The Optimists minor peewees wrapped up their two out of three series with Ancaster in two games defeating the Royals 7-0 Wednesday night in Ancaster.

The Milton crew left no doubt about the outcome of the game as they opened the game with a strong offensive outburst.

Jon Griffiths started the ball rolling sliding the puck past the Ancaster goalie with less than a minute and half into the game. Paul Rowan and Terry Boudreau earned assists on the play.

Seconds later, Boudreau backhanded one into the net, assisted by Rowan and Griffiths. From that point on the Optimists skated at will and controlled the game throughout.

Other marksmen for Milton were Boudreau with his second of the evening, Ron Lassaline, Trevor Riebot, Marshall Cram and Paul Rowan. Earning assists on the evenings play were Griffiths two, Boudreau one, Lassaline one, Rowan three, Hood two and Austin one.

Rowand and Perri Hood continued their excellent play-making of late as each player has shown outstanding team play and an uncanny

knack of putting their line-mates in the clear with pin-point passing.

Tracy Harding contributed another of his

splendid defensive efforts. The biggest player on the blueline, Harding has given the team outstanding two-way play all season. When called

upon, he uses his excellent skating to move the puck out of his end of the rink. Harding also gives the team the much needed "hard shot" from

the point on power-plays. The Optimists now open a two of three series with Orangeville, starting Saturday evening in Orangeville.

**Prizes to be drawn Sat., Feb. 24**

— Enter Today

Milton  
 327 BRONTE ST. S.  
 WHITE OAKS PLAZA

**READY TO SERVE YOU!**

## Gymnasts

(Continued from Page B1) the old firehall.

The Milton Springers made their bid for the firehall late last year after learning the club would no longer have the facilities of Ernest C. Drury School at the end of this year.

At this time, the club has not received a date when they must vacate their base but the school has already cut down on the number of hours the membership is allowed to use the gym.

Gymnasts now use a variety of equipment at E.C. Drury School which means the club will be

faced with buying equipment as soon as it moves from the school.

Prior to the McDonald venture, the club raised some funds with a cart-wheel sponsorship in the Milton Christmas parade and a small jewellery party.

Milton Springers Gymnastic Club members will be showing their stuff Saturday morning at Milton Mall.

According to Betsy Horn, president of the group, the young gymnasts are showing their talents in an effort to publicize the club's need for funds and new facilities.
