

GUARDING his crease, Hatter goalie swings to his side to steer Milton forward Fay from in front of his net. Milton had a number of chances close to the Guelph cage but failed to capitalize. Guelph won the Friday night game 8-6.

POKING the puck between Hatter goalie Prior's legs, Love brings the score to 4-3. Love tied the game eight minutes later with a drive from the face off. Flyers meet a Port Huron "B" team Friday.

CARESSING the mesh the puck from the stick of Milton forward Cousins has just beaten Guelph goaltender Dave Prior to the longside. Cousins (far left) took the pass from Fleming (7) to make it Milton 2-1 score mid way through the second period. The game finished in a 4-4 draw.

Three goals from the stick of Ray Love gave Milton Junior "B" Continental Flyers a 4-4 stalemate with the Guelph Junior "B" Biltmore Mad Hatters in the Royal City Sunday afternoon. G. Cousins

netted the other goal for the local Gallinger crew. Love started the Milton club off at the 10:45 mark of the first period when he took a pass from Rick Bridgman and deposited the puck be-

hind Guelph netminder Daryl Johnson. Guelph equalled the score early in the second period when a three way passing play was converted into a goal.

Milton retaliated when C. Fleming stole the puck, charged over the Hatters' blue line and fed a pass to Cousins on the left wing. Cousins looked up, then dropped a low drive into the Guelph cage.

The hometowners tied the score six minutes later at 17:33. Hatters started off quickly in the third period, turning the contest into a 4-2 game by the 2:12 mark.

Love fought back for the Flyers, poking a backhander in past Guelph sub goalie Dave Prior. Defenceman Peter Chuchmach earned the assist.

Converts pass Love drove the equalizer home when centre Bridgman drew the faceoff back to Love's rightwing position for the quick conversion.

The clubs traded 33 shots on goal. Milton was drubbed 8-6 in the home game with G. Hood, D. Robertson and B. Presniak sharing Flyer scoring.

Assists were recorded by goalie K. McKinnon with two and singles by Hannon, Turner, Pilotte, Marshall, Fay and Hood.

A pair of goals by Hood and a single by Robertson gave the hometowners a 3-0 first period lead. Milton went scoreless in the second and Guelph took advantage of the defensive lapse to equal the count.

Guelph upped Milton 5-3 in third period scoring to ensure the win.

Different clubs The encounters between the two clubs Friday and Sunday differed almost entirely different teams. The clubs were still only picking over tryouts during the weekend encounters and the potential players were divided into two different squads for the two games.

The remaining candidates for positions on the club will be selected by their weekend performances.

Milton will have its final choices ready for an encounter with a Junior "B" equivalent from Port Huron, Michigan Friday night at 8:30. This will be the first time a Junior "B" team from Port Huron has visited here.

New coach This year's club has only one owner, Vern Gooding, and will be handled by rookie coach Bob "Pie" Lee. Both expect a marked improvement over last year's team.

The Continental Flyers will continue to be sponsored by Gallinger Motors.

They will commence regular season play in Streetsville Tuesday, Oct. 2. Home opener will be against Oakville Friday, Oct. 5 at 8:30.

EARTH BERMS AND TREES are going in this week along the front and west side of Milton District Hospital, in an effort to cut down the noise of highway traffic which is bothering patients. Five shaped berms (mounds of earth) about four

to five feet in height have been built and they will be planted with large and small trees to help deflect the noise. One of the berms is shown in the foreground of this picture.

TAKE A BREAK Break up long motor trips by frequent stops. Get out and move around when you stop, the Ontario Safety League recommends; exercise works wonders to reduce dangerous weariness and tension. When

pulling into a freeway service area, don't park as close to the door as possible, but as far away as possible, to ensure that everyone in the car exercises their legs.

Game & Fish News

by arn coulson

The speckled trout season is over again for another year and, all in all, it wasn't what you could call a good year. This holds true for many other species of fish in Ontario this year. The season started out with some nice catches, then seemed to taper off. It did not pick up as in other years. Come next spring we'll all be out in full force again; meanwhile, do not put that fishing pole away yet. According to Jim Boose the fish are starting to bite at Southampton. They are getting some nice Coho and Rainbow.

Oscar (Pop) Coulter and Nerio Martini had fair luck at Parry Sound last week, catching some nice bass. They were hampered by wet and windy weather.

Lee McPhail, Al Jones, Bob Murdock, Bruce Fendley, Bob Kerr, McPhail, Al Jones, Sid Lloyd and Bruce Smith all journeyed to Martin River for a few days fishing and returned almost empty handed. Their total catch consisted of one good bass and a couple of small pike.

All had a good outing in the fresh air, so there is no such thing as a bad fishing trip.

Kilbride's George Robertson fulfilled a lifelong ambition last month, travelling to Alaska in search of a trophy grizzly bear and a rocky mountain big horn sheep. George scored on both counts and has two fine heads and skins to mount. George has been an avid hunting enthusiast since he was a small boy. He brags that game he shoots never goes to waste.

An article in last week's Champion about rabid foxes in Halton has disturbed members of Halton Sportmen's Association. We hope this situation does not get out of hand and spread to domestic animals.

We strongly suggest you do not approach a fox acting strangely. If you see one, contact a club member. If he does not have a gun he will steer you to someone who has. The police should be alerted immediately.

The Zone Six convention of the Ontario Federation of Anglers and Hunters was held this past week at Waterdown Rod and Gun Club. It was attended by many of our own club.
