

Craft sessions at library fun

WINNIE THE POOH fascinated six-year-old Chris Comeau of 306 Wilson St. at the weekly children's session in Milton Public Library Saturday morning. It was the first time Chris had visited the library and he was enthralled with the giant bear.

BOITLES OF GLUE, pieces of paper and assorted odds and ends litter the arts and crafts table during the children's weekly session at the library on Saturdays. Leaning over to help one of the girls in instructor Mrs. Lee Wood.

BUSY IN THEIR WORK at the library's arts and craft session for children Saturday are Tracy Saunders, 6, and Angie Jones, 7, both from Milton. The girls were in the process of making Christmas trees in preparation for the Yuletide season.

Photos by Rod Lamb

LISTENING WITH RAPT ATTENTION during story-telling time at the library are five-year-old Kathy Love (with glasses) of 296 Kingsleigh Ct. and Debbie Enticknapp (with arm on knee), 7, of 100 Lorne Scots Dr. The two are among the children who attend the library's children's sessions held every Saturday morning during the school year.

LOTTARIO! A LOTTERY THAT LETS YOU WRITE YOUR OWN TICKET.

HOW TO PLAY.

All you need is a selection slip, a pencil, a buck, and a little luck.

- 1** You can get selection slips from any LOTTARIO agent. On each slip you'll see seven 'boards' with numbers 1 through 39. Using one 'board' at a time, select any six of the 39 numbers. With a black pencil, make a vertical mark in the box which contains the number selected.
- 2** Take your selection slip to a LOTTARIO agent or retailer who will enter your selected numbers in the LOTTARIO computer and issue you a receipt with your numbers printed on it. That is your LOTTARIO TICKET. Check it to ensure that the numbers on it are the ones you have chosen.
- 3** Each 'board' costs \$1 to play. You may play as many 'boards' as you wish. In other words, if you played 2 'boards', it would cost \$2.
- 4** Then watch the draw on TV every week or check your newspaper to see if the numbers you've chosen match the numbers that are drawn.
- 5** If you've won, simply present your winning ticket to your LOTTARIO agent for validation. If you've won \$100 or less, the agent will pay you right there on the spot. If you're a big winner, your LOTTARIO agent will tell you how and where to claim your prize.

HOW YOU WIN.

Every week six regular numbers and a bonus number will be drawn on TV.

Match those six regular numbers, in any order, and you're the JACKPOT winner, or, if someone else has also chosen the same numbers, then you'll share the prize.

But if you don't have all six numbers, there are still thousands of other chances to win.

If you get five of the regular numbers right and your sixth number matches the bonus number, you share in the big Second Prize Pool.

Or, if you match five of the regular numbers, your bundle of cash comes from the Third Prize Pool.

Match four regular numbers and you share in the Fourth Prize Pool.

And, if you match three of the regular numbers, you win \$5. Not bad fun for a buck! And there are bound to be thousands of winners every week, because the numbers you choose don't have to be in the same order as those drawn.

HOW MUCH YOU WIN.

The major prizes are divided into four separate prize pools - the JACKPOT Pool, the Second Prize Pool, the Third Prize Pool and the Fourth Prize Pool.

The Fifth Prize is worth \$5.

Those holding winning tickets in any of the four pool categories will share that pool equally.

For example, if the JACKPOT pool is \$300,000 and 2 players have correctly chosen the six regular numbers, each player would win \$150,000.

The weekly JACKPOT could be \$100,000, \$300,000, \$500,000, or more depending upon the number of people playing LOTTARIO. In the event that there is no JACKPOT winner, the JACKPOT Pool builds each week until someone wins it.

In Quebec, the JACKPOT in a similar lottery was over \$1 million before being won.

YOU DON'T JUST BUY A TICKET. YOU PLAY IT.
