### MacKinnon bant lose to Burlington stars

At the High School football field Sunday, Bell Bros. pee wee were swamped 40-0 by Travelways of Burlington. Nothing went right for the Milton squad as they were completely outclassed by the more experienced Burlington team.

Mark Cowling was the best player on the Milton team offensively and Barry Hlushke defensively.

In Burlington Sunday at M.M. Robinson High School, the Burlington All Stars defeated MacKinnon Transport from Milton 6-0 in a well played bantam game.

Milton came within a yard

of scoring a touchdown on the last play of the first half, and were held scoreless the rest of the way although they moved the ball well.

Offensively, quarterback Bill Lyons played a good game as well as halfback Scott Prior. Defense Mark Bayler, Scott Richardson and Mark Langridge were the pick of Milton.

Both teams are idle next weekend but play on Sunday October 16. The pee wees are in Burlington at General Brock High School and bantams are at Milton District High School. Both games are to start at 1.30 p.m.

### New tennis officers trophy is retired

Bill Morgan, who did a creditable job as tournament chairman during the past season, was named president of Milton Tennis Club at the club's annual meeting Friday.

The meeting followed a dinner and awards night at Wyldewood Golf and Country Club.

Roy Wollaston remains on the executive as past president, while Jamie White is vice-president, Linda Grant

secretary and Betty Unger treasurer.

Groundsman is Steve McGroty with Bruce Hood assisting. Tournament chairmen are Cyndi and Doc Hunt while Angela McLean will look after publicity.

Social convener is Priscilla Wanless. Junior programs will be co-ordinated by Don Aikenhead, P. Wanless and J. McDuffe.

During the evening the men's singles trophy was officially retired, in the permanent possession of Carl Smith. Mr. Smith, one of the founders of the reorganized tennis club and an early president, has won the trophy six times and the only other name on it is that of his son Jeff, who beat him twice for the men's crown.

The executive has decided to award the trophy to Carl permanently and he is donating a new one for which he is not eligible. He said he hopes his retirement would encourage younger men to seek the crown.

### Minor hockey in next paper

Along with the teams a portion of the schedule will be released. Bantams and senior players will be contacted by coaches this week.
