## Flyers pounded

# Blades claim win

Defensive lapses cost the Milton Continental Flyers their second loss in two regular season games at the Milton Fred Armstrong arena Friday night. Last year league champion Oakville Blades pounded the Flyers 8-2.

Burlington Mohawks claimed a come-from-behind 7-5 win over the home town Flyers a week earlier.

Blades jumped to a 5-0 lead at the end of the first period and came up with three more tallies in the second stanza. Flyers counted both scores in the middle frame.

"We were asleep in the first

and Oakville got the jump on us," commented Flyer coach Don Wilson after the game. "We weren't tough enough."

**Hat trick**  
John Holmes, Danny Burrows, Glenn Austin, Greg MacLean and Ron Heaslip all rapped in first period Oakville scores while Chapman finished a hat trick in the second. Ron Heaslip added the eighth Blade goal.

"I told them (Flyers) you've got to stick with your check," said Milton defenceman Mike Atkinson. Atkinson played on the Blades as a rearguard three seasons before defecting to Milton at the

beginning of this season. "They had us in the first and second, but we were alright in the third," he continued.

Atkinson and Flyer defenceman Ron Twiss were the only Milton goalgetters—both with long waist high slap shots. Ken Fay engineered the Twiss score with Larry Peterson and Alec Ovenden earning credit on the Atkinson tally.

**Ravaged**  
"They got us from the start," claimed Flyer winger Pierre Pilote. "but they haven't got the team they had last year." Blades were ravaged by major Junior "A"

teams and universities after last season and started this season with a large number of Junior "B" rookies.

Milton's Wilson is also working with a young team this year. "They're young," says Wilson. "We've got to get rid of the butterflies and build their confidence." Wilson notes that Flyers' opening games were against the highly rated Oakville and Burlington clubs but promises better things when the Flyers get a crack at Brampton, Streetsville and Dixie.

Flyers were in Brampton Tuesday night.

## Docs and Dents storm Brampton

Milton Minor Atom Docs and Dents stormed past the hometown Brampton Hume Realtors 5-2 Sunday afternoon.

Docs and Dents rode out penalties in the early minutes of the game to come back and swamp the Brampton defenders. Brampton goalie Tim Rowland turned in a top notch game as the Docs and Dents continued to pound rubber in his direction.

Milton's Steve Mead slammed home the opener from Dave Nolet late in the opening period before Greg Gaeton slipped in Docs and Dents' second goal from Nolet and John Turner with three minutes gone in the second frame.

Brampton shooter Mike Stewart brought his team within a goal midway through the second period with Milton's Bob Landry coming back minutes later to nip in Meds' third goal from behind the net. Turner and Mike

Brown helped Landry out. Gaeton came back for his second score in the early going of the final period to sting the Brampton twine from an almost impossible angle.

**Backboard pass**  
Peter Harrison connected in the third period for Brampton but his score was cancelled out later in the stanza when Mead drifted in his second of the afternoon after taking a backboard pass from Gaeton and Turner.

Paolo Xulian handled the medics' goaltending chores the first two periods until Jeff Hogg filled in in the third.

Marty Caputo has pledged to coach the minor atoms through the season with help from assistant coach Brad "Dooney" Evans.

Docs and Dents take on Tri-county "A" rival Streetsville next Saturday afternoon in Milton and travel to match Georgetown the following Tuesday evening.

**FLYER ALEC OVENDEN** is taken out of the play in front of the Oakville Blades goal Friday night by defenceman Ron Heaslip. Blades captain Glen Austin moved in to clear the puck away from under goalie Keith Mills. Oakville pounded the Flyers 8-2.

## T.A. Blakelock stings 'stangs

T. A. Blakelock slammed the Milton Junior Mustangs 26-0 in high school football activity last Tuesday.

"It wasn't a bad game," said Milton coach Bob Pitt. "We did alright, we just started badly." 'Stangs allowed only one touchdown in the last half.

Mustangs travel to Georgetown Thursday to match the lacklustre Rebels. Rebels, with only three returning last year players, have an unimpressive record of four losses in four games.

Burlington netted an early goal then took a 2-0 lead but Tony Saliba scored from Jim Kerr in the third period to put the Jets back into the game.

Burlington tallied their third after a Milton penalty.

Kris Munro played in the Milton net.

## Optimists take league opener

Milton minor pee wee Optimists opened their season with a 3-2 win over Brampton Sunday.

Stan Fay opened the scoring for the Optis at the games' 55 second mark after taking a pass from Ed Gaeton. Gaeton added Milton's second goal from Fay and Mark Bradley in the second period, then closed out the Milton scoring with an unassisted goal late in the frame.

