Mr. Pegg, together with his son Leonard, owned and operated the mill on Cedar Springs Road and was a well known figure. Mr. Pegg was a very active man and knew well the history of the surrounding area. Our deepest sympathy goes out to his family in their hour of need.

Mr. Pegg rested at the Kitching-Steepe Funeral home, Waterdown and the

funeral service was held Monday with interment in Bethel Cemetery.

Corn Roast
The Professional Engineers' Wives Association got together with a good old fashioned corn roast at the lovely home of Mr. and Mrs. Cal White on Britannia Rd. Sat. Sept. 15 and it was a terrific way to start the fall program of this very active group.
