

# Fall fair judging

ANNIVERSARY CAKE made by Lynda Brooks of Milton claimed second prize in a special 125th anniversary cake decorating class at the fall fair. Janice Riebot shows off the cake, shaped like a sheaf of wheat. There were three entries in the special class.

SCARECROW looks like it wants to get into the act of judging chili sauce as it peeks over shoulder of judge Mrs. H. Telfer.

SPECIAL CATEGORY this year for decorating a 125th anniversary cake was won by R. Coverdale of Campbellville. Mrs. H. Hall, secretary-treasurer of the Fair, shows the prize-winning entry. In the background are some of the handicraft entries.

TAKING THE TASTE TEST, Mrs. H. Telfer of Paris samples some chili sauce. Sauce is judged on tomato taste, seasoning, color and texture. Mrs. Telfer takes sips of a soft drink between samples of chili sauce.

MAGNIFYING GLASS helps Mrs. H. A. Dickenson judge fine needlework on quilting sample.

### Thank You

for the concern & support shown by so many of you at the Milton Fair. Your help to raise funds is essential in this campaign to stop Milton from becoming the "All Halton Garbage Dump." As well, we extend special thanks to those who volunteered their time and "pitched in."

Be sure to get your tickets to **THE DUMP DANCE** to be held Saturday, October 15 - 8 p.m. - 1 a.m. Lions Hall, Milton Arena, Thompson Road. \$15 per couple includes buffet, desert table and prizes.

For tickets phone 878-5222, 878-2639 or 878-3050.

We are convinced there are better alternatives to centralize long-term dumping on Class 1 farmland, but we need your help to prove it.