**Comeback**  
Brampton started to come back in the third period and at the 4:27 mark Don Sheppard scored from Steven Ruple.

Milton's defence rose to the occasion and held strong defensive hockey against the Brampton surge.

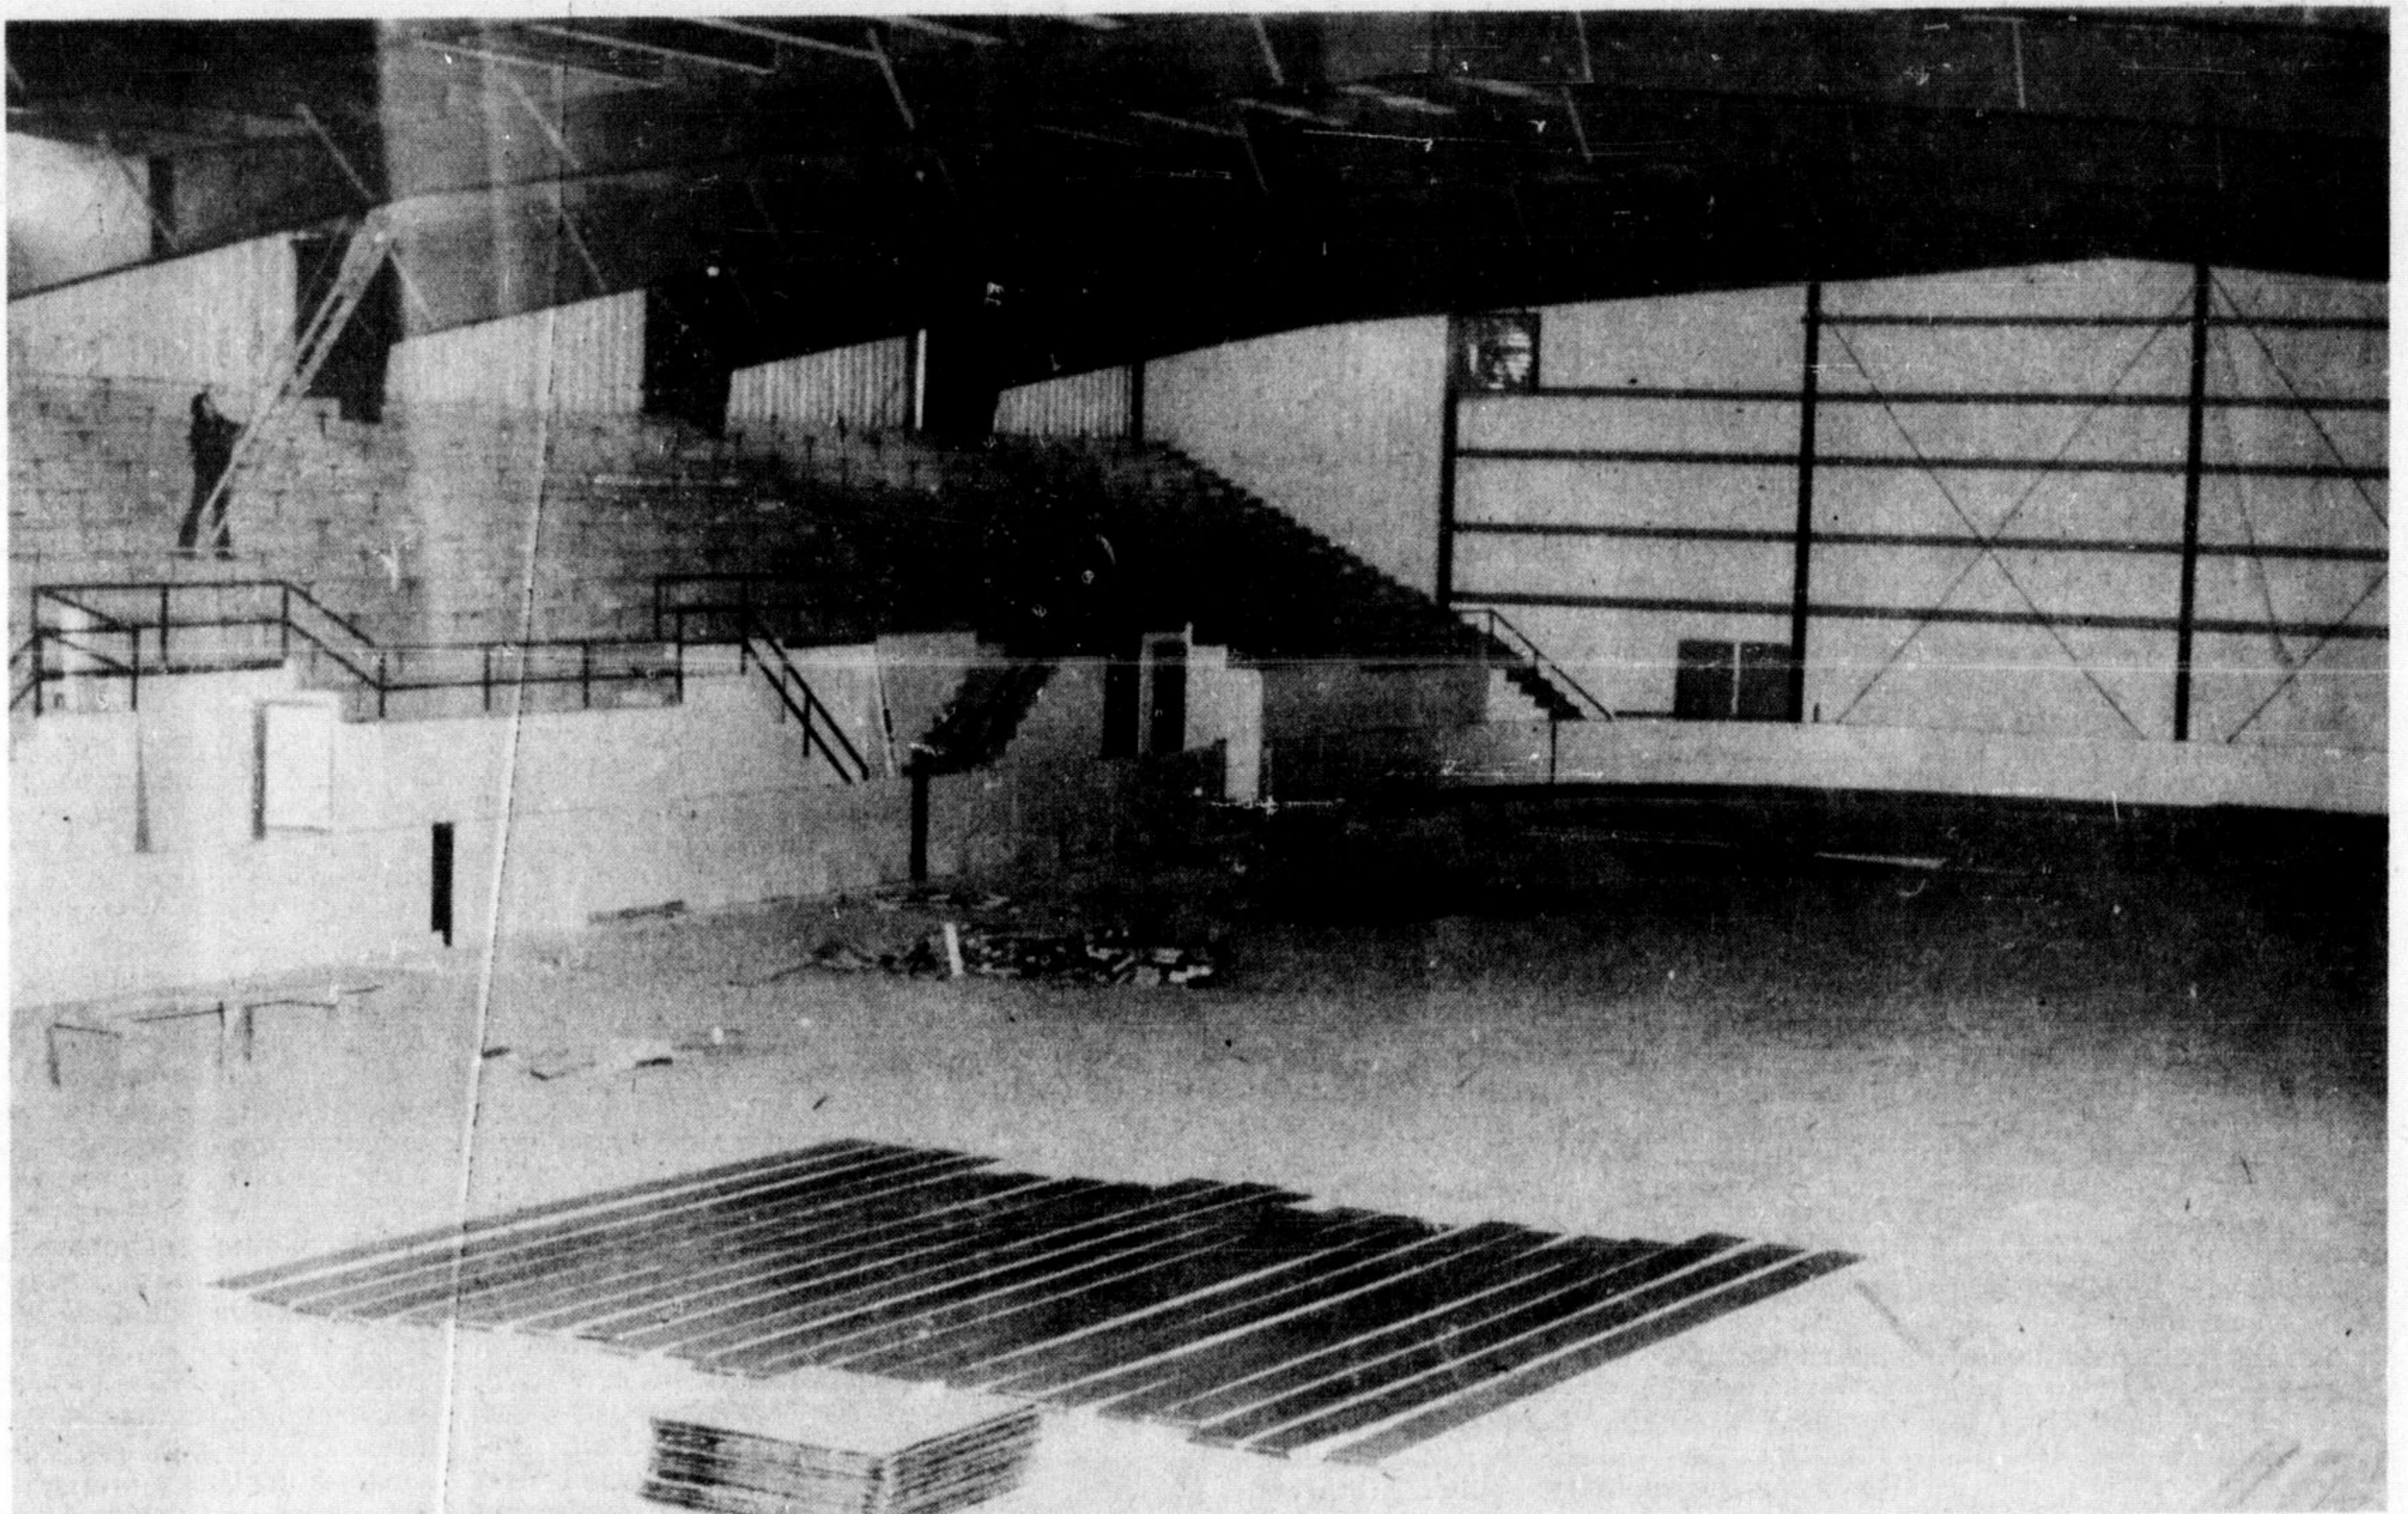

Milton goaltending duties were shared by Donnie Pickett and Steven Marshall.

Optis played in Burlington Tuesday night and host rival

MILTON OPTIMISTS minor peewees became the first team in Canada to wear the newly designed CCM faceguard Sunday afternoon when the local Optimist club donated new helmets and face guards to their team. Team manager Jack Champoux, coach Kent McIntosh, Optimist president Don Morley and assistant coach Buz Roberts display the new headgear while Wayne Hubbs registers to play on the minor peewees. Optimists won their season opener with Brampton Sunday afternoon 3-2.

**Cold paw cure**  
The quickest way to thaw out a "Yukon Husky's" paw was for a man to put the dog's paw in his mouth, and when it was warm, to dry it off carefully with his shirt.

CONSTRUCTION of the new Thompson Rd. arena is almost completed and the Milton Parks and Recreation Department are still hoping for a Nov. 1 opening. The arena still requires sewer connections and the installation of the delayed hydro transformer.

## Legionnaires without a loss

Milton Legion Bantams are without a loss after Tri-county play early this week. Legionnaires drew Ancaster 1-1 at home Sunday afternoon and bopped Burlington 1-0 Monday night.

It was the opening game of the juvenile campaign.

Steve Wilson tallied for Milton early in the opening period from Serge Mazzorato and Al Fritzeley. Captain Norm Mowbray put the CTC's two goals up late in the second period from Mike Leslie.

Brad Roelofson converted a pass from Mazzorato and Bud Fraser in the dying minutes of the middle period while

Dave Robertson tagging the Streetsville twine in the third from Mowbray.

Doug Brown recorded the Milton shutout.
