

Minister shows slides of Israel

The Easter meeting of the Robertson Auxiliary of Knox Presbyterian Church was held Tuesday, April 12.

Prior to the meeting everyone enjoyed the delicious array of food, at a "pot luck" lunch at 12:30.

Following lunch Mrs. Margaret Duncan opened the meeting with prayer followed by an Easter Reading, The Festival of Joy.

The Rev. Trevor J. Lewis gave a talk and showed slides of his recent trip to the Holy Land.

Among his slides were pictures of the place where Jesus was said to have been born, the rugged terrain where Christ had carried his cross, the Sea of Galilee, the wall, orange groves, the cities of Jericho and Jerusalem and the snow which does fall in Bethlehem.

Mrs. Duncan thanked Mr. Lewis on behalf of the Auxiliary for giving of his time and sharing some of the highlights of his trip.

Fifteen members answered the roll call with an Easter scripture verse or Easter poem.

The Scripture taken from the last chapter of Matthew was read by Mrs. Olive Cook, followed by prayer by Miss

Mary Lyons. The Easter Worship Service from the Glad Tidings was read responsively with all members taking part.

Offering was received and dedicated by Mrs. Duncan.

The business portion of the meeting followed with the secretary Mrs. Phyllis Peddie, treasurer Mrs. Adeline Thomsen and expense treasurer Mrs. Ruth Lockie giving their reports.

Members were again reminded of the "Nearly New Sale" Friday, April 22 and the posters prepared by Mrs. Margaret Wilson were given to members to put in various locations.

Tuesday, April 26 at 10 a.m. was set as a work meeting to tie quilts.

The next meeting, May 10 at 8 p.m. will be a combined meeting of the Robertson Auxiliary and the Evening Auxiliary with guest speaker to be Mrs. Farmery, the newly appointed minister at St. David's Presbyterian Church in Campbellville.

The Robertson Auxiliary will be in church the meeting.

The meeting closed with the friendship circle and members repeating the Mizpah benediction.

THE FANTASY BALL to be held Saturday, April 30 at Club Galaxy in Oakville is the annual fundraising and social event of Milton District Hospital Auxiliary. Some interesting decorations are being prepared for the dance and this group is working on a giant glass slipper and some

fancy balls that tie in with the fantasy theme. Barb Pentland, front, is convener. Helping her are her husband Al, co-convener Gerry Weston, Ways and Means chairman Mabel Cripps and Mike Boczewski.

Study Bible women

The Women's Presbyterian Church held their April meeting at Mrs. Gordon Hitchcock's home with Mrs. Grant Campbell as acting president.

An allegory in verse form was quoted, followed by the rousing hymn "Onward Christian Soldiers." Mrs. Hitchcock read "A Morning Prayer" and scriptures Mark

28, 1-7. Mrs. John Roberts, as convener, gave thoughts of Pontius Pilate during the trial of Jesus, from a poem written by Mrs. R. Schultz. She then told of the outstanding women of the Bible: Mary Magdalene, torn by the devil and freed by the Lord; Rebecca, Hagar, Rachel, Mary, Martha, and lastly, Jezebel, a very evil woman,

wife of Ahab, King of Israel.

Mrs. Hitchcock completed the program with two poems, "There is a green hill far away," by Cecil Alexander, and "Easter Morning," by Edmund Spenser.

After a short business discussion, Rev. Mary Farmery closed the meeting with prayer.

Mrs. Hitchcock served lunch and Mrs. Robinson thanked the hostess and convener.

SENSATIONAL Hartco Wood Foam Tile® with Par-k-Stik®

DO IT YOURSELF HARTCO WOOD FOAM-TILE™ With Par-k-Stik™

How to install. it's easy.

- Begin by removing base molding.
- Install on any sound, smooth, dry subfloor, either concrete, wood, linoleum or old floor.
- Measure 24" from starting wall and 24" from second wall.
- Next, pop a chalked string 24" away from the starting wall and a second chalked line at right angles.
- Peel back protective paper.
- Begin laying tile at Chalk intersection.
- Tile lays quickly and easily.
- Cut end pieces to fit close to wall or door.
- Don't bind the flooring against the side walls. Leave a 1/4-inch expansion border.
- Reducer strips matching the tile color can be used where doorways or hall areas meet the main section of floor.

\$1.95 SQ. FT.
The foam is treated with adhesive dots and covered with a special paper. Just peel the paper, press to the floor, and the parquet is laid. It's quick and easy. Anyone can install it. No skill required.
Hartco® Parquet Flooring is pre-finished from the finest Appalachian hardwoods. The finish includes a special penetrating stain that brings out an excellent grain pattern, provides richer, longer-wearing color, is more durable and is easier to maintain. The tiles are 7/16" x 12" x 12".
