Scouts collect papers Saturday

Milton Boy Scouts will hold their monthly paper collection THIS Saturday in Milton — for the second week in a row.

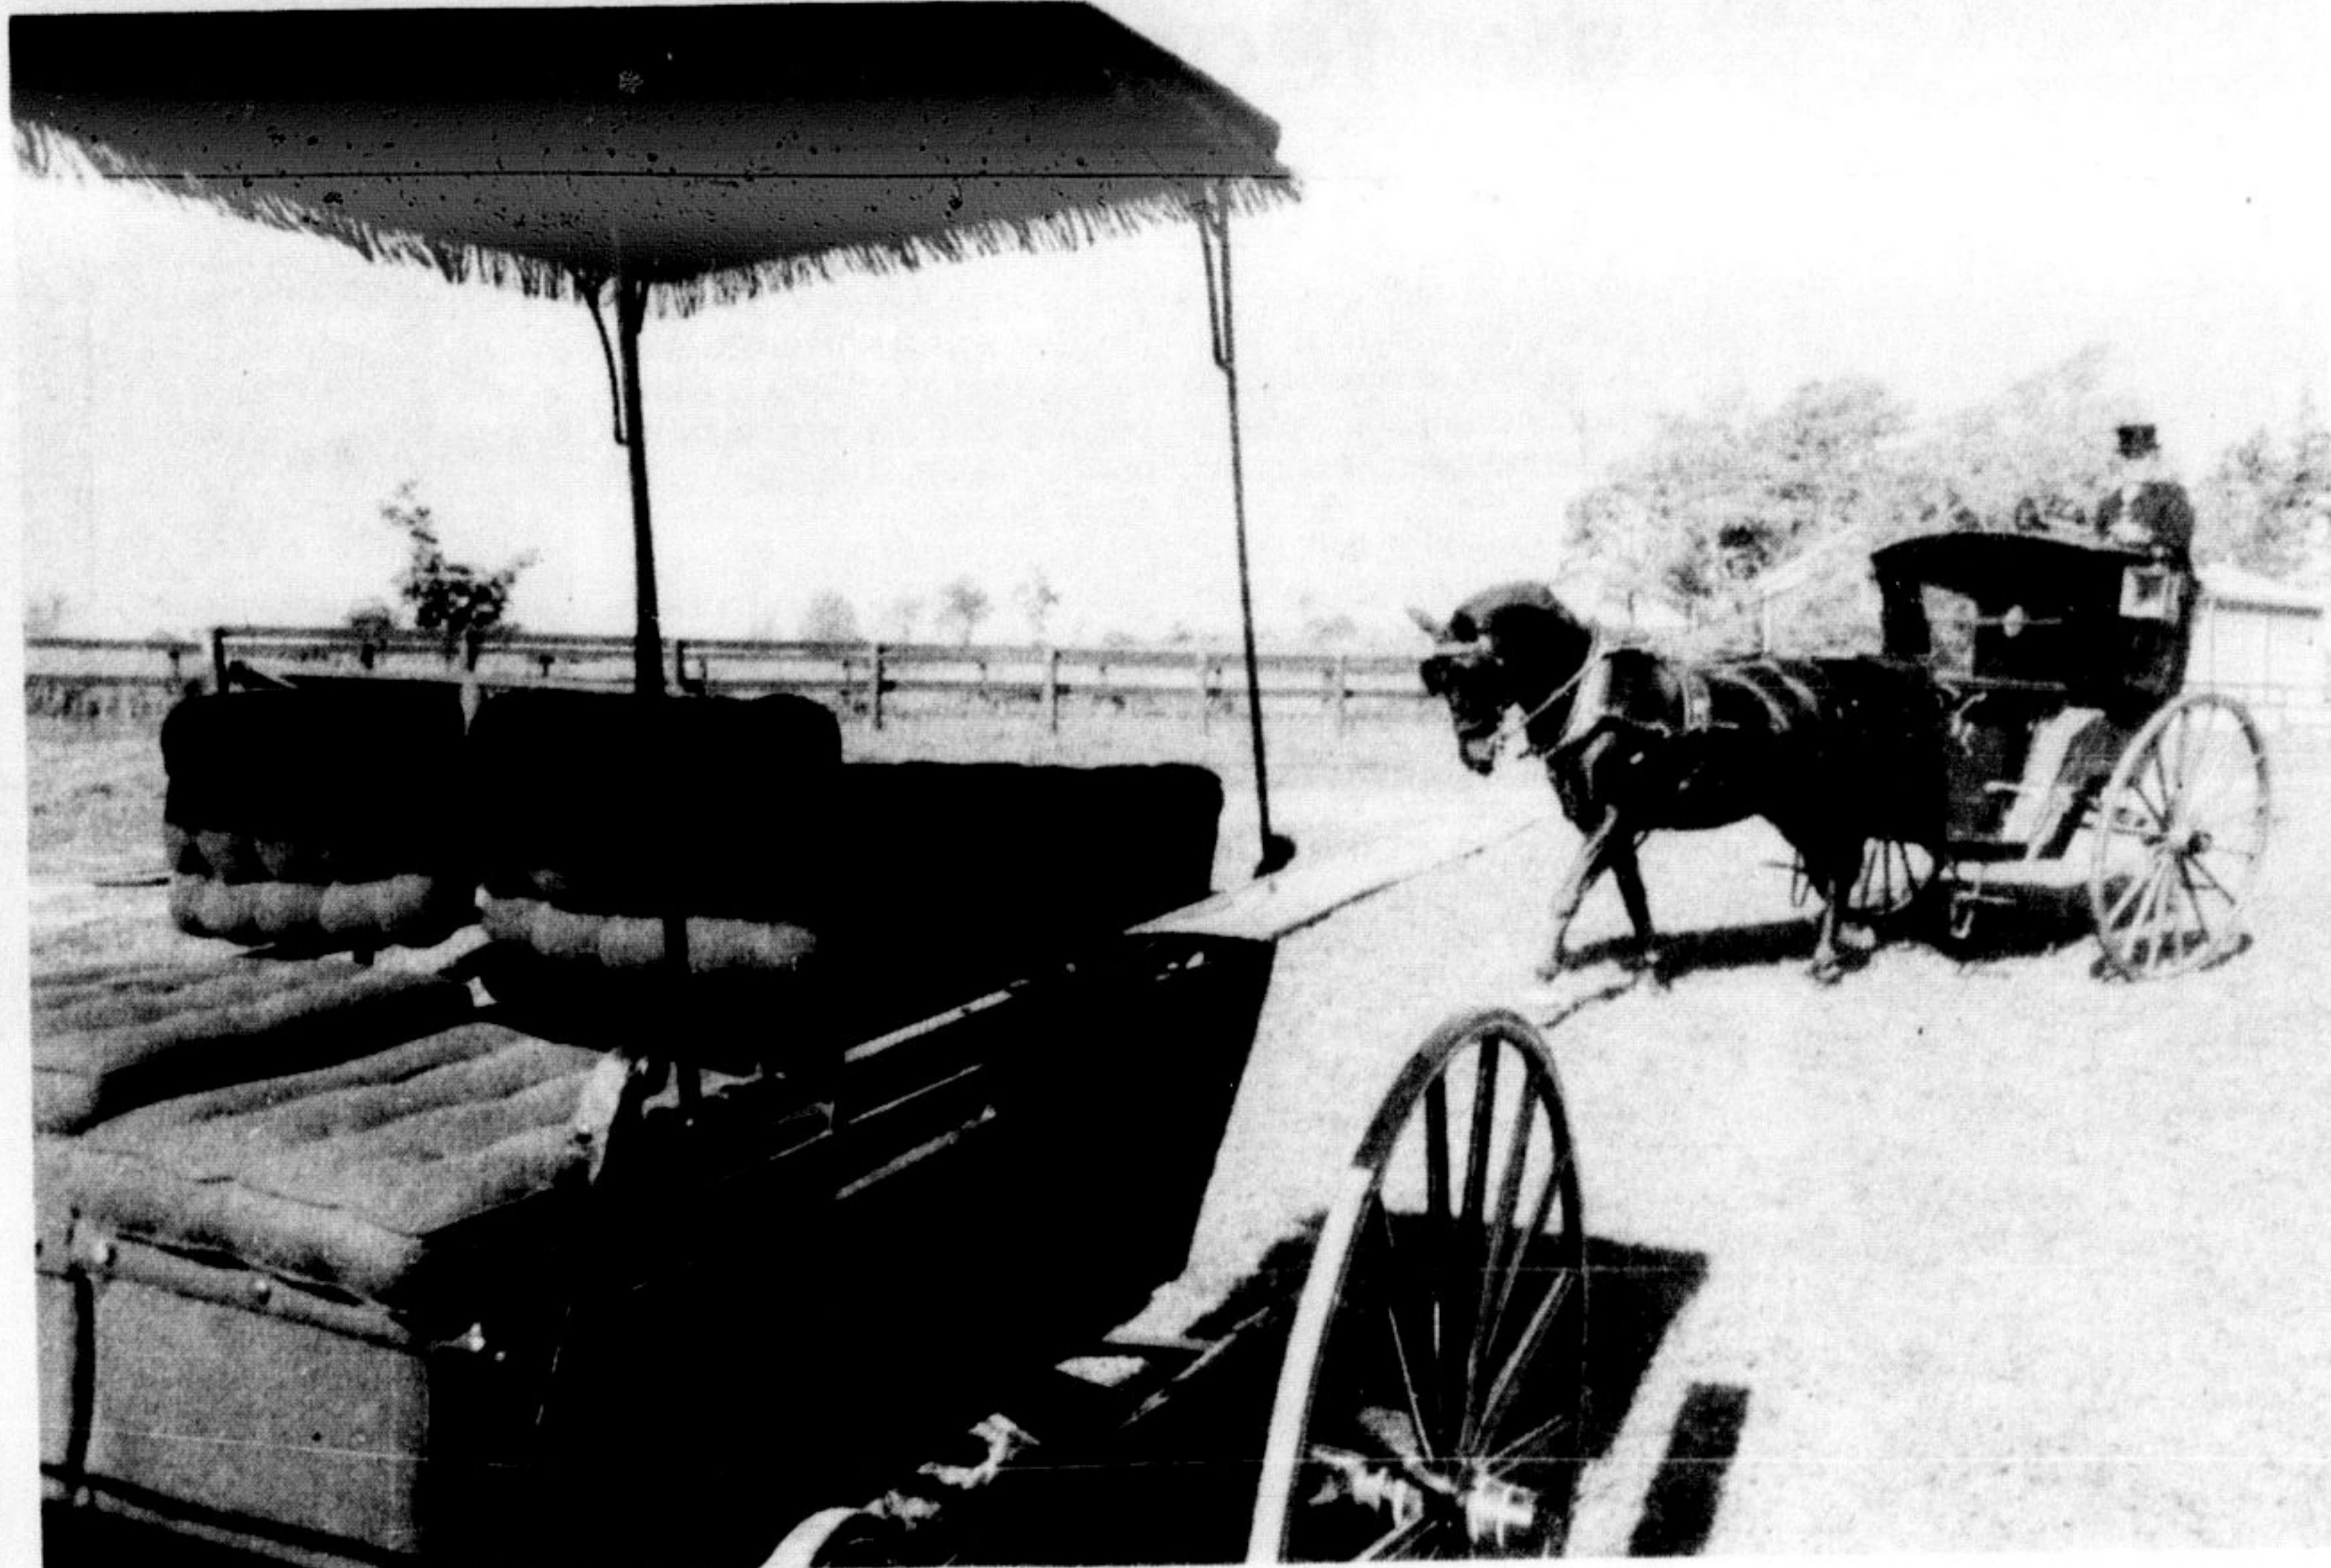

The unusual turn of events came about through an error in the scheduling of the monthly paper drive at The Champion. The notice appeared in last week's paper, listing the paper drive as Saturday, Oct. 14. This was an error on the part of the newspaper, the drive should have been scheduled for this Saturday, Oct. 21.

