

UNDER THE "B" . . . BINGO! Milton Lions Club's weekly Thursday bingo games at the high school cafeteria are a good drawing crowd for bingo lovers, especially when the jackpots get big. Above, part of the crowd on hand last Thursday trying to win over \$1,100 in prizes. Below, one lucky winner was Mrs. Hilda Whetham of 52 Commercial St. who claimed the big jackpot prize, a cheque for \$750 by filling a card in 59 numbers. The cheque being presented by Lions bingo team captain Ron Flannagan will be shared with her daughter Maryann Wilson. Mrs. Whetham, a bingo regular, said it's the first big jackpot she has ever won.

Recreation programs

Milton Parks and Recreation Department offers a number of programs for a variety of interests this winter. Commenting on the list of programs offered, Recreation Director Bob Small noted many of the programs offered this year. He noted some programs that were offered but didn't attract enough applicants are being offered again this year.

The list of programs runs from women's jazznastics to badminton, boys' and girls' gymnastics, boys' night out and girls' night out. The two latter programs are for youngsters seven to 12 years old and activities include sports, active games and in the girls' case, some crafts. Arts and crafts, creative drama, dance instruction, Christmas decoration classes and aquatic programs are also scheduled. Public swimming Friday nights and Saturday afternoons will be held at OSD this year.

Learn to play hockey programs are also being introduced for youngsters. Director Bob Small noted the programs are being arranged to complement the program already offered by Milton Minor Hockey Association. Figure skating programs are being offered too.

Small said the Parks and Recreation Department has tentatively set Feb. 7, 8 and 9 as dates for the winter carnival in 1975.

