Opening series a breeze for Opti minor peewees

The Optimists breezed all through their first round play-off series with Streetsville this past week, thumping the opposition 8-1 in Streetsville, and then 13-0 at home Saturday.

In Streetsville the Optimists played a slow and sometimes sloppy game, but the result was never in doubt.

Leading the scoring parade were Paul Rowan, Marshall Cram and Tim Pollen, all with a pair of goals. Single markers went to Perri Hood and Chris Austin.

Saturday night, every player except goaltender Wayne Wyckoff picked up a scoring point as the Optimists left nothing to chance in completely out-distancing the Streetsville team.

Perri Hood and Trevor Riebot added two goals apiece, and Paul Wilson and Tracy Hardine notched single tallies.

Earning assists on the evening were Chris Austin two, Paul Rowan, Jon Griffiths two, Ron Lassaline two, Bruce Syer, Marshall Cram two and Mike Mangotich.

On Sunday the Optimists travelled to Thornhill for an exhibition contest, and skated away with a 4-0 victory. Terry Boudreau scored two goals while Jon Griffiths and Marshall Cram

assisted to reach the 100 point plateau for the season.

added the other markers. Paul Rowan continued his excellent play making, setting up three goals, all as a result of hard work and outstanding checking.

Shawn Carnegie registered the shutout in the physical contest. Thornhill tried to run the team out of the rink, but found it tough to catch the faster skaters and stop the passing of the Optimists.
