Trying to get into the Ceramic Hobbyists Show at the Burlington Mall Saturday was quite an achievement as the auditorium was packed to capacity with enthusiastic members of the public admiring the works of art. The well known ceramics teacher Mrs. Ruth Shaw from No. Eight Side Road, Kilbride, together with her very talented pupil Mrs. Joyce Gervaise gave demonstrations of the work involved, and on show were some of the pieces made by the ceramics groups. The displays were very attractively arranged and the articles for sale were soon snapped up. The proceeds

from the show were donated to the Mentally Retarded Adult Training Centre.

**Planning PJ party**

Nassagaweya 4-H home-making club members met recently and chose a name for their club. Because the project "accessories for the bedroom" stresses color, they chose the name Nassagaweya Color Wheels. Members saw a demonstration on sewing and discussed what items they could make for a colorful bedroom. A pyjama party was planned for Nov. 9 at the home of Daniela Trina.

We wish her a speedy recovery.

**EARLY HELP**

Worry never cured cancer; nor have pills, diets or other untested cures. Research is getting close to the answer but your best weapon is your doctor's help in early diagnosis.

Birthdays greetings to Duncan Craig, Marilyn Aures, and Wallace Simpson. Friends will be sorry to learn that Mrs. Clarence Ford Sr. is in Milton Hospital.
