

# Sockets finish season with Plattsville loss

In their final tournament for the year the Milton Novice Sockets travelled to Plattsville. They lost the first game 10-4 to South London, a real powerhouse of a team.

The first period was a free wheeling exhibition of goal scoring, void of any defensive play. South London scored five times and Milton replied with four with Scott Hilson potting two and singles going to Scott Ellwood and hard working Geoff Pollen.

From the second period on it was all South London as they fired five unanswered goals to take the victory and send the Sockets into the consolation round that after-

noon against Leamington. Scott Ellwood who was flying all day gave Milton the lead when he was sent in all alone by David "Buzzsaw" Dillon. Scott Hilson, who has been scoring regularly throughout the second half of the season made it 2-0 on a pass from captain Wayne Rivers.

After Leamington made it 2-1 Stuart Thorne restored the two-goal lead assisted by Scott Ellwood. Adam Mead who played his best game of the season was robbed twice, as was "Buzzsaw" Dillon by a superb Leamington goalie. Leamington closed the gap again early in the third period beating goaltender Jimmy

Murray who performed very steadily to make it 3-2 for Milton and Scott Ellwood secured the victory with his third goal of the game.

In the consolation final on Saturday the Sockets led by goaltender Jimmy Murray and reliable defencemen Pat Butler, Andrew Wilson, Brett Gervais and Justin Fraser held their opponents from Simcoe off the scoresheet until early in the third frame. Goals by Scott Hilson and Robbie Wilson had given the sockets a 2-0 lead before Simcoe fired three quick ones to take a 3-2 lead.

It looked like it was all over for Milton until just a minute remained when Hilson pocketed a loose puck and sent the game into overtime.

The extra period featured great two way hockey by both clubs with each team getting good opportunities but failing to capitalize. An extra sudden death overtime was needed to decide the struggle and Simcoe took advantage of a two on one break when their captain banged home a rebound to win it.

Socket team manager Pat Moran said the tournament was a well run affair and was an excellent way for the Sockets to end their year. Moran said the team had received good support from parents throughout the year.

# Olympics ball team personnel hunting

The Milton Olympics senior ladies fastball team is extending an invitation for interested players or coaches to become involved in this year's edition of the team.

It will be the third season for the Milton ladies who have shown a steady progression in the Halton Ladies Fastball League since their formation. In their first year the team finished in the cellar but concluded play last year in fourth place and made a playoff position.

Hillsburgh seniors put Milton out in two games in the playoffs but the local team plans to give a challenge for first place this coming season. Hillsburgh was the first place club in the league last year and claimed the championship.

Janet Vallier, Olympics, public relations officer, told The Champion the team is interested in obtaining new players. Last year's coaches, Murray Whistler and assistant Art Brooks are taking on

different responsibilities this season. Whistler may be coaching a new junior ladies team, therefore, a coaching staff must be obtained by the Olympics.

She said the coaches would not have to worry about administration duties or obtaining sponsorships. They would be left to the duties of a coach.

Other campaigns being discussed by the club are going through citizen band radio channels to solicit players and by distributing leaflets.

The team is trying to organize opening camp workouts and so far has nine women who are returning. The veterans are Linda Brooks, Peggy LaLonde, Kelly Vickery, Susan Britton, Anna Willats, Carol McCallum, Debbie Maines, Mary Anne Kenney and Janet Vallier.

Interested persons are asked to contact Janet Vallier 878-8041 or Linda Brooks at 878-5208.

# Junior women's team forming in Milton

A junior women's fastball team will be formed in Milton this year and will make registration to the Provincial Women's Softball Association for membership.

The team will follow the format of the Hillsburgh junior team and play a regular season with the Halton County Ladies League for the club's initial seasons.

The new club is under the coaching of Murray Whistler who handled the duties with the Milton Olympics during their past two years of operation. Other area teams in PWSA play are the famed Brookville Selects, and teams from Burlington, Hamilton and Oakville.

Girl ball players up to the age of 21 years, not before Jan. 1, 1978, are asked to call coach Whistler at 878-3255 before workouts start April 3 at E. C. Drury, Monday evenings.
