

LOADING DISCARDED PAPERS on a Brampton bound truck are Campbellville Scouts Tom Baynton, Richard Hienrich and Ian White. The Campbellville troops collected about four tons of recyclable paper in the form of newsprint and telephone books from the southern half of Nassagaweya Saturday morning. About 25 boys were aided with seven trucks to collect the paper from local homes, carry it to a central depot behind the Campbellville Presbyterian church and move the refuse to a recycling plant in Brampton.

By Mrs. Cecil Patterson

A very enjoyable evening was spent at Graham Hall, Milton on Friday evening April 19, when over 200 persons gathered to honor Robert Brownridge, recently retired mail carrier of R.R. 1. This special night was to express appreciation to Mr. and Mrs. Brownridge for their faithful service over the past years, for uncalled for acts of love and kindness far beyond the call of duty, during which time they learned to know every one on their route of nearly 300 box stops.

Denzil Lawrence was master of ceremonies, calling on many to express thanks for a job well done, and to wish them good health and happiness as they retire from such a busy life. The Milton Senior Citizens Orchestra provided an entertaining program with musical numbers, duets, jokes, and recitations. Those taking part were Mr. and Mrs. T. Bradley, Robert Laking, Mrs. Crawford, Howard Wilson, and others.

As a token of their affection for Mr. and Mrs. Brownridge, a handsome hi-fi set was presented on behalf of the group by William Rayner and Elmer Douglas, a guest book by Mrs. A. Patterson, and a corsage and boutonniere of red and white carnations.

**Reminiscences**

Mr. Brownridge expressed his sincere thanks for the gifts and expressions of

respect, and reminisced. He said he was going to miss meeting his friends each day as he had been doing for so many years.

As a grand finale a sit-down turkey supper and other goodies brought a wonderful evening to a close. The head table was beautifully decorated with two bouquets of roses, one of red and the other golden.

We join their many friends in wishing Mr. and Mrs. Brownridge happy years

ahead with their pleasant memories and remembrances of carrying mail on Rural Route One, Milton.

May 4, when the group will convene at 10.30 a.m. and a pot luck luncheon will be held at noon. Sonja May and Helen Opsteen were chosen to give comments at Achievement Day exhibit on Cereal Snacks. Mrs. Patterson and Mrs. Kiernan demonstrated the making of Mexican chili with cornmeal pancakes. These, with Macaroni Salad were served and enjoyed at lunch time. Books were checked and recipe folders were given

**St. John News**

Members of St. John Ambulance are first taught the "Golden Rules of First Aid."

These nine points are:

1. Do first things first, quickly and without fuss or panic.
2. Give artificial respiration if breathing has stopped—every second counts.
3. Stop any bleeding.
4. Guard against or treat for shock by moving the casualty as little as possible and handling him gently.
5. Do not attempt too much—the minimum that is essential to save life and prevent the condition from worsening.
6. Reassure the casualty and those around and so help to lessen anxiety.
7. Do not allow people to crowd around, as fresh air is essential.
8. Do not remove clothes unnecessarily.
9. Arrange for the removal of the casualty to the care of a doctor or a hospital as soon as possible.

A Branch meeting will be held tonight, Wednesday April 24 in Milton District Hospital's Clinical Classroom at 7 p.m. Interested citizens are welcome.
