# Canadian Pony Club meet held at Mohawk Raceway

Mohawk Raceway was host to a different kind of event than their usual races, recently, thanks to the generosity of the Jockey Club.

On July 7, over 100 young members of the Canadian Pony Club, began arriving, some with their horses, from 12 districts as far away as Niagara and London. A lone rider from South Shore Pony Club in Nova Scotia also attended.

Representing Esqueping as a team were Cathy Chamberlain (captain) riders Mary Hurley with Royal June Bug, Jennifer Lister with Scarlet

Fever, and helper Cheryl Spence. A third rider, Melanie Sears' horse, Just Us Two, was injured in trailering and Melanie became a helper for the three day event.

Hurley placed third among the 70 riders in Stable Management and Turnout, and sixth in Dressage, and Melanie in Esqueping.

"first-timer", received fourth highest points as a helper, which included marks from a written test.

Chaperone for the Esqueping Pony Club, Joan Lister commented "The girls did really well. Now they know what to expect, next year we'll do even better!"

The girls were judged in Stable Management which covered all aspects of care of horse and equipment.

The two riders also competed in four events, Dressage, Roads and Trails, Cross Country, and Stadium Jumping.

Although this was her first large Pony Club meet, Mary

COUNTRY-SIDE surrounding Mohawk Raceway provided many interesting trails and jumps for the Western Ontario Regional Pony Club Rally last week.
