

Photos by Roy Downs

What's in a name?

It all depends whose name is emblazoned on your old gas tractor, when you take a vintage vehicle to Milton's annual steam and antique reunion, Steam-Era. Names often came from the manufacturer's family, some (like "Happy Farmer") were designed to make them sell easier, and some (Sawyer Massey, Minneapolis Moline) reflect mergers between manufacturers. Anyway the photographer had fun collecting pictorial proof that names do make news, at Steam-Era 1978.

Dance, picnic for Lions Club

Milton Lions Club activities for the fall season got underway with a highly successful hamburger booth at Steam-Era. The club will hold its first business meeting of the new season at the Lions Hall in Milton Memorial Arena on Monday, Sept. 11.

Future events include hosting the zone advisory meeting in Lions Hall Sept. 13; an Oktoberfest dance Sept. 23 at Laurier Ave. Arena; a family picnic Sept. 10 at Halton Country Club; and an exchange visit with the Lions of Milton, Pennsylvania the Oct. 20-22 weekend.

The club recently welcomed two new members, George Winney and John Roscoe, bringing the membership list to 39 Lions. Peter Van Wouw is president of the Milton club this year, with Dunc Currie, Peter McCuaig and Wayne Arnold vice-presidents.

EFFICIENT TRAVEL

One rapid transit car produces up to 640 passenger miles on the electrical equivalent of one gallon of diesel fuel. A rapid transit car with an average rush hour load is 18 times as efficient as an automobile.

ELECTRICITY Is Our Business

Don't be a Tinkerer with electricity. Call an expert for:

- Heating
- Wiring
- New Circuits
- Additional Outlets
- Outdoor Lights