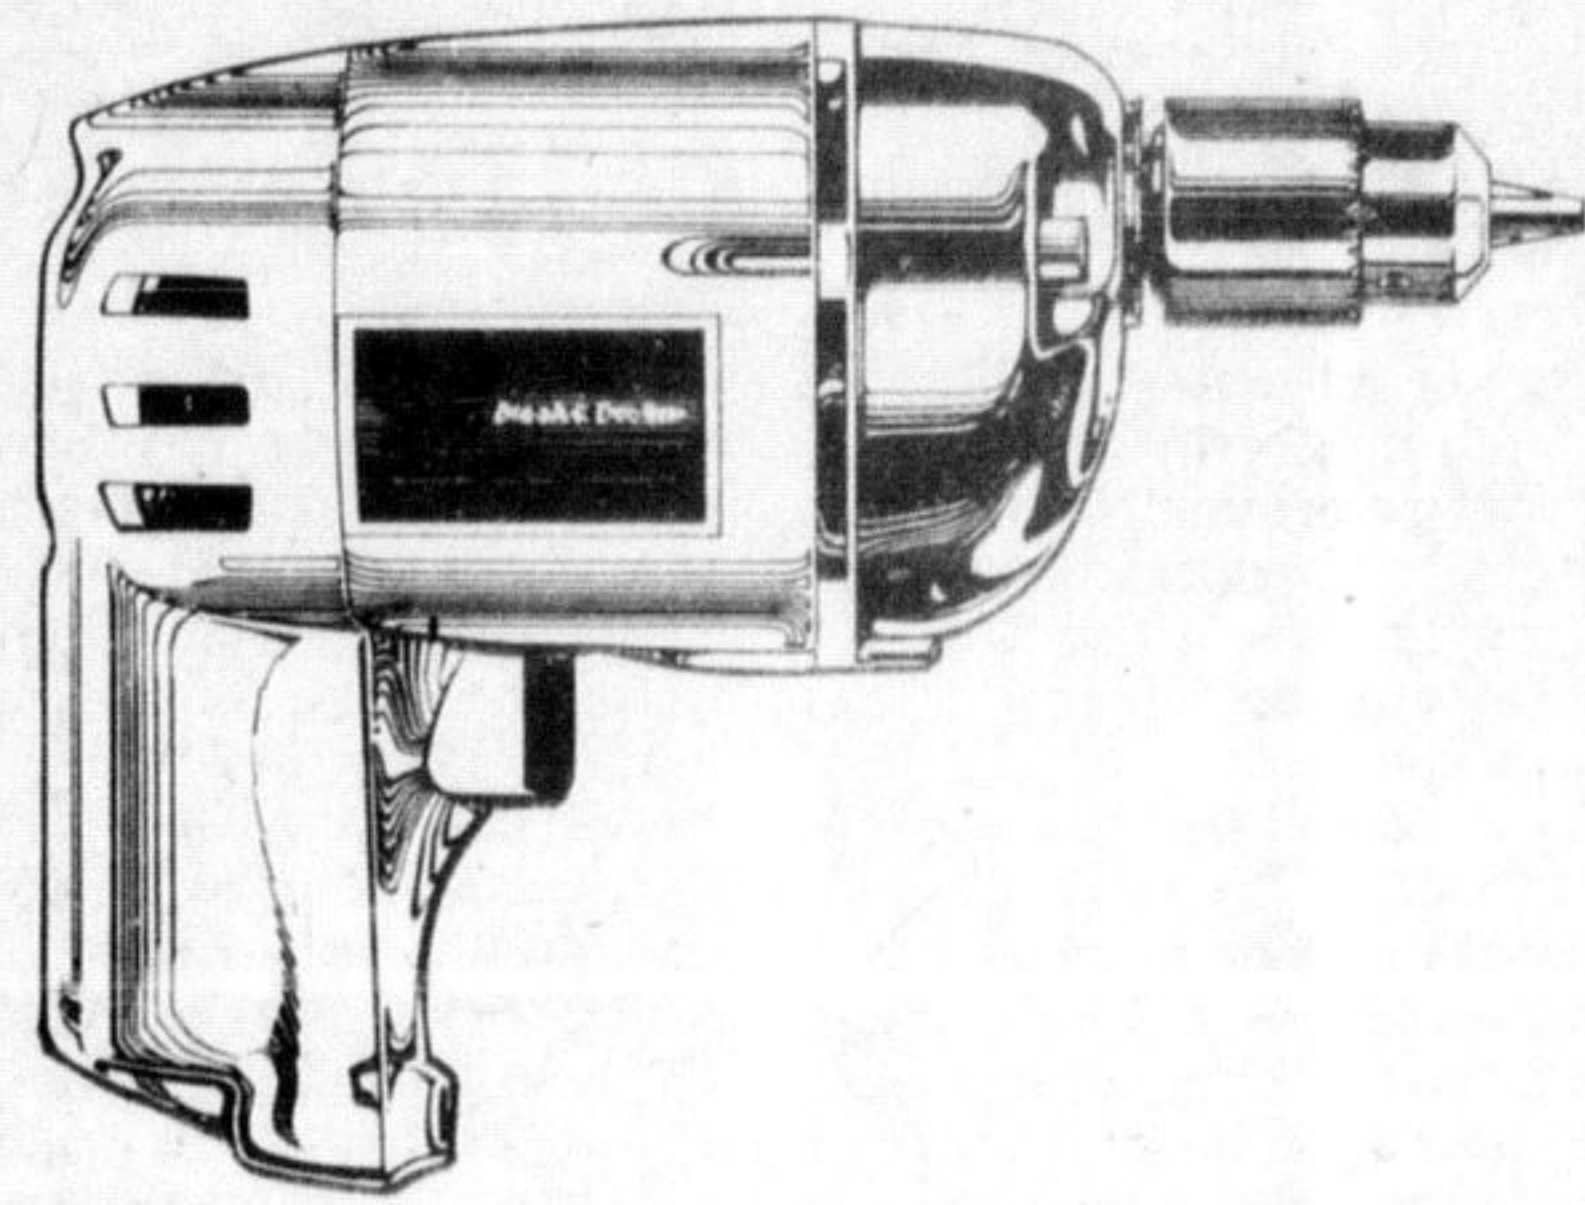

Woman in accident

Vehicles driven by Rockwood and Milton people received \$2,100 damage and one person was injured Tuesday evening, Oct. 1 in a two-car collision on Highway 401 near the Ninth Line Oakville. Milton OPP said one vehicle was a 1970
