DOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Across the Editor's Desk

Did you get caught up in the EGGStraordinary goings on and not wanting to fail where last week, Tuesday, Jan. 10 to others had succeeded, be EGGSact, when according stayed out of it altogether. to ancient folklore, EGGS are Good

supposed to stand on end? tional subject.

I'd heard last year that on Jan. 10 you can make an EGG good and ready to stand on stand on its end, and our end. sister paper in Georgetown did a story (with pictures) to can get the yolk to settle to prove it. Trouble is, nobody at the bottom, it'll stand up any Independent EGGSplain why, it happened. Can't be done on any other day of the year, the EGGSperts said. Maybe something to do with how the earth stands on its EGGSis. they suggested, tongue in cheek.

Told my wife about it last year, and she dutifully marked the date on the calendar so we forget, come 1978, to give it a try. Don't EGGSpect it to work, I warned her.

Well, the big day cameand went-without any eggs doing tricks at our house. We tried several times, and she was trying EGGStra hard, but the darned eggs wouldn't EGGSactly co-operate.

But this year there was widespread publicity on the subject. TV and radio stations broadcast the EGGSentricities of EGGS on this special day, and our Georgetown cohorts had another story, embellished by a photo of eight eggs standing on the countertop, unassisted by human Being an EGGotist myself wife, meanwhile,

although unable to make any I did. Started out as a dis- hen's fruits do their special believer, and ended up as an stuff, claimed that anyone EGGSpert on this EGGScep- can make an egg stand up if they just have the patience to wait until the egg is darned

> She also claimed that if you day of the year.

Some yolk, that was! She

still couldn't do it! I'd forgotten about the incident, until a friend called me last Friday to ask if I were getting involved in the great egg caper. I EGGSplained I wasn't. But she said she was having some EGGStraordin-

ary success. Heard it on the radio Tuesday morning, tried it, and it worked, she claimed. Tried it again twice more through the day, and it worked each time, she said. That night her husband and a friend doubted her sanity when she told them, so she whipped another egg out of the fridge and promptly stood it on end-pointed end down, she noted.

That was near midnight Tuesday. As of Friday morning it was still standing up, meaning-eureka-an EGGSception to the rule. rushed over for a photo and to make sure she hadn't employed some crazy glue and there it stood, proudly on end, EGGSactly where she had placed it 60 h ours earlier.

Discussing the phenomenon at home at suppertime Friday, I finally decided to become an EGGStrovert and pitch in. Pulling a chilly egg from the ice box, I had it standing up within 10 seconds. And it stood there until soon Saturday, when my son jiggled the counter top and it fell over. Aghast, I

By Roy Downs

volition, later in the day. But it had stood, on Jan. 13 (Friday the 13th, matter of fact) and was still standing on

rushed to it and stood it up

again. It fell, of its own

That evening, my wife took the same egg and soon had it standing, proudly, once more. t stood until Sunday mor-

I stood another one up on Sunday afternoon.

What's the secret? It's unEGGSplained, as far as I can see. If you're too hardboiled to go along with this somewhat scrambled tale, here's an invitation to come out of your shell and try to unscramble the phenomenon. Do it today, or wait until

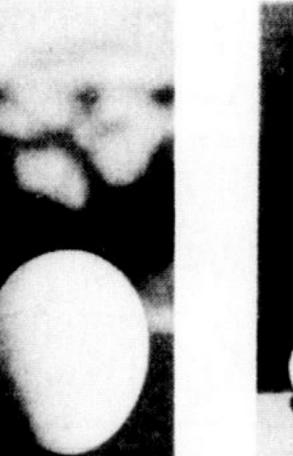

Just do me one favor-don't phone me, if it happens. This

is the last you'll hear about **EGGStraordinary** phenomena. I don't want to do any EGGStended coverage on an EGGSceptional

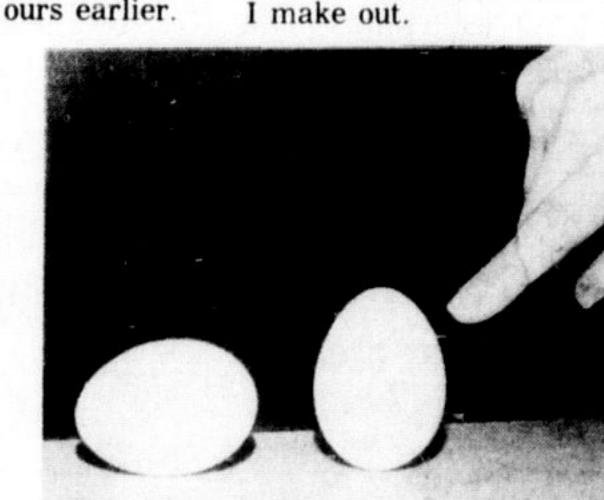

I've had it.

next Jan. 10.

But I'm gonna try watermelons, when the season arrives. I'll let you know how

FRIEND'S EGG stood on end (the wrong end, at that) for three days until someone jiggled the table and it fell over.

EDITOR'S EGG also did a standup job on Friday, three days after the traditional day (Jan. 10) when eggs are supposed to stand on end.
