

**NASSAGAWEYA
Township Council
BRIEFS**

At a meeting of Nassagaweya Council on Tuesday, Nov. 6:

—Council met with a deputation from Shasta Wells Inc., of "Crazy Horse", a Canadian franchise, who are applying for a permit to build a camp ground on Five Side-road near the Sixth Line, Nassagaweya, known as the Anderson Farm. The plans include trailer and tent facilities, swimming, mini golf, a laundromat and supply store. Eventually the site would hold 500 camping accommodations.

—The application for a business license for the year 1973 was received by Campbellville Gravel Supply Ltd. Council decided to delay issuing of the licence until the company completed necessary work on the south pit to hold back gravel from sliding.

—A request from the Town of Milton to dump garbage at Nassagaweya township dump was answered with a letter asking Milton to explore other possibilities such as Georgetown, Oakville, and Burlington.

—The village trustees of Campbellville urged a caution light be placed at Five Sideroad and the Guelph Line and that ditching be done in front of the bank on the Guelph Line by the county of Halton crews.

—A farewell dinner is planned by Nassagaweya Council for Dec. 7 in Brookville Hall. Councillors hoped their "unwanted visitors" have vacated the hall before this fair. It is understood the mice have not received invitations!

—It was learned the Ministry of Transportation and Communications is in the process of installing signs at exit ramps on Highway 401. Signs reading "Do Not Enter—Wrong Way" are being placed to prevent drivers from entering the highway's exits from adjacent roads.

—Council urged an investigation of the use of the old Orange Hall in Campbellville, following receipt of a letter from Milton Fire Chief A. E. Clement noting the wiring is not adequate for extension cords and urging an existing stove be replaced with a new space heater. It appears the building is used for storage of furniture and by a few local boys for band practice.

Discuss treasurer

Members of Milton Council-elect met in closed session Wednesday with Burlington treasurer Don Farmer to discuss requirements in staffing the Milton treasurer's department.

Council advertised earlier for applications for the position of treasurer but has not yet acted on them.

Firm gets insurance

Mayor-elect Anne MacArthur reported to Milton Council-elect Wednesday that the town's insurance was being taken over by Frank Cowan Insurance. She told council F.W.B. Fitzgerald Insurance, which has handled Milton's insurance for a number of years, would be working with the Frank Cowan agency. She noted Nassagaweya's insurance had been handled by the Cowan group.

—The Forum program at the high school continues to draw good speakers.

BEAVER NO. 7 IN A SERIES
handyman tips

Need the privacy of a self-contained office at home? Here's a great idea from Beaver: Divide off a 6' x 8' section of any suitable room in your home. Then, panel three walls with Citation or Perma-Clad pre-finished panelling from Beaver. Cover the remaining wall with our Basketweave Burlap, choosing from a wide range of decorator shades. Next, take the ceiling and floor dimensions to Beaver. You'll be advised of the required square footage of White Satin ceiling tile and Armstrong Accotone cushioned vinyl flooring. And Beaver's expert advice is free-of-charge! You can then add the finishing touches with Beaver's round recessed pot lights, prefinished mahogany shelving and open-louvre bifold doors. Furnish to suit, and your new office is ready.
