## Industrial champs

### Charles edges Legion

Charles Hotel edged Legion to win the Industrial League Championship 6-5 last Tuesday night in one of the season's best played games. Trident hurler Bob Newman allowed 12 hits while his Legionnaire counterpart Larry Bennett gave up 14. Legion took an early three run lead in the third inning and added single runs in the fifth and the ninth. Charles countered by scoring four singles in innings three through six and picking

up two more in the eighth for the win. Charles' winning run came on a passed ball over home plate. G. Naylor was the big slugger in the Charles line-up. He smacked out a homer, a single and earned himself a walk. Other Charles singles came from the bats of Trev Houson, M. Marshall, C. Brush, Rick Clements, J. Penson, J. Duimstra and Bill Brush. The McDuffe brothers, Pete and Brian, provided

batting strength for the Legionnaires. Pete earned a triple with Brian swatting a two bagger. Lee McPhail, Dave Aselton, LaJunesse, D. Hearn, Larry Bennett and R. Wildfong added singles. Softball players will be meeting Thursday at the Legion to elect the 1974 executive. This year's clubs were sponsored by Charles Hotel, Royal Canadian Legion, Crest Hardware and Pizza Stop.

## Beats Balloon

### Milton Lawn champs

Milton Lawn Service won the Senior division of the Milton Optimist Girls Softball League by downing Yellow Balloon two straight games 28-16 and 17-13. Susan McCallum provided the Lawners with the winning punch, smacking out two homers and three singles in the 28-16 game. Dale Stark and Darlene Gervais added a homer and a single each for the Milton Lawn effort with Lyn Coulson adding a home run.

Karen Thomas doubled and singled with three singles going to Mary Marcantonio and two apiece to Patti May, Sandi Snow and Pat Sales. Joanne Scisizzi singled once. Two homers Anna Willats homered twice and picked up a single for the Yellow Balloon effort with doubles going to Jane Bird and Janice Lee. Patti South and Gail Carroll batted two singles each with additional one baggers going to Mary Fay, Sheila Willats,

Marie Horning, Debbie Wilson and Kathy Carroll. Lyn Coulson singled twice with Susan McCallum, Darlene Gervais, Sandi Snow, Karen Thomas and Pat Sales batting singles for the 17-13 win. WAITING for the reception a ring of O.S.D. tacklers are poised and ready to jump the Mustang receiver when he has possession of the punt. The High School runner was sacked a moment later. O.S.D. attacked the Mustang offence at various times late in the Monday afternoon game to hold on to a 13-6 lead. O.S.D. quarterback Blair Bowman piloted the club with touchdown passes to Donovan Corvan and Sammy Fletcher. Milton Mustangs touchdown came from Randy Hamilton on a sweep. Stangs, juniors and seniors, showed well in controlled scrimmage play with Lord Elgin last

week. Junior coach Don Scanlan feels his club has "promise", matching and outplaying the Burlington school. Senior coach John Kidner realized following the Elgin game his offence needed "polishing". The defence looked good in the controlled match. Stangs played Friday when G. E. Purdue from Oakville visits town. O.S.D. succumbed to a 27-13 loss at the hands of White Oaks recently and though they are not a member of any league they play exhibition contests as often as possible. They're planning a controlled scrimmage with Purdue in the near future.

## WHA staff

Graham Hern, a former Miltonian, is trying out for the World Hockey Association refereeing staff. Graham played his midget hockey in Milton as well as two years of junior hockey. He had a brief stint in Brandon, Manitoba with a junior team but returned to Milton after suffering a serious injury. The injury pretty well ended his hockey career as a player but his interest was diverted into officiating. Graham worked at the Canadian Imperial Bank of Commerce in Milton. He now works in a bank in St. Catharines.
