# Milton will appeal arbitration report

Milton Council will appeal an arbitration report that details how costs incurred by introducing regional government should be shared by Milton and Oakville. Milton had accepted reports detailing settlements with Burlington and Esquesing. Clerk Jack McGeachie said Oakville was the

most difficult of the three to deal with. Milton held off its appeal until it was too late for Oakville to launch a counter-appeal against the town. That leaves Oakville in a position of defending the appeal from Milton.

**Oakville to pay**  
The report would have Oak-

ville pay Milton, Halton Hills and Mississauga \$45,054 to cover costs for those areas of Oakville taken over by the other areas as a result of regional government. Of the \$45,054 Milton would receive \$41,396 Depreciation of machinery and equipment, adjustment on fire costs, and the decision to have Oakville retain ownership of Drumquin Park are the key points on which Milton has launched the appeal.

—Next Tuesday at noon is the deadline for putting in coupons for the Chamber of Commerce pre-Christmas draw. Final prize is \$500.

—Youngsters were skating and playing hockey on the mill pond Sunday. "Skate at your own risk" signs have been posted.

SANTA WAS GREETED by "oohs" and "aahs" by young Jennifer Campbell during the Canadian Meter Company party Saturday at Holy Rosary Hall. Her older sister Julie is shown with her.
