### Sales Representative

The Co-operators is a multi-line insurance company with a full range of insurance products to meet growing consumer needs in auto, fire, business and life insurance.

The job involves working on a team basis with office sales staff, to make all our insurance services readily available to our customers. An extensive training program is provided and previous sales experience is not necessary. The person we are looking for should have the highest sense of ethics, be able to work without close supervision, be diplomatic and courteous when dealing with others and should have a record of accomplishment

We offer:

 competitive starting salary and training allowance.

Company car supplied.

 OHIP premiums fully paid. Drug plan.

A generous pension plan.

 Group life insurance. Opportunities to move into specialized or supervisory

positions. Please write giving full resume to:

# the co-operators

Mrs. Boyd 33 City Centre Dr., MISSISSAUGA, ONT.

# MANUFACTURING **MANAGEMENT**

We are a major, multi-national management firm which has recently completed a major phase of expansion in Knoxville, Tennessee.

We have a need for one experienced

preferably with experience in small scale, high volume, electro-mechanical automotive technics. Our standards are high. We require at least

record, strong analytical skills and preferably an engineering degree. The successful candidate will spend some

time in our relay plant in Canada for intensive training, before assuming the key manufacturing management position with clear opportunities for continued growth.

We offer an unparallelled combination of growth and stability, excellent benefits, and a starting salary in the 20,000-23,000 range.

If your background qualifies you for this unique opportunity, please send a detailed resume in strict confidence to: Box No. 578, The Burlington Post, 2321 Fairview St., Burlington L7R 2E3.

We require an aggressive Mechanical Engineer. Proven manufacturing background, preferably with knowledge of automated assembly equipment coupled with initiative, creativity and cost reduction abilities are prerequisites. This is an excellent opportunity to join a progressive, technically oriented company offering growth.
