Charles Hotel squeaks 40-39 win

By Mike Kendrick
In the beginning, there was man. Then man in his infinite wisdom took it upon himself to create a relief from the daily routine and boredom. Over countless eons of change and evolution, there finally became what is known today as Flag Football. Yes friends, the ultimate answer for the part time athlete. I can tell now, the interest is too overwhelming! What in fact did happen last week in Milton Flag Football? Ah, yes a good question, one which I am glad you asked. The Charles Hotel team took to the field on Tuesday to play Foberts without the services of two standout performers in Glen Biederguy and Jake Doering. Charles managed to sneak out a win in the last quarter 40-39.

Local couple win 'jitney'

The Clements of Milton cleaned up Thursday when Milton Lawn Bowling Club held a five-club jitney at the local greens on Commercial St. Fannie Clements of Milton was first for ladies, with her husband Allan Clements top man. Lillian Lawrence of Georgetown was second and Marta Miller of Streetsville third for the ladies; Andy Frank and Cliff Brown were runner-up men. A full house was on hand for the day. In Monday night play, Rachael Moore led the ladies with Chris Needham second and Clara Price third. Cliff Brown was top man, with Ed Foster second and Warren Williams third.

A Milton rink placed second high for the day at a tournament in Streetsville Saturday. Jack Elliot skipped the rink, assisted by Peggy Johnson and Wally King.

Barbecue

Halton federal Progressive Conservatives are holding a social night called a "July Fest" this Friday evening at Roma Social Club in Milton. Candidate Otto Jelinek, his wife Leta and other candidates from area ridings are planning to be on hand for election talk, mixed with dancing and beef-on-a-bun.

The Milton Fastball league's third annual tournament went down to the final out before Procor of Oakville defeated Newman Shoe Stags 2-1 on Sunday. For Procor to reach the finals they defeated Accel 4-0, McDuffe Equipment 3-2, and Banvil 9-4 while Stags beat Bronte Legion 5-1, Harley Motors 4-0, and Three Phase Electric 2-0. The consolation final was between Accel from Brampton and Fobert Real Estate from Milton with Accel winning 6-0. Accel's only loss in the tournament came from Procor as they beat Acton 10-1 and Oakville Post Office 7-5 to reach the finals. Brampton Legion beat Fobert 7-4 but then Foberts beat Mack Truck 8-4 and Bronte Legion 4-2 before

Campbellville now trailed 13-11 with runners at first and second. Bob Biskup pinch hit for the pitcher but Tonelli bore down to get an infield fly to end the game, giving his Merchants their first win over Campbellville this season. Ray Tonelli went the distance for the Merchants, allowing 11 runs on 13 hits, three walks and he struck out three batters. Charles Currie suffered the loss as he pitched seven and one-third innings giving up 10 runs and 12 hits, two walks and struck out five. Bruce Evans in one and a third innings gave up three runs on

losing to Accel in the final. In the championship game Ed Dunn of the Stags and Mark Curtis of Procor were hooked up in a scoreless game after three and a half innings when Dave Scarrow led off the Procor fourth with a single. Jim Drennan sacrificed Scarrow to second and Garry Brooks' double off the fence scored Scarrow to give Procor a 1-0 lead. The Stags took advantage of three Procor errors to tie score in the sixth inning as Bill Brush reached first on an error, moved to second which was mishandled, leaving runners on first and second. Brush scored the tying run on Loris Faggion's fly ball to left which was dropped. Just as the game appeared set for extra innings, Ralph

five hits and hit a batter. Scott Gadd allowed a double before getting a strikeout in the last third inning. Milton's offence was led by Gary Nayler with two homers and a double. Don Hearn hit a double and three singles and Wade Bekar added a home run and double. Warren MacLeod cracked a double and two singles while Ken Armstrong homered and singled. Rick McTrash doubled and Glen Turner, Andy Hull and Norm Mowbray each singled once. Mohawks' attack was led by Tim Roberts with a home-run, double and single. Doug Timbers added three singles.

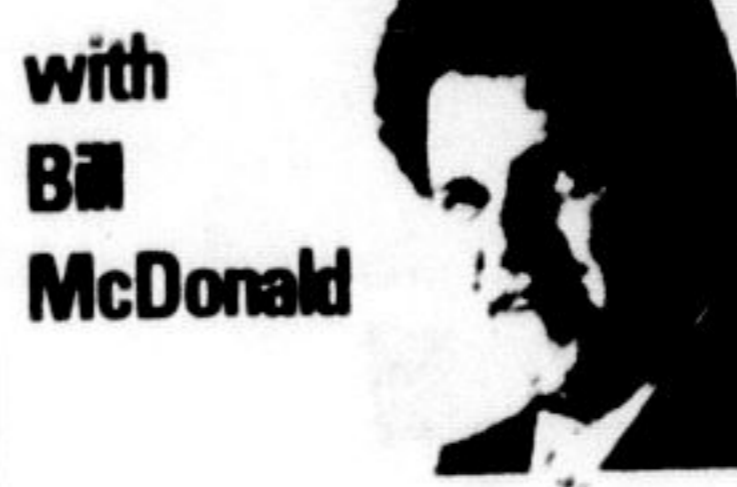

Smith doubled for Procor with two out in the last of the seventh and scored on Dennis Adams' single. Winning pitcher Mark Curtis allowed one run on four hits while striking out six and Ed Dunn was just as effective giving up two runs on six hits and striking out five. In the consolation final Accel scored three times in the third and twice in the fourth to defeat Fobert Real Estate 6-0. Singles by Ed Grillage, Al Mitchell, and Bob Dunn and Rod Piukkala's double gave Accel their three runs in the third and the

