

A TRIP TO SWITZERLAND for two, was the prize Bolens equipment dealers were offered recently and John Russell and Mrs. Russell (left) are pictured receiving their tickets from district sales supervisor Bill Waring and sales manager Jack Peart of Farmers Supply and Equipment Ltd., at a recent sales meeting held in Toronto.

Esqueing Council Briefs

Esqueing township council met Monday, Oct. 29 with Reeve Hill in the chair, deputy-reeve Cox and councillors Malby and Leslie in attendance.

Among matters considered:

Esqueing township will observe Week Nov. 5 to 11 and authorize the usual donation to Georgetown Legion poppy fund. Mayor-elect Tom Hill will place a township wreath at the Georgetown Legion service.

Council learned the dates of further Solandt commission hearings on the inquiry into the transmission of power between Middleport and Pickering, from Oct. 29 to Nov. 16.

A letter from the Georgetown and District Good Neighbour Service referred to the committee meeting when grants are discussed. A donation has been given the past two years.

The letter said that the committee wants to ensure that no family in Georgetown will be without Christmas needs. In anticipation of a great increase in the number of families in need the committee is finding it necessary to extend its appeal beyond churches, service clubs and usual donors to all businesses and professional people in Georgetown.

A letter is to be written to Hornby midget softball team congratulating them on their wins and explaining the

township is unable to give grants to individual teams. A donation of \$250 has already been made to Hornby ball club. A request had been received.

Stewart hall will be inspected for a liquor license. The request was received from the hall board.

A survey of municipal fire protection in Halton Hills by the fire marshal's office, at no cost locally, was approved. Acton and Georgetown are also participating.

Nick Bos, Limehouse, was granted a building permit extension for a year since the contractor has not been able to begin building his house.

Pam Mitchell, 10th line, informed council the unused quarry on the 27th sideroad at the end of the ninth line is being used as a dump. Township trucks had recently dumped fill on the garbage there. She said the OPP had indicated the matter was out of their jurisdiction.

Deputy-reeve Cox recommended a letter be sent

to Sentry Quarries asking permission to block the driveway and to post signs. "We have trouble there often," observed clerk Delmar French.

Georgetown Oddfellows asked a representative attend a meeting Nov. 1 on amblyopia, and eye disease which must be detected very early in childhood. Councilors felt they should attend planning board that night. Len Cox said the man to contact for information is C. A. Grant, 877-3781 and he personally offered assistance to this "very worthwhile cause."

A letter from G. Eros, R.R. 1, Norval requested children warning signs and maximum speed limit signs on the ninth line north of No. 5 sideroad. About 15 children from seven homes must walk on the road to the school bus and cars' view is obstructed by a hill. The road superintendent will be asked for a report.

A letter from L. S. Croth and Company Ltd. insurance

Horses, deer struck by vehicles on roads

Last week police officers from Milton Detachment of the Ontario Provincial Police investigated 70 general occurrences. Included in this number were five thefts, one disturbance, eight persons charged for violating the Liquor Control Act, six trespassing complaints, two persons reported missing and later located, one damage to property, two assaults and two drug seizures.

Officers were also called upon to investigate 29 traffic

adjusters informed council they are investigating the accident involving Mrs. Jean McPhail's vehicle.

OMB approval is being sought by Georgetown to change zoning on the west side of No. 7 highway, opposite Delrex Blvd., to permit an apartment and motel.

collisions involving 41 vehicles. Fifteen collisions resulted in injury to 23 persons and property damage was estimated to exceed \$31,150. Eighteen drivers involved in these collisions have been summoned to appear in Provincial Court in Milton because of driving infractions directly related to their respective collision.

Causes of these collisions have been attributed to inattentive driving, failure to share one-half of roadway, following too closely, failure to stop for stop sign, improper and unsafe passing, speed too fast for road, weather or traffic conditions, unsafe vehicle, impaired driving and six collisions involved animals such as horses and deer.

—Curlers are busy organizing for the season.
