Local Belgian team in Centennial parade

By Mrs. Cecil Patterson
Many from this area attended the Centennial program at Guelph O.A.C. last week. In the grand parade on Saturday Rayner Bros. had the fine Belgian team of horses King and Bill.

The float consisted of a Bain farm wagon and carried a set of harrows and a garden plow that were used by farmers about 40 years ago. The float was sponsored by the 1974 class graduating in Agriculture. The team was driven by William Rayner and this year's graduate Edward Bird of Georgetown was a passenger.

Mr. Rayner received a plaque as a memento of the occasion.
Steam-Era meet
The regular meeting of the Steam and Antique Preservers' Association was held at Bayne Centre on Thursday, July 11. About 120 members and guests enjoyed the meeting and program. Earl Burt of Georgetown favored members with his guitar and singing. Plans for the Steam Era were made. Lunch was served at the close.

The Hulton Plowmen's Association held an enjoyable euchre at Boyne Centre on July 4 with 15 tables in play. Winners with high scores, Henry Stanley and Mrs. G. Carton, other winners, Mrs. Colin Beatty, Marie Peacock and William Rayner. All enjoyed the delicious lunch of

ice cream and cake which was donated for the party.

The July meeting of Omagh W.A. and W.M.S. was held in the church hall on Thursday with seven members attending.

Mrs. R. Brownridge presided and welcomed the ladies, Mrs. Ruby Jarvis read a poem, and the scripture was led by Mrs. R. Brownridge and theme by Mrs. H. McCann.

A thank you letter was read from Mrs. S. Curtiss and family for kindness in their recent bereavement. A letter of sympathy was to be sent a member on the passing of a loved one.

A report on the purchase of china church plates was read and a number are to be ordered. A thank you and donation to W.A. and W.M.S. was received from Miss Ellen Chapman, and the report on a recent farm sale at which the members held a booth.

The Women's Association paid for the recently installed lights in the church and also offered to pay for the new roof in the washrooms and for the carpet on the altar of the church, which is being renovated.

It was decided there would be no meeting in August and Mrs. Vander Deen invited the group to her home for the September meeting. A quilting for the W.M.S. is planned for August 8 in the church hall.

At the close Miss Margaret Douglas and Mrs. H. McCann served a delightful lunch and tea.

Pipes play

The Milton Girls Pipe Band were invited to play at the 1974 Tioga County "Early Days" held at Whitneyville, Pennsylvania U.S.A. on Saturday and Sunday, July 13 and 14th. The bus left Milton, Friday evening and returned late Sunday night.

Accompanying the band on this special event were Mr. and Mrs. Gordon Rayner, their daughters are members of the band, Debra playing the pipes, and Susan and Helen on the drums. This American steam show was not as large as the Milton Steam Era to be held Labour Day weekend in Milton but all attending had a fine time.

LATVIANS from across Southern Ontario, and a few from the United States came to one of a series of summer weekend festivals at Camp Sidrabene in north Burlington last weekend.

Summer hideaway

Camp Sidrabene is hidden in a shady valley of the Twelve Mile Creek in north Burlington—you could drive right by the entrance on Appleby Line and never see it.

The seclusion suits the purpose of the Latvian-Lutheran Church's summer camp. Every weekend Latvians from all over southern Ontario and sometimes the northern United States leave the cities and come to swim and sun. A

children's summer camp runs from June to September, giving them a chance to escape all week what the adults can only leave behind on weekends.

Every few weekends a major festival is celebrated. In June there was one for St. John and later this summer there will be children's and sports weekends. Last Saturday and Sunday was sort of a cultural exchange,

featuring panel discussions on how the children can best be taught the Latvian language and how the church should deal with the media. A Latvian theatre group from Grand Rapids Michigan and a choir from Connecticut were part of the three-day program, which also included folk dance and choir groups from the Toronto, Burlington and St. Catharines churches.

Busy haying on area farms

Local farmers are very busy with haying. Corn and grain crops are coming but due to the wet spring and late seeding are not up to the usual good stands. Strawberries have been a wonderful crop.

Birthday greetings to: Michael Flemington, Yvonne Simpson, and Mrs. Ray Fuller.

Congratulations and good wishes to Mr. and Mrs. Hugh O'Connor on their 39th wedding anniversary, July 16.

Greetings
Birthday greetings are extended to Brian Serafini, 211 Elmwood Ave. on July 24; Maria Di Marco, 324 Woodward St. on July 25; and Lucy Cifoni, 383 George St. on July 27.