victory as winning pitcher Grant Forrest blanked Foberts on seven hits while striking out four. Procor not only won the championship trophy, presented by Mowbray Fuels, but also two of the three individual trophies as well. Gary Brooks of Procor won the best offensive player, presented by Newman Shoes for

his three home runs, two doubles and a single. Brooks, a center fielder, also won the defensive player award, presented by Muffles Thruway Muffler Centre. For the second consecutive year Ed Dunn of Newman Stags won the most valuable pitcher award, presented by Man's World Hairstylists. In four games Dunn allowed just

three runs on 16 hits while striking out 22. Other Milton teams in the tournament were McDuffe Equipment, who defeated Acton 7-0 before losing to Procor 3-2; Banvil, who defeated Oakville Legion 13-0 and Darcel 3-1 before losing to Procor 9-4; and Rockwell who lost 12-1 to Harley Motors and 11-7 to Bronte Legion.

AROUND THE HOUSE

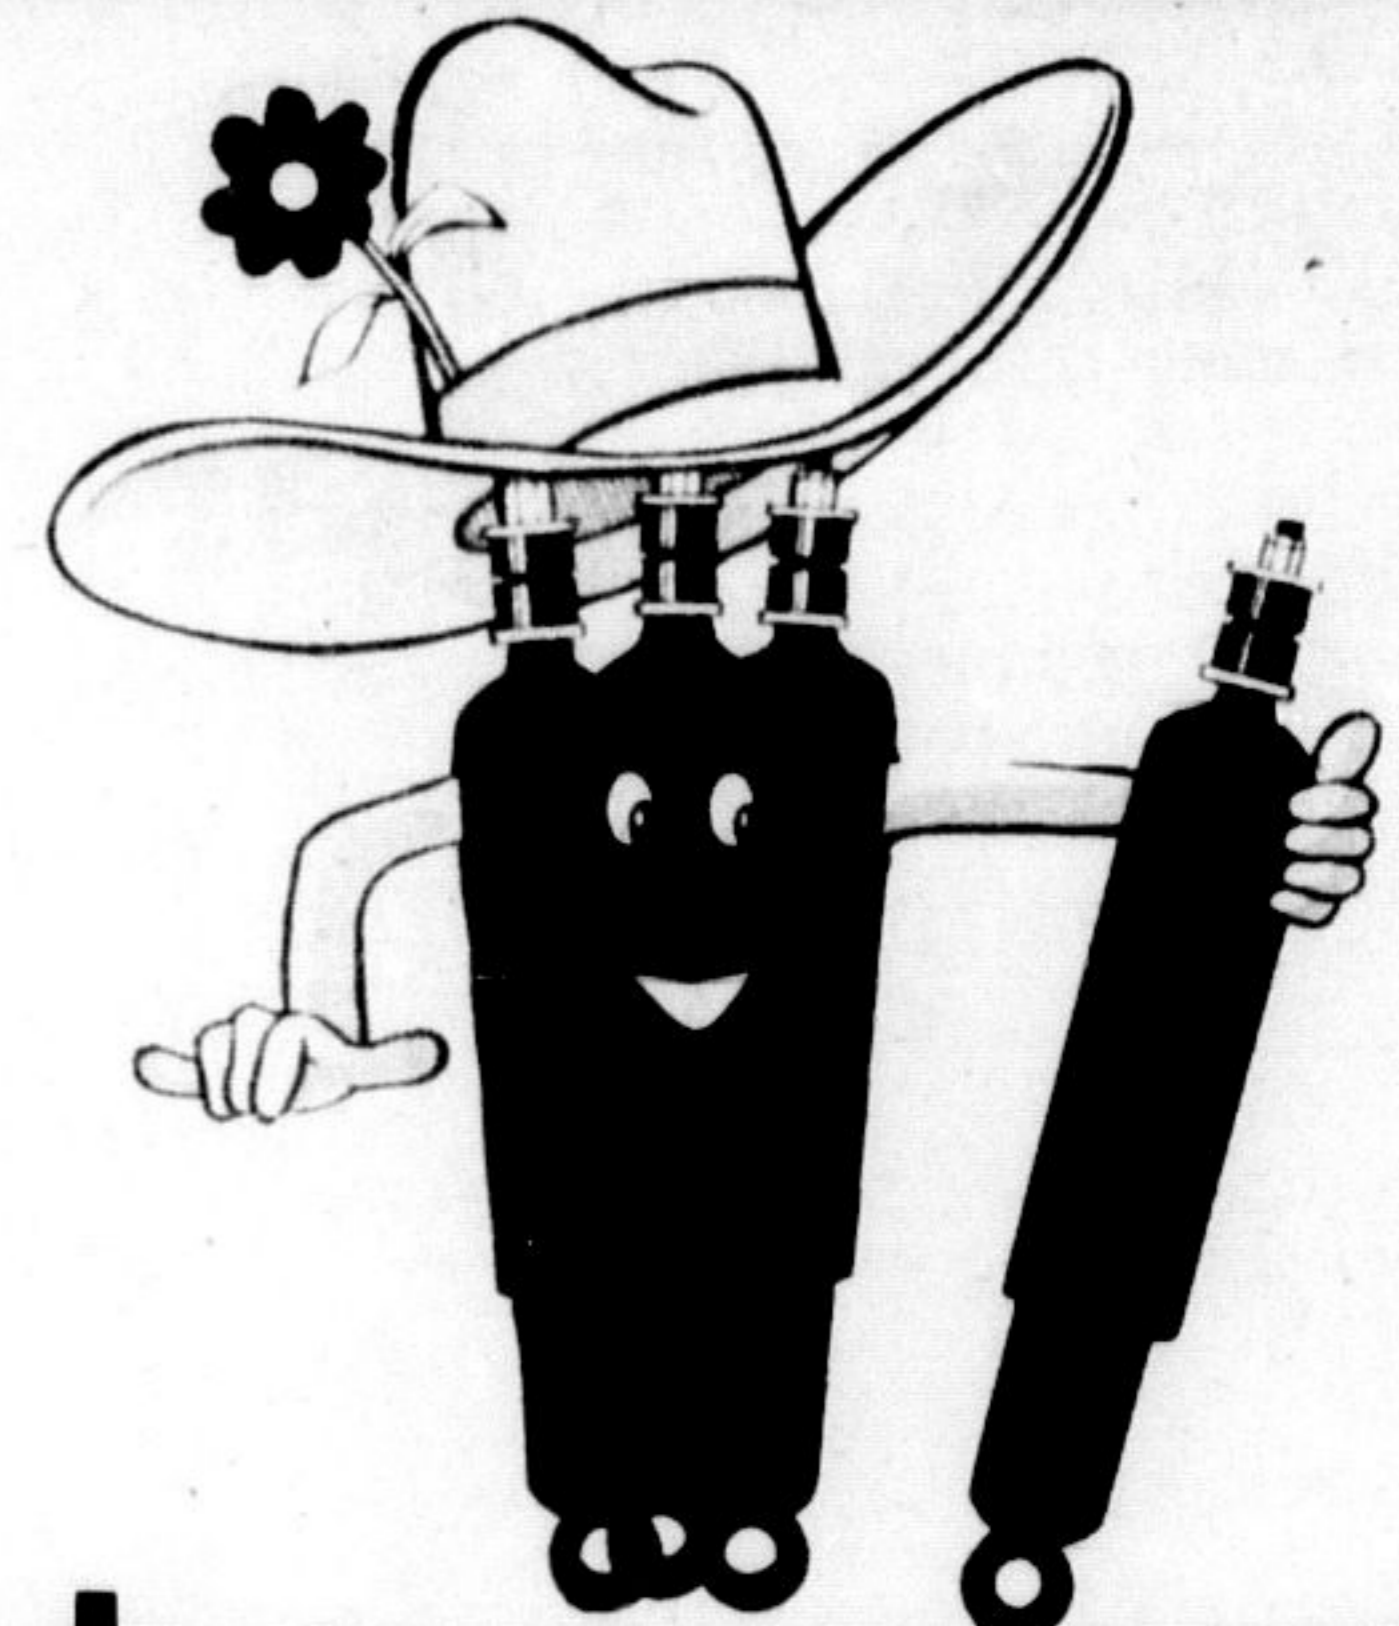

When you wrap a gift for a shower, tie something useful on the ribbon—a set of measuring spoons, baby rattle, whatever.

Two thin coats of white shellac will keep lamp cords from fraying near the socket. Be sure shellac is thoroughly dry before plugging in.

Those soft plastic bags from the cleaners can be used to stuff throw pillows. Cracking nuts? Don't discard the shells—use them in the bottoms of flowerpots for drainage.

CAN I SAVE MONEY BY HAVING A WATER SOFTENER INSTALLED WHEN MY NEW HOME IS BUILT? Yes. Careful planning always saves money. Have the water softener included in the design of your new home when it is built. Later on if you move, a water softener will be a selling point.

Milton, like most small communities, had its own band and one of those early bands is posed in front of the County Court House. Concerts were often played in Victoria Park and the band was an important part of all early entertainments.