By the time the error was discovered, it was too late. Scout paper chairman Kathy Gouling said it was going to

be awkward collecting papers, as the 14th was Apple Day and all the Cubs and Scouts were tied up peddling apples around town.

However four trucks were rounded up and the Venturer Crew pitched in to handle the paper collection Saturday, and hauled in tons of waste newspaper to be sold for recycling (with the assistance of a few leaders).

Scout officials have scheduled the "official" paper drive for this coming Saturday, as they feel there is still a big pile of paper out there to be collected and they depend on the revenue to fund Scouting activities in Milton.

CARRIAGES will play an important part in this year's 50th Royal Agricultural Winter Fair in Toronto. Members of the press were invited to the farm of Milton resident Jack Pemberton,

who is also this year's Royal president, to get a preview look at some of his rare and beautiful antique carriages. Doing the rounds in style is farm manager Al Chamberlain.

GORGEOUS COUNTRYSIDE and a horse and buggy complete the picture to remind one of yesteryear. The scene is a sample of what is

planned for this year's 50th Royal Agricultural Winter Fair in Toronto, slated for mid-November.

A BEAUTIFUL AUTUMN DAY, and what could be more fitting than a shiny black horse hitched up to an antique carriage? The scene is not from a book, but rather from the back lane on the farm of Milton resident Jack Pemberton. As this year's president of the Royal Winter Fair, Mr. Pemberton offered the facilities of his farm to Royal staff as a promotion for the 50th year of the Royal. This year's program will include a daily carriage parade, and press representatives were invited to his farm to get a preview of what it will be all about.

Expect rabies increase soon

Rabies may increase above normal levels in parts of southern Ontario in the coming months. Natural Resources Minister James A.C. Auld said the 1978-79 season is the 10th year since the disease last occurred, and there was a major outbreak before that in 1958-59.

"If this 10-year cycle recurs, a peak can be expected this fall and winter," Mr. Auld said.

Outbreaks of rabies have already occurred in Bruce, Carleton, Frontenac, Grey, Lanark, Leeds, Lincoln and Renfrew Counties, with red fox and striped skunk being the major carriers.

The minister said the rabid animals are frequently unusually tame, and any wild animal whose behavior seems unusual should be avoided.

He said that his wildlife biologists advise that if rabies is suspected, contact should be avoided—even if the animal is dead.

"However, if a sportsman does contact rabies, either through his own dog or by direct contact with a rabid fox or skunk, a physician or veterinarian should be notified immediately," Mr. Auld added.

Congratulations to Mr. and Mrs. Bill Bailey on the birth of their grandson in Milton Hospital on Wednesday, Oct. 11 and to the proud and happy parents Mr. and Mrs. Robert Civiero.

A surprise birthday party was held at Boyne Centre on Saturday evening Oct. 14 when friends and relatives gathered to honor Bill Bailey of Britannia Rd. on his 50th birthday. Dancing was enjoyed and a lunch was served and a good time had by all.

The door prize was won by Ken Hearn. The party was arranged by his family, Mary Lou, Mr. and Mrs. Bruce Bailey, Heather, John and Wayne. About 90 friends attended the party and extended good wishes for many more years to Bill.

Miss Audry Lawrence, who is home on furlough from her missionary station in Chad, Africa, has been visiting friends of her supporting church in Beamsville for the past two weeks and speaking on her work on the mission field.

Bethel U.C.W. bazaar is Oct. 28 at 2 p.m. in the church hall.
