

THE MIDWAY AT MILTON FAIR continued to attract visitors despite heavy rain which started early Saturday afternoon. For the first time this year the Fair was open Sunday, which, though cloudy, was dry.

PROTECTED from the rain, these Fair-goers enjoy one of the many rides on the midway.

A VISITOR to the midway tries her luck at one of the innumerable games.

Midway makes fun at fair

Cattle show results soon

Results of the cattle shows at Milton Fair will be published in next week's issue of The Champion. The farm page is an early-deadline page and there was not enough time to prepare the lists for today's paper.

—Local organizers are promoting an Octoberfest Caravan at two legion halls and the Knights of Columbus Hall in Oakville on Oct. 22, with Bavarian style music and food.

Wingrove is judge

Doug Wingrove of Campbellville had his hands full on Sept. 13 when he judged the Niagara South Holstein Show held at Niagara Regional Exhibition. There were 105 head entered by 19 exhibitors. Downalane Farms of Welland was named premier breeder and exhibitor.
