Sockets beat Guelph but not Street

Milton's P.L. Robertson novice Sockets returned from Guelph with a deserved 4-1 victory Saturday but lost to an aggressive Streetsville team Sunday.

The first goal in the Royal City was set up by Bryan Haringa to Shawn Hasselfeldt who made a deke around goaltender Dean Bower.

Matt McCandless released a blistering shot for the second goal unassisted for the lone goal in the second period.

Milton novices took a 3-0 lead in the third frame as Todd Hlushko finally capitalized with a wrist shot after ringing three goalposts earlier in the contest.

Guelph issued their first challenge beating goaltender Jimmy Murray at 8:13 of the final period but Milton came back with their final goal as

McCandless notched his second of the night.

Throughout the game Jason Bahman and Danny Brown made outstanding rushes with forechecking and backchecking by Adam Mead, Cory Wilyman and John Snow. Milton goaltenders Steve Dall and Murray shared netminding duties and stopped 17 of 18 shots on net.

On Sunday the Sockets lost to an aggressive Streetsville crew 2-0 to register their first loss in five games. Streetsville set a quick goal in the first minute of play to put Milton on edge.

Their second tally came 1:32 into the second frame both being scored by Andy Walker.

In spite of hard checking and aggressive play in the third period with an extra

attacker, Milton was unable to break the shutout of Cory Vincent in goal for Streetsville.
